**Together** Geoff Surratt,Sherry Surratt,2018-01-09 Serving in numerous ministry capacities together, Geoff and Sherry Surratt have valuable lessons and observations to pass along to couples seeking to serve in ministry together. Marriage is hard. Learning to do life with another human being presents unanticipated challenges that take determined, focused, humbling effort to work through. Ministry is hard. Much like marriage, it's full of unanticipated challenges, requires a great deal of selflessness, and often comes with little reward. Marriage and ministry together? It's a unique calling, yet couples who enter into it seldom receive adequate preparation, training, or even warning! Geoff and Sherry Surratt have been at both marriage and ministry together for over 30 years and have seen the highs, lows, and everything in between—they've managed to figure out a way to make it all work together. But the Surratts aren't the Facebook ministry couple with perfect hair, perfect skin, and perfect children. In fact, Together isn't a how-to-guide to create the model marriage-in-ministry. It's more like coffee with friends who've been where you are going and have learned some valuable lessons that may help you find your way, together.

**THE BEST TRAVEL COMPANIONS!** Milan Shah,2021-07-22 As a father of three children who have travelled the world from infancy to teenage years, in this book, I profess the joys and benefits as well as the trials and tribulations of family travel. The reader sees how one can plan just about any trip regardless the level of adventure, challenge or even sophistication, with their children. The book takes place, discovering new destinations, over the years of the kids' individual development and also with the addition of more siblings. Similarly it shows how one can take advantage of various destinations on different budgets. This book is for any family, new or established, looking to get out in the world but are hesitant to do so, giving the reader a new sense of energy to explore the horizons and go beyond their set boundaries. The book pushes the limits of traditional family travel blogs and literature to emphasize how traveling with a family shouldn't be kept in a separate box from solo or couple travel. My deep love for travel, adventure and cultural immersion has taken myself, together with my family, to over fifty countries and all seven continents! Together with my wife, I

maintain a busy household of growing kids but never miss an opportunity to take them out of their comfort zones and dive into all the world has to offer. This book will show one how family travel is truly limitless!
