CHRIS METZEN, MAX ALLAN COLLINS

📖 **THE SIGN OF THE FOUR** ARTHUR CONAN DOYLE,2017-11-29 If ever a writer needed an introduction Arthur Conan Doyle would not be considered that man. After all, Sherlock Holmes is perhaps the foremost literary detective of any age. Add to this canon his stories of science fiction and his poems, his historical novels, his plays, his political campaigning, his efforts in establishing a Court of Appeal and it is easy to understand why he is so rightly admired. Born in Arthur Conan Doyle was born on 22 May 1859 at 11 Picardy Place, Edinburgh, Scotland. From 1876 - 1881 he studied medicine at the University of Edinburgh following which he was employed as a doctor on the Greenland whaler Hope of Peterhead in 1880 and, after his graduation, as a ship's surgeon on the SS Mayumba during a voyage to the West African coast in 1881. Arriving in Portsmouth in June of that year with less than ₤10 (₤700 today) to his name, he set up a medical practice at 1 Bush Villas in Elm Grove, Southsea. The practice was initially not very successful. While waiting for patients, Conan Doyle again began writing stories and composed his first novel The Mystery of Cloomber. Although he continued to study and practice medicine his career was now firmly set as a writer. And thereafter great works continued to pour out of him.

📖 **LOVE LUCIAN** DAVID DAWSON,MARTIN GAYFORD,2022-09-29 The young Lucian Freud was described by his friend Stephen Spender as totally alive, like something not entirely human, a leprechaun, a changeling child, or, if there is a male opposite, a witch. All that magnetism and brilliance is displayed in the letters assembled here, many published for the first time. From schoolboy messages to his parents, though letters to friends, lovers, and confidants, to correspondence with patrons and associates as he became established as a professional painter, they are peppered with wit, affection and irreverence. Collectively, they provide a powerful insight into his early life and art. Co-authored by David Dawson, Freud's longstanding personal assistant and now Director of the Lucian Freud Archive, and Martin Gayford, author, critic, and friend of the artist, this is the first published collection of Freud's correspondence. Reproduced in facsimile alongside reproductions of Freud's artwork, the letters are linked by a narrative that weaves them into the story of his life and relationships through his formative first three decades.
