R. T. LINNINGTON

Twilight Time Rick Hautala,1994 In this chilling tale of psychological suspense, a young man plagued by a multiple personality disorder must return to his hometown and face the demons that have pursued him throughout his life. Twilight Time Simon Crump,2014-11-27 Bruce Glasscock is frustrated and tired. He lives platonically with his wife Linda as caretakers of an English Trust house, preserved since the 1930s - much like the Glasscocks' sex life. Bruce isn't trusted to do much and the pills he's on from his army days mean he is banned from doing things he'd like, so he passes his days cleaning toilets and being treated like a child by Linda. His main entertainment comes from encouraging his dog Bruno to piss on the head of the garden gnome and sneaking to the RegNancy pub for some falling-down water. When a keen new volunteer called Richard arrives, he's everything Linda adores and Bruce hates - cocky, helpful, charming, interested and knowledgeable. And the harder Bruce tries to get it right and come out as top dog, the worse it seems to be getting.

Twilight Time Susie Kaufman,2019-05-20 *Twilight Time: Aging in Amazement* is a reflection on memory, aging, and mortality in the form of a collection of short essays that travels back and forth in time. Kaufman invites the reader to accompany her on a journey of inquiry, from a childhood in Jewish New York in the fifties to an unknown future and back again, always returning to the present moment—its colors, its sounds. *Twilight Time* avoids any sentimentality or nostalgia about the past, as well as any false certainty about the future. Kaufman, a retired hospice chaplain, suggests that not knowing is the final frontier. She watches reverentially as her older sister ages and her mother's dying

unfolds. She entertains the possibility of other life narratives, but recognizes finally that she has been imprinted by her own past in all its singularity, all its wounds. In *Twilight Time*, Kaufman shares a glimpse of the crowded canvas of who she has been as she prepares to enter the unknown, letting go of it all. Susie Kaufman practices mindfulness in the Plum Village tradition of Thich Nhat Hahn.

Time, Twilight, and Eternity Thom Rock, 2017-05-25 The ancient rhythm of night becoming day becoming night again has always set the tempo of our everyday lives. The daily spin and tilt of the Earth rules our clocks and calendars as well as our human bodies. Yet our minutes and hours and days all too often slip away completely unnoticed. For generations and cultures around the globe and across the ages, though, the moments surrounding sunrise and sunset have been noticeable exceptions: believers and seekers have long gathered in the gloaming to pause and reflect on the notion that the sacred unfolds, if it unfolds anywhere, in ordinary time. In *Time, Twilight, and Eternity*, Thom Rock explores the rich tradition of that unfolding, not only through the physics and optics of any twilight hour or rising or setting sun, but also through the whispered prayers of so many faith traditions. An unforgettable journey through the mysteries and wonders of dusk and dawn--as well as the extraordinary gifts of common prayer, ordinary time, and everyday grace--this poetic and evocative work is ultimately about our own rising and setting . . . and rising again; the daily practice of resurrection and fully inhabiting our lives here and now.
