Sex Gate at the RAI TV's TG1 Paolo Tonelli,2016-08-01 One scandal happened in the Italian National Television. RAI RADIO TELEVISIONE ITALIANA. A female journalist of the Daily TV News used to court a subscriber only virtually during the TV News. For two years and a half, she always accepted the presents of her courter man. She also used to wear the presents that he gave her, during the TV News. Oddly, she never wanted to meet the man that was courting her during that period. She used to court him only virtually during the TV News showing him that she was wearing his presents. And she never told anybody about this virtual courting that she was doing. Her colleagues and the Board of the Italian National television never were informed about this scandal. So one day the man that was courting this journalist informed the Board of the Italian National Television about this scandal. After that, the Board of the Italian National Television took provisions against the journalist. She never read the TV News anymore on live television. But the Board of the Italian National Television is censuring this scandal to the public opinion. The man that used to court the journalist is the author of this book, Mr. Paolo Tonelli, from Venice, Italy. In this book the author talks about two scandals that happened in the Vatican. The author of this book, Mr. Paolo Tonelli was born in South Africa. He also has Italian origins. Paolo Tonelli lived in South Africa during the apartheid. In that period the Vatican was racist in South Africa against the black population. In the book there are some pictures where you can see the racist actions that the Vatican used to carry against the black population. It been more than 20 years since Mr. Tonelli have tried to inform the public opinion in Italy, that the Vatican was racist in South Africa but the Italian journalists have always censored Mr. Tonelli. Another scandal in this book talks about the question of the orphans of one parent that are forced to have a new parent and may

A Hair in the Gate Gunilla Denton-Cook,2013-10-09 The marriage was only supposed to last for a couple of months. After all, they were only going through with the wedding so that a friend could make a TV program about it. Rufus is gay, Hanna is not. He is a well-known English actor, she's an Australian widow. The realm of film and television is an alien world to Hanna. She finds it hard to understand the interest in whether their marriage is real or not, by the public and media. The day they arrive at Rufus' house in London, Hanna finds a body in the garden. An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir, 2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978, it was expected to be the most popular new program of the year. Instead, it was attacked as a Star Wars rip-off and canceled after a mere 17 stories. The author acknowledges the show was full of dramatic clichés and scientific inaccuracies, but despite these shortcomings, Battlestar Galactica was a dramatically resonant series full of unique and individual characters, such as Commander Adama (Lorne Greene) and ace warrior Captain Apollo (Richard Hatch). The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences. The brilliant work of artist John Dykstra brought a new world of special effects to network television. Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology, which added a layer of depth and maturity to the weekly drama.
