

Triangle

Mary-Lou Smith

Triangle Margaret Falcon, 2011-07 To everyone on the North Carolina campus, Karen and Kevin seem the perfect couple. She is beautiful and charming, while he is smart and handsome. They are the kind of couple people envy and want to emulate. There is one problem, however. Karen cannot be faithful to her unsuspecting boyfriend. As rumors spread, people who interfere with the tumultuous couple are mysteriously and brutally murdered. Karen's best friend, and roommate, Tina is privy to her indiscretions. Torn between loyalty to Karen, and a growing passion for Kevin, tensions mount between the friends. Can Tina keep a secret long enough to stay alive?

The Greedy Triangle Marilyn Burns, 1994 In this introduction to polygons, a triangle convinces a shapeshifter to make him a quadrilateral and later a pentagon, but discovers that where angles and sides are concerned, more isn't always better.

The Triangle Fire, Centennial Edition Leon Stein, 2010-12-16 March 25, 2011, marks the centennial of the Triangle Shirtwaist Factory fire, in which 146 garment workers lost their lives. A work of history relevant for all those who continue the fight for workers' rights and safety, this edition of Leon Stein's classic account of the fire features a substantial new foreword by the labor journalist Michael Hirsch, as well as a new appendix listing all of the victims' names, for the first time, along with addresses at the time of their death and locations of their final resting places.

Four-Sided Triangle W. Temple, 2018-07-12 The

idea was too big for the mind to grasp in all its implications at the first attempt. But when you did get a grip on it, just to let the imagination rove with the possibilities! Science is on the verge of a revolution. A cutting-edge new replication process is invented, and any matter can be reproduced -- Shakespeare's signature, works of art, even ... a human being? When a brilliant scientist believes that this perfect replication process offers the solution to an excruciating love triangle, the limits of the new technology are tested -- and impossible questions of identity and originality threaten to tear apart the best-laid plans of paradise--Back cover

I See Triangles Mary-Lou Smith, 2014-12-15 The world is full of triangles. This book teaches readers how to identify a triangle, and gives examples of where to find it in the world around them.

Triangle David Von Drehle, 2003 This poignantly detailed account explores the 1911 factory fire that horrified the country and changed the course of 20th-century politics and labor relations.

Flesh and Blood So Cheap: The Triangle Fire and Its Legacy Albert Marrin, 2011-02-08 On March 25, 1911, the Triangle Shirtwaist Factory in New York City burst into flames. The factory was crowded. The doors were locked to ensure workers stay inside. One hundred forty-six people—mostly women—perished; it was one of the most lethal workplace fires in American history until September 11, 2001. But the story of the fire is not the story of one accidental moment in time. It is a story of immigration and hard work to make it

in a new country, as Italians and Jews and others traveled to America to find a better life. It is the story of poor working conditions and greedy bosses, as garment workers discovered the endless sacrifices required to make ends meet. It is the story of unimaginable, but avoidable, disaster. And it the story of the unquenchable pride and activism of fearless immigrants and women who stood up to business, got America on their side, and finally changed working conditions for our entire nation, initiating radical new laws we take for granted today. With *Flesh and Blood So Cheap*, Albert Marrin has crafted a gripping, nuanced, and poignant account of one of America's defining tragedies.

The Triangle Shirtwaist Factory Fire Rachel A. Bailey, 2014-08-01 This book relays the factual details of the story of the Triangle Shirtwaist Factory fire of 1911. The narrative provides multiple accounts of the event, and readers learn details through the point of view of a teenage girl worker, a New York socialite, and a responding fireman. The text offers opportunities to compare and contrast various perspectives in the text while gathering and analyzing information about a historical event.

The Triangle Shirtwaist Factory Fire Jessica Gunderson, 2006-08 In graphic novel format, tells the story of the Shirtwaist factory fire of 1911.

