The Analysis of Tidal Stream Power Jack Hardisty,2009-02-17 This text integrates a wide range of research and tidal resource theory and data to present a detailed analysis of the physics and oceanography of tidal stream power devices together with a world wide resource analysis. Clearly structured throughout the book is divided into two distinct parts. Part One provides the theoretical background to the subject and deals with the historical development of the harmonic method for the synthesis of tidal currents; the principles of fluid and tidal flow and the principles of device ducts, turbines and electrical systems. A review and analysis of more than forty tidal stream power proposals is also discussed. Part Two provides a comprehensive overview of current practice. The economic modelling of tidal stream power installations is covered with more than three hundred current meter records from around the world used to analyse the potential and cost of tidal stream power on a global basis. Hallmark Features: reviews the tidal resources around the world complete analysis of tidal stream power systems includes historical information on tidal science and biographical information on major figures concentrates on engineering physical geography rather than engineering specifics includes a website with a wide range of computer models, data and simulations

Linguistic Dating of Biblical Texts: Volume 2 Ian Young,2017-07-05 Since the beginning of critical scholarship biblical texts have been dated using linguistic evidence. Until now there has been no introduction to and

comprehensive overview of the field. Volume 2 of Linguistic Dating of Biblical Texts contains an extensive overview of dates attributed to different books and corpora of the Hebrew Bible in modern scholarship, demonstrating the lack of consensus on the dating of biblical texts. A synthesis of the main arguments of the work is presented, drawing also on many points from volume 1, followed by 50 pages of case studies, a list of linguistic features attributed to LBH in earlier research, a bibliography of 70 pages and several indexes.
