Phillip Apost and His 120 Messages of Light | Nestor G. Sanchez Chavez, 2009-11-11 THIS BOOK HAD BEEN WRITING TO RAISE YOUR CONSCIENCE.

Messages From the Light Christopher Coppes, 2010-09-20 Messages from The Light makes clear that we are heading for a more wonderful future, but first we must realize that we have grossly neglected the spiritual part of ourselves and have focused too much on our own short-term self-interests. We have created a materialistic I don't care about you society. When our physical body dies, our spirit will discover that it does not only belong to our material, four-dimensional world, but also to something that is so much greater, more wonderful, and more thrilling. In this unity universe, there are no lesser souls—we are all interconnected and connected to the Light, the ultimate unconditional love.

Text Messages from God Earl Mott, 2013-06-18 This is God's personal word to you for such a time as this. Consider what God says about Himself, what others say about Him and to Him, and what He says about you and to you. Text Messages from God makes the Scriptures come alive with meaning as God speaks in first person directly and personally to the reader. Draw near to God; listen to Him speak to you in His still, small voice. Read and feed upon God. Respond in praise, thanksgiving, and worship. Get to know God better and more intimately. Memorize His promises. Learn His principles. Put your name in the blank and let God change your life through His living Word. I am not far from you, _____. I am your strength; I will hasten to help you! --Psalm 22:19 _____, I, the LORD your God, will hold your right hand, saying to you, 'Fear not, I will help you.' --Isaiah 41:13 I have loved you with an everlasting love, _____; therefore with loving-kindness I have drawn you. --Jeremiah 31:3 Most assuredly, I say to you, _____, you and all who believe in Me have everlasting life. --John 6:47 I am able to do exceedingly abundantly above all that you ask or think, _____, according to the power that works in you. --Ephesians 3:20 Be confident of this very thing, _____, that since I have begun a good work in you, I will complete it until the day of Jesus Christ. --Philippians 1:6 _____, I am faithful, and I will establish you and guard you from the evil one. --II Thessalonians 3:3

Faster than Light Robert J. Nemiroff, 2023-09-09 Albert Einstein knew already in the early 1900s, when he first published his famous paper about the constancy of the speed of light, that not only did this constancy imply that mass contains energy ($E = mc^2$), but that faster-than-light motion could lead to paradoxes -- some that seemed to involve backwards time travel. What are these paradoxes? Why is light and its speed relevant? This book will lead you through an obstacle course of conundrums and oddities, building up your understanding of how light's speed creates simple but mind-expanding paradoxes -- one conceptual riddle at a time. This is not your average popular science book. This is also not a textbook. This book takes one theme -- the universally constant speed of light -- and shows how it may appear compromised on scales from the quantum mechanics of the very small to the cosmology of the very large, and the resulting surprising implications can result. Book Review 1: Imagine embarking on a journey to comprehend the physics of the entire universe with a guide who's not only an expert but makes the concepts digestible and entertaining. Robert J. Nemiroff offers such a journey in *Faster Than Light*, a book that initially describes the speed of light, then touches on subjects as esoteric as time travel using the theory of relativity and speculation on how to send information back in time, among other subjects. -- blue ink Book Review 2: ... takes readers on a wild ride through the ins and outs of the speed of light in this mind-bending guide. His primary approach is through a series of humorous thought experiments ... explanations are clear and concise, and most of them require only logic to sort out, making the book more accessible than similar titles. -- Booklife Book Review 3: A fresh and joyous ride through the mind-bending puzzles at the heart of nature's most fundamental speed that remind us that the universe is strange beyond belief -- Caleb Scharf (Author: *The Ascent of Information*) Book Review 4: Better than a new particle collider! -- Sabine Hossenfelder (Author: *Existential Physics*)

Gradually Dave's skepticism gives way to curiosity, and he plays along with captivating challenges from the message sender. As he cautiously begins to take the messages to heart, Dave is forced to deal with painful memories that he had blocked out for many years. You Call That Service? Vol. 1 (light novel) Kisetu Morita, 2019-12-03 A vampiric romantic comedy...? However, when he wanders into the mountains to find some peace and quiet, instead he finds a town taken over by vampires! To make matters worse, one of its residents, a haughty (and rather eccentric) girl, soon sets her sights on him with the goal of making him her servant. An absurd new adventure from the author of *I've Been Killing Slimes for 300 Years and Maxed Out My Level!*

Text Messages John Tucker, 2017-12-06 Facebook. Twitter. Snapchat. We live in a rapidly changing world, a world that seems to be increasingly inhospitable toward preaching. In the face of digital technology, social media, cultural pluralism, and pastoral burnout, how can Christian preachers proclaim the gospel faithfully and effectively? This book answers that question by bringing together a selection of important voices from across North America, Asia, and the Pacific. It argues that Spirit-empowered preaching is characterized by five attributes: it opens the Scriptures, engages the culture, addresses the listener, dissects the preacher, and elevates the Savior. With contributions from authors like William Willimon, Darrell Johnson, Lynne Baab, Robert Smith Jr., and Paul Windsor, this is an excellent resource for ordained ministers, lay preachers, theological students, and anyone wrestling with the challenge of preaching God's word in a smartphone world.

Text Messages Yassin "Narcy" Alsalman, 2020-10-11T00:00:00Z Text Messages is the first multi-genre collection by Montreal-based Iraqi hip-hop artist, activist, and professor Yassin "Narcy" Alsalman. Composed entirely on a smartphone during air travel and married to artwork from comrades, Narcy's writing speaks of the existential crises experienced by diasporic children of war before and during imperialism in the age of the Internet. Narcy's verses span the space between hip-hop and manifesto, portraying a crumbling, end-stage capitalist society, visions for a new reality, and the myth of multiculturalism in post-9/11 North America. The wordsmith hollows and transmogrifies the grotesque excess of the West by juxtaposing McLife with images of death, destruction, and trauma in the East. From the depths of apathetic consumerism arises a voice of spiritual self-

realization that explodes the misrepresented, mythical monolith of Islam in the West and with the rubble builds healing through intelligent resistance and radical love. “Young boys and girls trapped in Walmarts— our consumer interim camps. A family-friendly, discounted freedom. You don’t see what the Internet can’t. Not our land or home. Not your mans or holmes. Not your towers or domes. Not your power or drones.”

Drifting into the Light J.B. Harris,2020-09-23 Drifting into the Light is also available in 6x9 trim size. In the midst of the coronavirus pandemic, where the words lockdown and self-isolation became common terms and a new way of life, a family spread across several continents was forced to bid farewell to a beloved husband, father, brother, uncle, and son. The sudden news broke hearts and took away not only funeral privileges, but also the opportunity to bid a final farewell to a man who traveled far and wide to reach his ultimate potential. In a poignant tribute, J. B. Harris chronicles the life of her mischievous, lively Uncle Adam through her eyes. While detailing his fascinating life journey that included world travels and an entrepreneurial stint, J. B. also shares insight into their experiences together as a family as they vacationed in the Maldives, celebrated his wedding, the birth of his children, and the arrival of her own bundle of joy. Yet despite all the challenges and obstacles Uncle Adam had already overcome, there was one he could not- the journey to his demise. As he was struck down with an illness during a worldwide pandemic, J. B. details his determination to fulfill a final journey that led him to a fate he never imagined. In this moving biography, a niece shares the story of her uncle, a kind-hearted man who traveled the world, endured hardship, practiced patience, and finally found peace by drifting into the light.
