Shoreland Ingeborg Lauterstein, 2005-07-18 No one in Shoreland knows that Liz Plant had been one of the two hundred and fifty thousand young children stolen in occupied countries, part of the Himmler plan for nazification of a select breed of racially valuable blondes. In 1986 Liz is finally writing about her Hitler School and her escape as the mascot of a troop of elite children. But facts are not enough. In her heart she would always remain a child on the side of a dusty road waving to strangers. A stolen child. She is probing for the truth. In Hitler School she had to forget her first language and her name and became Liese. In Vienna, after the war, nuns in the children's shelter called her little Angel. She turned into Liz, when American Gramp acquired her for his lonely orphan grandson, Chris. She was told to forget German and speak only English. Chris sometimes called her Sis after his dead twin. They became inseparable as they grew up in Shoreland, but Gramp did not live to see them marry. He left Liz the old house by the sea; Chris inherited almost all the money; and Mike, their son, inherited the Plant good looks and a gift as a prankster. She had been lucky, very lucky. Why not leave well enough alone? Chris is enraged when she writes about him. Could writing to find out who she really is be asking for trouble? Mike is at risk. Chapters vanish. Arthur, a helper, intrudes on the landscape of her life as his great house intrudes on the panorama of Shoreland. Mike is assaulted on campus. The violence of the past seems to be catching up with the writer. So does the future when her book comes out. An amazing interview. An escape from Arthur's great news. Mike and his friends have a ticket for her to the Grateful Dead concert. Once more she is swept into a scene teeming with endangered kids in flight from the adult world.

I Dreamed I Was a Very Clean Tramp Richard Hell, 2013-03-12 The sharp, lyrical, and no-holds-barred autobiography of the iconoclastic writer and musician Richard Hell, charting the childhood, coming of age, and misadventures of an artist in an indelible era of rock and roll... From an early age, Richard Hell dreamed of running away. His father died when he was seven, and at seventeen he left his mother and sister behind and headed for New York City, place of limitless possibilities. He arrived penniless with the idea of becoming a poet; ten years later he was a pivotal voice of the age of punk, starting such seminal bands as Television, the Heartbreakers, and Richard Hell and the Voidoids—whose song Blank Generation remains the defining anthem of the era. Hell was significantly responsible for creating CBGB as punk ground zero; his Voidoids toured notoriously with the Clash, and Malcolm McLaren would credit Hell as inspiration for the Sex Pistols. There were kinetic nights in New York's club demi-monde, descent into drug addiction, and an ever-present yearning for redemption through poetry, music, and art. We lived in the suburbs in America in the fifties, Hell writes. My roots are shallow. I'm a little jealous of people with strong ethnic and cultural roots. Lucky Martin Scorsese or Art Spiegelman or Dave Chappelle. I came from Hopalong Cassidy and Bugs Bunny and first grade at ordinary Maxwell Elementary. How this legendary downtown artist went from a prosaic childhood in the idyllic Kentucky foothills to igniting a movement that would take over New York's and London's restless youth cultures—and spawn the careers of not only Hell himself, but a cohort of friends such as Tom Verlaine, Patti Smith, the Ramones, and Debbie Harry—is just part of the fascinating story Hell tells. With stunning powers of observation, he delves into the details of both the world that shaped him and the world he shaped. An acutely rendered, unforgettable coming-of-age story, *I Dreamed I Was a Very Clean Tramp* evokes with feeling, clarity, and piercing intelligence that classic journey: the life of one who comes from the hinterlands into the city in search of art and passion.

*The Jewel Garden* Monty Don, Sarah Don, Monty Don & Sarah Don, 2012-03-01 'TRULY INSPIRING' Mail on Sunday Now familiar to millions of Gardeners' World fans as Longmeadow (the home of Nigel & Nellie), this is the story of Monty & Sarah Don's early days there. THE JEWEL GARDEN is the story of the garden that bloomed from the muddy fields around the Dons' Tudor farmhouse, a perfect metaphor for the Monty and Sarah's own rise

from the ashes of a spectacular commercial failure in the late '80s . At the same time THE JEWEL GARDEN is the story of a creative partnership that has weathered the greatest storm, and a testament to the healing powers of the soil. Monty Don has always been candid about the garden's role in helping him to pull back from the abyss of depression; THE JEWEL GARDEN elaborates on this much further. Written in an optimistic, autobiographical vein, Monty and Sarah's story is truly an exploration of what it means to be a gardener.

