It's also a regulated industry with many rules and regulations. This book will help you understand the trucking industry, the rules and regulations that govern it and what you need to know if you've been involved in a trucking accident anywhere in Ohio. At the Ohio law firm of Slater & Zurz LLP, we've been helping the victims of trucking accidents for over 40 years. We have the extensive experience and the team of professionals needed to effectively represent our clients and make sure they are treated fairly by trucking companies, their insurance companies and their lawyers when one of their trucks has been involved in a trucking accident and changed our clients' lives forever.
