The Treasure Map Larry Lee Rhoton, 2022-09-01 When three brothers find a treasure map, they believe a summer adventure is just around the corner. They are young, eleven, twelve, and fourteen. School just let out for the summer, and what a better way to spend the days than looking for lost treasure. However, they are not the only ones trying to find the loot; the Chief of Police and two of his cronies will do anything to locate the missing money, including killing the kids, if necessary. What starts as an adventure quickly becomes a dangerous game of cat and mouse.
