Sex Crimes: Rape, molest and sexual misdemeanours in Singapore Balvinder Sandhu,2014-08-15

Teachers, doctors and senior civil servants used to be considered role models in society but as in every profession, there are always black sheep who tarnish the reputation of their peers. Beneath the stereotype of a hardworking employee, here are cases of people who have committed crimes of a sexual or perverse nature. Read about the serial rapist who found his victims through social media; the elderly doctor who was accused of molesting his patient; the senior civil servant who traded sex for business favours; the female teacher who behaved inappropriately with the classmate of her 13-year old son. These are the stories of the men and women who did not keep their passion under control, committing crimes of a sexual nature. About the author Balvinder Sandhu has been a part of the Singapore media scene for over 15 years, as both a writer and editor. She has worked for various lifestyle publications on both a full-time and freelance basis. She is currently based in Melbourne, where she works on a freelance basis for publications in Singapore, Australia and Hong

Kong, as well as several websites. Her book Financial Fraud was a finalist in the Popular Reader's Choice Award in 2013.

The Big Book of Drinking Games Charlie Michaels, 2020-06-12 Are you tired of hearing the same questions being asked over and over again during drinking games? Want to add some originality? As a British university student, nothing gets me more excited than going to my friends' houses for pre-drinks before heading out for the night. Every student has their favorite drinking games! But let's face it; they can get a little repetitive... especially when you're out 3 nights a week! In this book, you'll find 3 different drinking games with 1000 questions in total. We all love getting to know our friends a little better, right? So, here's your chance to ask the questions you'd love to know the answers to... Never Have I Ever Everybody's heard of this game before, right? A statement is read aloud, and if you've done what the statement says before, you take a drink! Take it to the next level, with 600 statements split over 25 different rounds! It's the best way to discover things you never knew about your friends, whether they're dirty, illegal, or just plain embarrassing! There's also an added twist... The reader has the ability to make a player tell the story behind their confession only three times every round. Refuse to tell? Take a drinking punishment. Tell the truth? You can punish any player of your choice! Truth or Dare Truth or Dare; everybody's childhood favorite! With a total of 200 extremely uncomfortable questions split over 10 rounds, you

might not be able to see by the end of the book! If a player truthfully answers the question they are asked, they have the power to make any player of their choice take a sip of their drink. If they refuse, they take a more severe punishment that is pre-determined at the beginning of the round. Simple! Would You Rather? A traditional favorite. There are 200 questions, each with 2 possible alternatives. Players must answer which option they'd prefer by either raising their hand or keeping it down. Players that disagree with the reader must take a drink. But it's not just as simple as that... If only one player disagrees with the reader, they face a stronger punishment. To make it even better, if everybody disagrees with the reader, the reader must face an even stricter punishment! If you're ready to add some originality to your drinking games and bring your parties to life, scroll up and click the Add to Cart button now! Note: This book contains adult content and is not recommended for anybody under the legal drinking age.

Social Impact of Wine Marketing Mojca

Ramšak, 2022-01-24 This book is inspired by the term "digiwine," a neologism referring to the production and/or marketing of wine through the use of new technologies and robotics such as vineyard information systems, sensor units, weather stations, drones, robotic harvesters, social media videos, digital labels, and wine apps. The alcohol industry is using these technologies to develop digital strategies and online tools for more efficient sales of wine. This book analyzes the use of digital alcohol

marketing, the reasons for it, the role of regulation, and its social impact. In particular, malignant forms of alcohol marketing to youth are precisely described through exact case descriptions from the global milieu. The author questions whether the loopholes in the legislation or inefficiency of self-regulation have negative consequences that can no longer be prevented by public health care programs. When and how did the alcohol industry become so deeply interwoven in our lives that we mindlessly advertise and parade in its shadow on social media and that we increasingly buy alcohol digitally for fun, in innovative packaging, and with strange ingredients combinations? Dr. Mojca Ramšak's book peels back the layers of the alcohol industry's most obvious yet overlooked marketing tactics. It also reveals the sluggishness of preventive and curative efforts, as well as legal or self-regulatory measures, at keeping up with the alcohol industry's use of technology. - Nadja Furlan Štante, Principal Research Associate and Professor of Religious Studies, Science and Research Centre of Koper, Slovenia.

A WALK ACROSS DIRTY WATER AND STRAIGHT INTO MURDERER'S ROW Eugene S Robinson, 2023-08-29 A rollicking no-holds barred memoir from journalist and musician Eugene S. Robinson that takes readers along through the story of his life. "A weird rollicking ride" frames how author Eugene S. Robinson views his journey from a Brooklyn kid with decidedly offbeat punk rock proclivities to the realities of California hardcore and dark detours into shows, tours, drugs, porn, guns, MMA fighting, an Ivy League-esque education and his eventual entry into the US Defense industry just in time to see his boss dragged into Contragate. Robinson's writing mirrors his fighting style

intensity, ferocity, and brutal truth. He knows exactly who he is and how he is perceived by the white people and white culture that surrounds him. Robinson challenges accepted norms. He fights against easy answers and safe passages. He says: No one who ever gets a life sentence for just about anything really expects it to last a lifetime. Even if the modifier is without the possibility of parole. Hope springs eternal but there's always the undiscussed other option. The one where the fate is chosen, freely, and the protagonist has about as much interest in escaping as he does of being almost anywhere else at all. Which is to say: not at all." A Walk Across Dirty Water is Robinson's memoir of growing up in Brooklyn during the 1970s, playing in punk bands and touring the world during the

Ordinary Human Beings Salem Miles, 2023-02-28

This year was supposed to be about me being out of the spotlight and minding my own business, not about me French kissing one of the school's most hated kids in the back of the burner room! "The door." *** After a controversial start to the New Year, Kendall Riddick has to navigate her first senior year at Riveria Boarding School while trying to avoid her ex girlfriend and former best friend on campus. But none of that is easy, as a not so unfamiliar stranger decides to enrol into the school...and guess what? She's Kendall's room-mate. And if there's one thing Kendall has learned about sharing a room with a complete 'stranger' is that room-mates don't kiss, right? Right?

Truth or Dare Jacqueline Green,2013-05-14 When a simple round of truth or dare spins out of control, three girls find it's no longer a party game -- it's do or die. It all started on a whim: The game was a way for Tenley Reed to reclaim her popularity, a chance for perfect Caitlin Angel Thomas to prove she's more than her Harvard application. Loner Sydney Morgan wasn't even there; she was hiding behind her camera, as usual. But when all three start receiving mysterious dares long after the party has ended, they're forced to play along -- or risk exposing their darkest secrets. How far will Tenley, Caitlin, and Sydney go to keep the truth from surfacing? And who's behind this twisted game? Set against the backdrop of Echo Bay, an isolated beach town haunted by misfortune, Truth or Dare is a highly charged debut that will keep readers in suspense from beginning to end.
