The Wedding Diary Margaret James,2013-12-05 A free luxury wedding gives two strangers a second chance at love in this charming contemporary romance novel in the Charton Minster series. Cat Aston thought she hit the jackpot when she won a fairytale wedding in a luxury hotel. But now that her finance has run out on her, her dreams of wedded bliss have turned into a nightmare. But still, no woman in her right mind would turn down a free wedding of a lifetime. Now she just needs to find a groom . . . Adam Lawley was left devastated when his girlfriend turned down his heartfelt proposal and he's vowed to never love again. But something keeps pulling him toward Cat. They've both been burned by love--so why can't they stop thinking about each other? It might be too

good to be true, or it just might be their second chance for true love—complete with a happily ever after. “In this wildly passionate, touching and sometimes funny story, James portrays two brokenhearted souls who connect and magically find a way to love again. Most of the book has an offbeat, almost fairy-tale feel, but it’s uplifting and satisfying. James spins her story with hope in mind, and her characters help us believe in castles in the air without equivocation.” –RT Book Reviews

Harold Bauer - His Book Harold Bauer, 2013-04-16
Harold Victor Bauer (1873-1951) was a noted pianist who began his musical career as a violinist. He was one of the most distinguished pianists of his generation, and exerted an important influence on music in America. In America as in Europe he constantly pursued a purely artistic ideal and has shown himself ready to subordinate personal prestige to the higher end. Here is the story of his life told by himself.

The Herald Diary 2021/22 Lorne

Jackson, 2021-11-11 TWISTED TAILS & NUT JOBS It was a year when the world went wonky. When planet earth broke down completely, and we discovered it couldn't be swapped at the shops for an upgraded product, because nobody had bothered to keep the receipt. Luckily The Herald's Diary column was available to cover lockdown lows, Boris bumbles and the curious case of a Scottish rock legend's 'smashing' behaviour. And let's not forget our intrepid investigation into the mystery of the century - exactly who was plonking fancy-schmancy woollen hats on the postboxes of Greenock? In this era of chaos and cataclysmic change, some things stayed reassuringly the same. Scotland remained triumphantly average at footy, and the Diary had a chortle about that, too. This chucklesome compilation presents our favourite tales and quirky comments from a year like no other. Included, too, are longer stories set in the mysterious worlds of pubs and ukulele strummers. It's been a funny old year. And this is a funny new book. Brace yourself for a deluge of daffy

Diary delights.

Trumpets from the Steep Diana Cooper, 2018-05-03

This last volume of Lady Diana Cooper's memoirs covers the years of the Second World War and its aftermath, when her husband Duff Cooper served as Minister of Information and then in various diplomat posts around the world. We accompany the Coopers on their travels from the Dorchester Hotel during the breathless days of the Blitz, to a happy sojourn farming in Sussex, to Singapore and Algiers and eventual retirement to France, all told with Diana's unique perspective and enchanting style.

F*cking History The Captain, 2020-08-11 History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the

ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

Dictionary of Louisiana French Albert

Valdman, Kevin J. Rottet, 2009 The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .
