Secretary's Fourth Report Harvard College (1780-). Class of 1907,1917

The Official Dictionary of Unofficial English Grant Barrett,2010-06-14 The words come from different countries where English is spoken, such as the United States, the United Kingdom, Hong Kong, South Africa, and others The author's website has received more than 1.2 million hits since its launch in 2004, and he is frequently interviewed about language in publications such as the New York Times

American Small Sailing Craft, Their Design, Development, and Construction Howard Irving Chapelle,1951 From the author of Yacht Designing and Planning and Boatbuilding: the definitive history and survey of the great classic American small sailing craft.

Aliens: Kidnapped Jim Woodring,1999-03-09 In the dark reaches of the universe lies a remote planet that holds both forbidden pleasures and unspeakable horrors. For three naive smugglers, it's also a place to unload a deadly cargo: an Alien egg. But something about this particular egg is scaring off the black marketeers. And when it hatches, the nightmare will have just begun.

The Greyhound Stud Book ,1882

The Universal Code of Signals for the Mercantile Marine of All Nations Frederick Marryat,G. B. Richardson,1854

Dirty Daddy Bob Saget,2014-04-08 Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit Full House, and as the charming wisecracking host of America's Funniest Home Videos. And then there are the legions of fans who can't get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO's Entourage and the hit documentary The Aristocrats. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there's a time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.

Ocean Steamers George Allibon,1867

Wish It. Want It. Do It. Brian H. Griffin,2013-03-30 Wish it. Want it. Do it. is the ultimate self help book. Do you wish something? Do you want something? Then Do something! Take the steps necessary to change your life. Only you can wish it. Only you can want it. You are the only one who can do it.

Human Security W.E. Blatz,1966-12-15 During his lifetime, W.E. Blatz was so much occupied with the development of the University of Toronto's Institute of Child Study that he was able to devote little time to writing. This is his first book to appear in twenty-one years, and his first complete exposition of his famous Theory of Security. The Theory of Security is radically different from the theories promulgated by Freudian psychologists. Whereas Freudian personality theory is based on the notion of "unconscious," an entity that is only indirectly observable, the Theory of Security derives from the observation of the conscious state in all its manifestations. Dr. Blatz thus makes use of both empirical observations and the results of introspection, and, as might be expected, some of his conclusions run counter to those reached in much current psychological discussion. But proof of the forcible influence of the theory and its author may be found in the impressive number of books and articles already published by Dr. Blatz's associates at the Institute of Child Study, applying the theory to the practical problems of psychological observation and therapy. It is fitting that the man whose work has generated so much fruitful research by others in this field should at last have set down in book form the fundamental principles that guided them.

Woman of Substances Jenny Valentish,2018-05-17 Journalist Jenny Valentish takes a gendered look at drugs and alcohol, using her own story to light the way. Mining the expertise of 35 leading researchers, clinicians and psychiatrists, she explores the early predictors of addictive behaviour, such as trauma, temperament and impulsivity. Drawing on neuroscience, she explains why other self-destructive behaviours – such as eating disorders, compulsive buying and high-risk sex – are interchangeable with problematic substance use. From her childhood in suburban Slough to her chaotic formative years in the London music scene, we follow her journey to Australia, where she experiences firsthand treatment facilities and AA groups, and reflects whether or not they are meeting the needs of women. Woman of Substances is an insightful, rigorous and brutally honest read. In Australia it was nominated for a prestigious Walkley Book Award. 'Employing expert interviews and research, each rich personal episode is contextualised within the under-examined issue of women's substance abuse. Detailed, insightful and told with a feature writer's narrative flair' Bookseller and Publisher. 'Engages readers with storytelling while presenting scientific findings and theories in a way that is accessible to a broad audience' Broadsheet. 'Part monograph, part memoir, part Ginsbergian howl of outrage at a culture in which gender bias is a tenet. It is a work of compellingly articulate anger' The Australian. 'In straightforward, lively prose she relates even her darkest moments without self-pity or aggrandisement, and often with a streak of gallows humour, leading to more laugh-out-loud lines than you might expect' The Saturday Paper. 'We need books like this, and writers like Valentish, to give voice to our frustrations and concerns, to help legitimise and mobilise' Kill Your Darlings. 'Valentish's passion lies in exploring the underlying causes and their effects and, in the most female of ways, offering companionship and reassurance for her readers' The Monthly. 'Doesn't mince her words' Sydney Morning Herald.

The National Watercraft Collection Howard Irving Chapelle,1960 The basic collection consisted of a large number of builder's half-models used in the construction of vessels, and was almost entirely of New England fishing schooners.

Antistudent Antistudent Pamphlet Collective,1972

Antifascisms David Ward,1996 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.
