Edith and Florence Stoney, Sisters in Radiology Adrian Thomas, Francis Duck, 2019-07-01 This book explores the lives and achievements of two Irish sisters, Edith and Florence Stoney, who pioneered the use of new electromedical technologies, especially X-rays but also ultraviolet radiation and diathermy. In addition, the narrative follows several intertwined themes as experienced by the sisters during their lifetimes. Their upbringing, influenced by their liberal-minded scientist father, set the tone for both their lives. Irish independence fractured their family heritage. Their professional experiences, fulfilling for Florence as a qualified doctor but often frustrating for Edith as a Cambridge-educated scientist, mirrored those of other aspiring women during this period, when the suffragist movement expanded and women's lobby groups were formed. World War I created an environment in which their unusual specialist knowledge was widely needed, and the sisters' war experiences are carefully examined in the book. But ultimately this is the extraordinary story of two independent but closely bonded sisters and their abiding love and support for one another.

**Your Kinky Friends** Nicholas Tanek, 2017-03-10 A Tribute to the New Jersey - New York Kink Community. Devastated by the death of his love, Lynn, Nicholas turned to the community they had become part of: the kink community. He reconnected with some old friends, and through them, met some new ones. Randee was an in-your-face, self-proclaimed slut, and Cassie was an intriguing, intimidating dominatrix. To Nicholas, they were just his friends. Sometimes sex is just a distraction, but sometimes it can help to heal. For some people, sex is the only way they know how to seek or give comfort. Nicholas found an honesty and acceptance in the fetish community that he did not experience in his vanilla life. After his eye-opening relationship with Lynn, there was no going back. It was time to make new friends. What some people are saying... I don't even know what to say. - Kevin. I like to sit on my naked slave and paint on a canvas while he reads your books aloud to me. - Jennifer O'Neal, artist. I'm your mother. I will never read this book. - my mother

Patanjali Yoga Sutras Sri Sri Ravi Shankar, 2014-01-01 The Yoga Sutras of Patanjali are the foundational texts of the science of yoga. In this book, Sri Sri Ravi Shankar, a master of yoga for the 21st century, offers his own commentary on this fundamental work. The aim of Patanjali Yoga is to set man free from the cage of matter. Mind is the highest form of matter and man freed from this dragnet of Chitta or Ahankara (mind or ego) becomes a pure being. - H. H. Sri Sri Ravi Shankar

**Sketching Stuff** Charlie O'Shields, 2018-11-22 Charlie O'Shields is the creator of Doodlewash®, founder of World Watercolor Month in July, and host of the Sketching Stuff podcast. Every single day, for over three years, he

created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog. These are some of the collected favorites along with some brand new musings. With over 180 illustrations, this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit. Written to take on the impossible task of inspiring creativity, unleashing your inner child, and instilling hope, it will, at the very least, make you smile and touch your heart.

Mozambique and Brazil Chris Alden, Sérgio Inacio Chichava, Ana Cristina Alves, 2017 This book critically investigates the expanding involvement of a leading emerging power, Brazil, in one of Africa's fastest growing economies, Mozambique. It focuses on the dynamics of Brazilian development assistance, its flagship engagement in Mozambique's agricultural and resource sector and the burgeoning social ties that bind them together. With elites in Brazil and Mozambique celebrating the strengths of South-South Cooperation, there is an emerging belief that the two countries are on the path to forging a new development partnership. However, despite these official discourses, there is growing evidence that the conduct of Brazilian firms and the policies promoted by Brazilian development assistance projects are generating negative fallout within local communities and among local environmental activists. Indeed, the complexities of Brazil's economic diplomacy and its private commercial interests, coupled with the involvement of everyone from Brazilian NGOs operating in the health sector to missionaries evangelising in rural towns in Mozambique, seem to affirm the unique characteristics of this growing relationship and the problems that it is facing in becoming truly sustainable.

*Transformative Experience* Laurie Ann Paul, 2014 How should we make choices when we know so little about our futures? L.A. Her account of transformative experience holds that part of the value of living authentically is to experience our lives and preferences in whatever ways they evolve.

**Ludovica + Roberto Palomba** Ludovica Palomba, Nasir Kassamali, Roberto Palomba, 2007 Ludovica and Roberto Palomba are architects and designers of furniture, lighting and kitchen fixtures for such brands as Design Within Reach, Crassey and Schiffrini, but they are best known for their luxurious bathtubs. The Palombas create generously sized tubs for companies such as Iris Ceramica, Kos, Zucchetti and Ceramica Flaminia. Their simple, clear forms--some are just giant stone bowls--and their unconventional sinks, whose soft, organic curves recall feminine forms or the sinuous banks of a lagoon, are in perfect accordance with the current trend toward luxury bathing. The duo have headed up their own company since 1994, designing lighting, mirrors and modular furniture to compliment their tubs and sinks and creating persuasive, modern settings that have already won a variety of design accolades, including the coveted Red Dot Award.

**A Necessary Convenience** Tori Lennox, 2023-05-24 They say the road to hell is paved with good intentions. They're wrong. It's paved with lies, surprises, and necessary conveniences... Aila Peterson is living the dream. Between her career as a nurse practitioner and raising her five-year-old daughter her life can't get any better. Or so it seems. Until the sudden death of Sofie's birth mother exposes that life is built on betrayal and deception. Not only did Abby lie about Sofie's biological father not wanting her, she never told him she was pregnant in the first place. Not unless you count the letter Jackson delivered to billionaire businessman Nolan Bishop after her death. While not his fault he's been MIA all of his daughter's life, Aila doesn't want Sofie's father intimately involved in their lives. He's a womanizing, globe-trotting business mogul. Not exactly prime daddy material. However, she isn't foolish enough to believe she can defeat him in a custody battle. Fortunately, Bishop is a reasonable man, so it likely won't come to that. Not yet anyway. Not until she answers that final question burning between them... Does she risk losing Sofie or sacrifice her soul to keep her?
