#tweetsmart J. S. McDougall, 2012-02-14 OK. I've got my Twitter account...now what can I do with it? Sound familiar? #tweetsmart provides the answer with 25 creative projects to help your business, cause, or organization grow. But this isn't just another social media marketing book—it's the anti-marketing how-to community-engagement book. Twitter is not a marketing channel (and should never be used as such) but it is a community of interested, engaged, and influential people. Meeting and getting to know these people can help you build your own community. In this useful guide, you'll find projects to help you approach your Twitter audience in ways that are strategic, measurable, and fun. Put a new wrinkle on an old contest: be the 10th person to tweet Create a hashtag game around your company or products Instead of polling, ask your followers to help you make a product decision Make MadLibs out of your marketing copy or mission statement Hold a scavenger hunt, and relay clues via Twitter Organize a weekly Twitter chat on various subjects Solicit funny product shots, using Twitter's photo-sharing utility Spontaneously tweet from a store location: Meet me now and win!

Twitter In 30 Minutes (3rd Edition) Ian Lamont, 2016-01-04

Are you interested in using Twitter, but don't know where to start? Are you mystified by hashtags, retweets, and other strange conventions? The revised and expanded third edition of Twitter In 30 Minutes is here to help! This unofficial Twitter tutorial will walk you through the basics, using plain English, step-by-step instructions, and lots of examples from real Twitter users. In no time, you'll learn how to: * Create a new Twitter account online or on your phone * Customize your Twitter profile with photos and a bio that's right for you * Navigate Twitter icons, the Twitter app, and Twitter.com * Follow other Twitter accounts ... and block those you don't like * Identify local people and organizations using Twitter * Find people who share the same interests and hobbies * Compose your first Tweets * Share photos * Use hashtags, retweets, and other Twitter conventions There's more. Twitter In 30 Minutes shows you how all kinds of people use Twitter to promote their businesses, connect with their followers, explore their interests, and have fun! It's peppered with real-world examples, from everyday people to celebrities. Authored by award-winning technology journalist Ian Lamont, the revised third edition of Twitter In 30 Minutes covers Twitter's new interface for the Web and mobile devices such as the iPhone and Android phones. There are new screenshots, along with instructions for registration on iOS and Android devices. Twitter In 30 Minutes is a perfect introduction to people who are new to Twitter, as well as those who already have accounts and want to learn how to get the most out of Twitter. Buy the book today! Here's what real readers are saying about TWITTER IN 30 MINUTES: I quickly set up a Twitter account and started using it within a half hour. I would recommend this book for anyone who doesn't have a Twitter account, for those who do have one but aren't actively using it, and for those who aren't quite sure how to get the most out of

their account. Though I have been using Twitter for some time now, I still learned a thing or two from reading this. Clarified any issues I had or concerns and listed some excellent precautions. Perfect introduction to Twitter. Quick and easy read with lots of photos. I finally understand the #! I've been tweeting for over a year but learned a lot of helpful details I hadn't been aware of until now. Lots of easy to understand info, and good instructions with screenshots that make it easy to understand. Thanks for the help and making Twitter even more fun. Just the quick, light intro I wanted. No annoying bits of philosophy. Some careful warnings about privacy and courtesy are included. You really can skim it in 30 minutes. Easy to read and actually fun to fire up my twitter account and play along with each chapter. Everyone has 30 spare minutes spread out over a week (if not a day) to read this guide.

What Is the Impact of Twitter? Roman Espejo, 2013-06-18 The
experience is probably still too fresh for deep analysis, but will
History tell the story that Donald Trump's success in his road to
the White House was stimulated by his frequent use of Twitter? Is
Twitter transforming not just our social landscape, but political
landscape too? How has the use of a communication tool, limited
to 140 characters or less, become a globally recognized dispenser
of news, facts, alternative facts, and a moral compass for our
society? This book compiles compelling essays and works from
eyewitness accounts, governmental views, scientific analysis, and
newspapers to give your readers the big picture about Twitter and
its importance. Readers will be given both sides, for and against,
on topics such as whether Twitter should be used for news
reporting, whether the psychology behind it is healthy, and
whether it will become profitable. Facts that are salient to both
sides of the story are copied from the text and highlighted so
readers can use them for report writing, research, or forming

opinions based on relevant information.