**Going All City** Stefano Bloch,2019-11-14 “We could have been called a lot of things: brazen vandals, scared kids, threats to social order, self-obsessed egomaniacs, marginalized youth, outsider artists, trend setters, and thrill seekers. But, to me, we were just regular kids growing up hard in America and making the city our own. Being ‘writers’ gave us something to live for and ‘going all city’ gave us something to strive for; and for some of my friends it was something to die for.” In the age of commissioned wall murals and trendy street art, it’s easy to forget graffiti’s complicated and often violent past in the United States. Though graffiti has become one of the most influential art forms of the twenty-first century, cities across the United States waged a war against it from the late 1970s to the early 2000s, complete with brutal police task forces. Who were the vilified taggers they targeted? Teenagers, usually, from low-income neighborhoods with little to their names except a few spray cans and a desperate need to be seen—to mark their presence on city walls and buildings even as their cities turned a blind eye to them. Going All City is the mesmerizing and painful story of these young graffiti writers, told by one of their own. Prolific LA writer Stefano Bloch came of age in the late 1990s amid constant violence, poverty, and vulnerability. He recounts vicious interactions with police; debating whether to take friends with gunshot wounds to the hospital; coping with his mother’s heroin addiction; instability and homelessness; and his dread that his stepfather would get out of jail and tip his unstable life into full-blown chaos. But he also recalls moments of peace and exhilaration: marking a fresh tag; the thrill of running with his crew at night; exploring the secret landscape of LA; the dream and success of going all city. Bloch holds nothing back in this fierce, poignant memoir. Going All City is an unflinching portrait of a deeply maligned subculture and an unforgettable account of what writing on city walls means to the most vulnerable people living within them.

*Grateful American* Gary Sinise,2019-02-12 Discover the moving, entertaining, never-before-told story of how one man found his calling: to see that those who defend this country and its freedoms are never forgotten. As a kid in suburban Chicago, Gary Sinise was more interested in sports and rock 'n' roll than reading or schoolwork. But when he impulsively auditioned for a school production of West Side Story, he found his true purpose--or so it seemed. Within a few years, Gary and a handful of friends created what became one of the most exciting and important new theater companies in America. From its humble beginnings in a suburban Chicago church basement and eventual move into the city, the Steppenwolf Theatre Company launched a series of groundbreaking productions, igniting Gary's career along with those of John Malkovich, Joan Allen, Gary Cole, Laurie Metcalf, Jeff Perry, John Mahoney, and countless others. Television and film came calling soon after, and Gary starred in Of Mice and Men (which he also directed) and The Stand before taking the role that would change his life in unforeseeable ways: Lieutenant Dan in the Academy Award-winning Forrest Gump. The military community's embrace of the character of the disabled veteran was matched only by the depth of Gary's realization that America's defenders had not received all the honor, respect, and gratitude their sacrifices deserve. In the aftermath of the September 11 attacks, this became

Gary's new calling. Grateful American, now a New York Times bestseller, documents Gary's dedication to working tirelessly on behalf of those who serve this country, sharing stories about how he has: Entertained more than a half million troops around the world playing bass guitar with his Lt. Dan Band Raised funds on behalf of veterans Founded the Gary Sinise Foundation with a mission to serve and honor America's defenders, veterans, first responders, their families, and those in need Grateful American is the moving, entertaining, profoundly gripping story of how one man found his life's work: to see that those who defend this country and its freedoms are never forgotten. Praise for Grateful American: Gary Sinise writes as he lives, and as the artist and actor he has always been: with American authenticity, purpose, and a conviction that is inseparable from his nature. --Tom Hanks, actor and filmmaker No entertainer alive today has visited and performed more for our troops at veterans hospitals and military bases all over the world than Gary Sinise. For years his foundation has built 'smart homes' for our troops that were severely wounded in combat. The book is called Grateful American, and I promise that after you read it you will be grateful for what Gary has accomplished and contributed to our country. He's truly one of a kind. --Clint Eastwood, actor, director, producer, and musician