The Problem of the Angle-bisectors ... Richard Philip Baker, 1911

Fire at the Triangle Factory Holly Littlefield, 1996 Two fourteen-year-old girls, sewing machine operators at the Triangle

Shirtwaist Company, are caught in the famous Triangle fire of 1911.

Working with Relationship Triangles ,1996-10-04
Virtually all significant relationships are shadowed by a third party-another person, a competing distraction, or even a memory. This groundbreaking book provides clinicians with a hands-on guide to working with many different kinds of relationship triangles in therapy with families, couples, and individuals. The authors show why triangles come into being, how to predict their evolving nature, and how they can be dealt with and resolved in treatment. A wealth of clinical case material and treatment suggestions illustrates how thinking in terms of threes, as well as individuals and dyads, can greatly increase therapeutic flexibility and effectiveness. The paperback edition includes a new series editor's note by Michael P. Nichols.

The Triangle of Mu Phi Epsilon ,1917

Modern Triangle Quilts Rebecca Bryan,2017-01-01
Ready to take the triangle challenge? Choose from 70 pieced modern triangle blocks and 11 exquisite quilts that wow! Fourth-generation quilter Rebecca Bryan is back-this time with beautiful 3-sided blocks sewn from pieced stripes, chevrons, curves, and more. A dedicated graphic design chapter will help you choose a winning color palette, play up unexpected elements, and achieve balance and symmetry. Grab your favorite ruler and the full-size block templates to create equilateral, isosceles, and right triangles with ease. With no tricky seams, these sampler blocks are perfect to mix and match.

The Triangle Shirtwaist Factory Fire Steven Otfinoski, 2014 Explains the Triangle Shirtwaist Factory fire, including its chronology, causes, and lasting effects--

The Devil's Triangle Catherine Coulter, J.T. Ellison, 2017-03-14 From New York Times bestselling authors Catherine Coulter and J.T. Ellison comes the highly anticipated thriller in their Brit in the FBI series, featuring special agents Nicholas Drummond and Michaela Caine in their new roles as heads of the Covert Eyes team—but will their first case be their last when the enigmatic and dangerous thief known as the Fox reappears? “He who controls the weather, will control the world. He who controls time, will never be around.” —Thomas Frey FBI Special Agents Nicholas Drummond and Michaela Caine are the government’s Covert Eyes—leading a top-notch handpicked team of agents to tackle crimes and criminals both international and deadly. But their first case threatens their fledgling team when the Fox calls from Venice asking for help. Kitsune has stolen an incredible artifact from the Topkapi Museum in Istanbul, and now the client wants her dead. She has a warning for Nick and Mike: she’s overheard talk that a devastating Gobi desert sandstorm that’s killed thousands in Beijing isn’t a natural phenomenon, rather is produced by man. The Covert Eyes team heads to Venice, Italy, to find out the truth. From New York to Venice and from Rome to the Bermuda Triangle, Nicholas and Mike and their team are in a race against time, and nature herself, to stop an obsessed family from devastating Washington, DC.

The Hunt for Khun Sa Ron Felber, 2011-05-01 For two decades, the Burmese warlord Khun Sa controlled nearly 70 percent of the world's heroin supply, yet there has been little written about the legend the U.S. State Department branded the "most evil man in the world"—until now. Through exhaustive investigative journalism, this examination of one of the world's major drug lords from the 1970s to the 1990s goes behind the scenes into the lives of the DEA specialists assigned the seemingly impossible task of capturing or killing him. Known as Group 41, these men would fight for years in order to stop a man who, in fact, had the CIA to thank for his rise to power. Featuring interviews with DEA, CIA, Mafia, and Asian gang members, this meticulously researched and well-documented investigation reaches far beyond the expected and delves into the thrilling and shocking world of the CIA-backed heroin trade.

Pat Sloan's Teach Me to Sew Triangles Pat Sloan, 2015-11-03 Pat Sloan--popular teacher, designer, and online radio-show host--teaches all you need to know to create triangles with ease.
