The Host Stephenie Meyer,2010-04-26 Melanie Stryder refuses to fade away. The earth has been invaded by a species that take over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading soul who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves -- Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love. Featuring what may be the first love triangle involving only two bodies, The Host is a riveting and unforgettable novel that will bring a vast new readership to one of the most compelling writers of our time.

The Chemist Stephenie Meyer,2016-11-08 In this gripping page-turner, an ex-agent on the run from her former employers must take one more case to clear her name and save her life. She used to work for the U.S. government, but very few people ever knew that. An expert in her field, she was one of the darkest secrets of an agency so clandestine it doesn't even have a name. And when they decided she was a liability, they came for her without warning. Now she rarely stays in the same place or uses the same name for long. They've killed the only other person she trusted, but something she knows still poses a threat. They want her dead, and soon. When her former handler offers her a way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. In this tautly plotted novel, Meyer creates a fierce and fascinating new heroine with a very specialized skill set. And she shows once again why she's one of the world's bestselling authors.

The Gospel According to Twilight Elaine A. Heath,2011-01-01 The Twilight saga has become one of the most successful fiction series ever written, with more than one hundred million copies in print and several blockbuster films. Despite the tremendous commercial success Twilight has generated, few readers have analyzed its theological teachings or the messages Stephenie Meyer might

be sending to women and teenage girls. This book offers both a feminist critique of Twilight and a theological review of the stories' ideas about salvation, heaven and hell, power, reconciliation, resurrection, and organized religion. Elaine Heath writes in an accessible voice, calling attention to both the good news of Twilight's theology and the bad news of its gender stereotypes and depictions of violence against women. The book includes questions for youth and adult groups or for classroom discussions.

Breaking Dawn Stephenie Meyer,2008-08-02 In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. Alaska Twilight Colleen Coble,2006-03-05 “Wonderful romantic suspense . . . took my breath away! Readers of Dee Henderson and Nora Roberts will love it!” —Hannah Alexander, award-winning author USA TODAY bestselling author Colleen Coble brings her signature blend of suspense and romance to the beautiful—and deadly—Alaskan wilderness. “You hide behind your camera instead of stepping out and engaging life with both hands. You're so afraid you'll fail at something, you won't even try.” For some people, Alaska is a breathtaking wilderness adventure, full of light and beauty. For Haley, it is a dangerous world of dark dreams and tortured memories. On the surface, she's here to document wildlife activist Kipp Nowak's bear encounters. But her real reason is to unearth the truth about a past murder. The suspense mounts when another body turns up, and Haley begins to wonder if the tragedies she experienced in the past are connected to the dangers and mysterious incidents of the present. From behind her camera, Haley observes it all, including Tank Lassiter, the wildlife biologist who has been forced to lead Kipp and his team into the Alaskan backcountry. As she watches him with his work, she feels a growing attraction. It will take great courage and faith to confront the truth she once ran away from. Before it's over, Haley may be viewing herself from an entirely new angle. Alaska Twilight is the story of a young woman's emergence from the shadows of past sorrow into the light of forgiveness and grace. “Colleen Coble will keep you glued to each page as she shows you the beauty of God’s most primitive land and the dangers it hides.” —romancejunkies.com “Colleen Coble’s Alaska setting is like an outback adventure without ever leaving the comfort (or warmth) of your own home. The reality will make you feel like there’s a grizzly bear breathing heavily over your peaceful night’s rest. Suspense, romance, and adventure, this one has it all.” —Kristin Billerbeck, author of The Theory of Happily Ever After “Coble . . . takes us on a dangerous trek through the beautiful Alaskan wilderness and introduces us to characters we can’t help but love. A suspenseful tale of murder and romance, Alaska Twilight grabs you by the heart and won’t let go until you finish the last page.” —Denise Hunter, bestselling author of The Convenient Groom and Honeysuckle Dreams
