Best Travel Series of the Year, 2008. Hooper, Brad (author). FEATURE. First published September 15, 2008 (Booklist). We select the Little Black Travel Books as our travel guide series of the year. The main reasons for designating these guides as best of the year are their portability and user friendliness....each volume has a neat, tidy, and nicely detailed foldout map to the particular area under discussion. The chapters in each volume correspond to the geographical areas into which the authors divide the city for the tourist. Each chapter gives basics on places to see, available art, and entertainment venues, places to eat and drink, where to shop, and where to stay. You can study a range of guides before your actual trip, but this is definitely a commendable candidate for carrying with you on site. --Booklist (American Library Association)

Bulgari - Roma Jan Kralicek,2020-12-01 A cool guide to Rome, with an emotional tour of the city's key historical sites and monuments revisited through the inspiration behind Bvlgari's jewelry. Since 1884, the majestic beauty of the Eternal City and its rich archaeological, artistic, and cultural heritage have represented an inexhaustible source of inspiration for Bvlgari. Yesterday as today, Rome's monuments and artistic details are gracefully evoked in the brand's jewelry creations. For example, the design of the iconic B-zero1 ring was inspired by the Colosseum, the ultimate symbol of the city, and likewise the recurrent octagonal geometries watch dial refers to the coffered ceiling of the Basilica of Maxentius. This handy, pocket-sized volume takes us on an unprecedented historical,

artistic, and emotional tour of the city. In addition to an actual guide to the monuments, the narration is enriched by short stories by some of the best-known Roman authors from the world of contemporary Italian literature, inspired by the most iconic locations in the city. The book is further enhanced by contributions from figures linked to the city by birth or by adoption, including renowned names from fashion, cinema, sport, and music. The Bvlgari jewelry and the places in Rome that inspired it are photographed in stunning images with artistic direction by Jan Králíček.
