Clean slate. That's what Hendricks Becker-O'Malley's parents said when they moved their family to the tiny town of Drearfield, New York. Hendricks wants to lay low and forget her dark, traumatic past. Forget him. But things don't go as planned. Hendricks learns from new friends at school that Steele House--the fixer upper her parents are so excited about--is notorious in town. Local legend says it's haunted. But Hendricks isn't sure if it's the demons of her past haunting her ...or of the present. Voices whisper in her ear as she lays in bed. Doors lock on their own. And, then, one night, things take a violent turn. With help from the mysterious boy next door, Hendricks makes it her mission to take down the ghosts . . . if they don't take her first.

The Haunting of Sunshine Girl Paige McKenzie,Alyssa Sheinmel,2015-03-26 The Haunting of Sunshine Girl is the first in a frighteningly good new series based on the popular YouTube sensation The Haunting of Sunshine Girl Network, created by Paige McKenzie. In that place where you're more asleep than awake any more, I hear something else. A phrase uttered in a child's voice, no more than a whisper: Night Night. Something freaky's going on with Sunshine's new house . . . there's the chill that wraps itself around her bones, the giggling she can hear in the dead of night, and then the strange shadows that lurk in her photographs. But the more weird stuff that happens, the less her mum believes her. Sunshine's always had a quirky affiliation with the past, but this time, history is getting much too close for comfort . . . If there is something, or someone, haunting her house, what do they want? And what will they do if Sunshine can't help them? As things become more frightening and dangerous, and the giggles she hears turn to sobs and screams, Sunshine has no choice but to accept what she is, face the test before her and save her mother from a fate worse than death.

True Irish Ghost Stories St John D. Seymour,Harry L Neligan,2023-11-23 This book is a compilation of different ghost and supernatural phenomena retold to the authors of this book and collected by them in different parts of Ireland. Yet the authors of this book remain objective, so it doesn't have any additional literary tricks employed to make the read feel like fiction. Once the British Isles characterize by a huge number of ghost stories and ghost lore is one of local peculiarities, the accounts in the book are perceived and presented like real. For example, there is even a story about a legal case regarding a haunted house, where the court ruled that the damages of the house should be perceived as such that are caused by a ghost. A truly interesting read for anyone who fancies supernatural and blood-chilling stories.
