Treasure Islands Nicholas Shaxson,2012 Dirty money, tax havens and the offshore system describe the ugliest and most secretive chapter in the history of global economic affairs. Tax havens have declared war on honest, law-abiding people around the world. Wealthy individuals hold over ten trillion dollars offshore. Tax havens are the most important single reason why poor people and poor countries stay poor. Britain and the United States are the world's two most important tax havens. Tax havens now lie at the very heart of the global economy. Over half of world trade, and most international lending, is processed through them. Tax havens have been instrumental in nearly every major economic event, in every big financial scandal, and in every financial crisis since the 1970s, including the latest global economic crisis. Treasure Islands show how this happens and reveal what the economics text books will not tell you.

**Treasure Island!!!** Sara Levine,2011-12-07 A young slacker decides to live her life according to Robert Louis Stevenson’s classic adventure: “A rollicking tale, shameless, funny and intelligent” (The New York Times). When a college graduate with a history of hapless jobs (ice cream scooper, gift wrapper, laziest ever part-time clerk at The Pet Library) reads Robert Louis Stevenson’s novel Treasure Island, she is dumbstruck by the timid design of her life. When had she ever dreamed a scheme? When had she ever done a foolish, overbold act? When had she ever, like Jim Hawkins, broken from her friends, raced for the beach, stolen a boat, killed a man, and eliminated an obstacle that stood in the way of her getting a hunk of gold? Convinced that Stevenson’s book is cosmically intended for her, she redesigns her life according to its Core Values: boldness, resolution, independence, and horn-blowing. Accompanied by her mother, her sister, and a hostile Amazon parrot that refuses to follow the script, our heroine embarks on a domestic adventure more frightening than anything she’d originally planned. Treasure Island!!! is the story of a ferocious obsession, told by an original voice—“insane, hilarious, and irreverent” (Alice Sebold). “Highly original . . . will keep you entertained in spite of (or more accurately, because of) its toxic narrator.” —Library Journal “A hoot.” —Kirkus Reviews

Treasure Island        ,2017-01-12 Stevenson's Treasure Island is among the most delightful adventure romances of all time. From young Jim Hawkins' first encounter with an old buccaneer and his

treasure map to the final daring skirmish with the treacherous pirate Long John Silver, this classic work enchants and fuels the imagination.

*Return to Treasure Island and the Search for Captain Kidd* Barry Clifford,Paul Perry,2004-11-02 With the help of the Discovery Channel, undersea explorer Barry Clifford fields an expedition that includes some of America's top experts in shipwreck recovery. Their goal is to find, identify, and possibly excavate the remains of history's most famous pirate ship: Captain Kidd's Adventure Galley. The search takes them to a tiny island off the coast of Madagascar, Sainte Marie, known to historians as the model for Robert Louis Stevenson's Treasure Island. Return to Treasure Island and the Search for Captain Kidd weaves together two exciting stories: the saga of Captain William Kidd, one of history's most baffling and mysterious figures, and Barry Clifford's obsessive quest to find perhaps the most notorious pirate ship of all time. The result is a tale of treasure and adventure that ends in death -- both Kidd's and, three hundred years later, that of a rival archaeologist who attempts to stop Clifford's expedition.

**Treasure Island** Robert Louis Stevenson,2020 When an old pirate gives him a secret treasure map for safekeeping, Jim Hawkins is excited to finally have some adventure in his life. Jim assembles a pirate crew, finds a sailing ship, and sets course for the destination where he expects to find treasure beyond his wildest dreams. Along the way, he will have to learn how to protect himself and his loyal crew from the scoundrels who turn against him. Will Jim and his pirate friends find the treasure and live to tell the tale? --

**Treasure Island** Robert Louis Stevenson,2011-01-13 'there were only seven out of the twenty-six on whom we knew we could rely; and out of those seven one was a boy ...' When a mysterious seafarer puts up at the Admiral Benbow, young Jim Hawkins is haunted by his frightening tales; the sailor's sudden death is the beginning of one of the most exciting adventure stories in literature. The discovery of a treasure map sets Jim and his companions in search of buried gold, and they are soon on board the Hispaniola with a crew of buccaneers recruited by the one-legged sea cook known as Long John Silver. As they near their destination, and the lure of Captain Flint's treasure grows ever stronger, Jim's courage and wits are tested to the full. Stevenson reinvented the genre with Treasure Island, a boys' story that appeals as much to adults as to children, and whose moral ambiguities turned the Victorian universe on its head. This edition celebrates the ultimate book of pirates and high adventure, and also examines how its tale of greed, murder, treachery, and evil has acquired its classic status. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. **ISLAND TALES: The Mysterious Island & Treasure Island** Jules Verne,Robert Louis Stevenson,2017-10-06 Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of buccaneers and buried gold. First published as a book on May 23, 1883, it was originally serialized in the children's magazine Young Folks between 1881–82 under the title Treasure Island or, the mutiny of the Hispaniola with Stevenson adopting the pseudonym Captain George North. Traditionally considered a coming-of-age story, Treasure Island is an adventure tale known for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality — as seen in Long John Silver — unusual for children's literature now and then. It is one of the most frequently dramatized of all novels. The influence of Treasure Island on popular perceptions of pirates is enormous, including treasure maps marked with an X, schooners, the Black Spot, tropical islands, and one-legged seamen carrying parrots on their shoulders. The Mysterious Island (French: L'île mystérieuse) is a novel by Jules Verne, published in 1874. The novel is a crossover sequel to Verne's famous Twenty Thousand Leagues Under the Sea and In Search of the Castaways, though thematically it is vastly different from those books. An early draft of the novel, initially rejected by Verne's publisher and wholly reconceived before publication, was titled Shipwrecked Family: Marooned With Uncle Robinson, seen as indicating the influence on the novel of Robinson Crusoe and The Swiss Family Robinson. The book tells the adventures of five American prisoners of war on an uncharted island in the South Pacific.

San Francisco's Treasure Island Jason Pipes,2007 Reclaimed from a sandy shoal in the San Francisco Bay, Treasure Island is a man-made creation built in 1936 during the same era that saw the construction of such California icons as the Golden Gate Bridge and the Bay Bridge. Situated next to rocky Yerba Buena Island, it was initially planned to serve as the location of the new San Francisco airport, but its first official duty was to host the 1939 World's Fair. The island's amazing and varied history includes the Golden Gate International Exposition, a U.S. naval station, a Pan-American seaplane base, mock nuclear tests, tragic fires, and many more dramatic events since it rose from the bay. In addition, a number of historic structures remain on Treasure Island, largely frozen in time since they were constructed in 1936.
