Turkish Waters and Cyprus Pilot Rod and Lucinda Heikell,2018-12-31 Turkish Waters and Cyprus Pilot covers the entire coast of Turkey from the Black Sea down the Aegean coast and around to the Syrian border. The coasts, ports and marinas of the island of Cyprus are also described. There are few more beautiful cities in the world that it is possible to sail into the heart of, but that is what the authors were able to do in Istanbul while researching this, the tenth edition. Their research also took them south as far as Göçek and to Cyprus. Much has changed, with new marinas completed and more under construction, but much has also stayed the same, namely the warmth and hospitality of the people you encounter. This new edition includes all the latest information and marina developments, with new plans and photos, many of which were taken by the authors. Turkish Waters and Cyprus Pilot is considered the essential companion to sailing these waters.

*Mediterranean Almanac 2023/24* Rod and Lucinda Heikell,2023-01-27 The essential marine data resource for yachts sailing the Mediterranean, the Imray Mediterranean Almanac is published biennially with updates available in a downloadable supplement at the end of the first year. It includes: Data, waypoints and contacts for all major harbours and marinas throughout the Mediterranean Sea plus Atlantic Islands. Weather sources for radio, internet and apps Information on lights and buoys Maritime regulations, marine reserves and traffic schemes Coast radio stations and frequencies GMDSS safety and distress communications Harbour plans throughout, with the familiar Imray cartography which adds clarity to their use. There are the usual detailed revisions throughout this edition, plus many new harbour plans.

*East Aegean* Rod and Lucinda Heikell,2021-07-01 The expanded third edition of this popular cruising guide encompasses the Greek Dodecanese islands and the Turkish coast eastwards from the Samos Strait to Kas and Kekova. Fully illustrated with up to date plans and numerous new photographs, it is packed with all the essential information for getting to the area, formalities and sailing these beautiful cruising grounds. There is a level of further detail to this coverage in terms of anchorages and other destinations than is found in the Heikell's Greek Waters Pilot and Turkish Waters and Cyprus Pilot. This handy guide also whets the appetite for the local cuisine and culture and gives some historic context to exploration ashore. The fantastic background information with historical and mythological anecdotes gives ... a richness too often missing from bald pilot guides. Royal Cruising Club ... no East Med cruiser will want to sail without a copy. Yachting Monthly
