Thomas Griffiths

Dead Light Robert Gallinger,2001 During a violent September thunderstorm, a man's body falls from the Sabakina Tower, and crashes into the garden outside the Kremlin walls. Colonel Vladimir Antonovich from the SID, Special Investigations Department, rushes to the scene with his partners, Kulick and Frunze. At the wall, they discover that the man has no identification, but he does have a note in his hand, badly smudged from the rain. Since there's a hole in the man's head, and no gun is found, interesting questions arise. Did the man shoot himself and someone picked up the gun and ran off with it, or did someone else shoot him, and then push him over. As Colonel Antonovich investigates, he finds that there have been other suicides recently, most handled by the Militia. Strangely, the families of all of them are missing. Soon, he discovers that the family of the man found outside the Kremlin wall is missing, too. Antonovich also finds a trail of illegal exit visas, evidence of laundered money, multiple cases of unlawful death, and the questionalbe disposition of nuclear waste. Now, he must find out who is reponsible before anymore suicides are found, or somebody makes a bomb from waste.

Dead Light March Daniel José Older,2017-06-06 In this novella sequel to the New York Times–bestselling Shadowshaper, a magical crew of artists and musicians confront danger at a carnival celebration. Set between the New York Times bestseller Shadowshaper and its upcoming sequel Shadowhouse Fall, and following the first novella, Ghost Girl in the Corner, this story of music, passion, and mystery will draw you deeper into the magical Brooklyn of Daniel José Older’s Shadowshaper Cypher. Mina Satorius, classmate of Sierra and her crew, is being drawn deeper into the light of the Sorrows’ world. Sierra’s brother Juan isn’t quite sure what to do with his band’s latest song—it has an actual melody!—but maybe it’ll impress his brand-new, out of the blue, super-secret crush. And Sierra herself is grappling with the new powers that have made her head of the shadowshapers . . . and what that means for her life and those around her. The stories of all three collide at the West Indian Day parade as new threats and old foes thread their way towards the shadowshapers, in this electric novella set on the eve of Shadowhouse Fall. Reviews for the New York Times–bestsellingShadowshaper: “Magnificent.” —New York Times Book Review “A must.” —Kirkus Reviews “Exceptional.” —Publishers Weekly “Smart writing with a powerful message that never overwhelms the terrific storytelling.” —Booklist “Joyful and assertive and proud, and makes me want to read everything else of Older’s, for more of these voices, connections and lives.” —National Public Radio

Charlie Red Star Grant Cameron,2017-08-12 Charlie Red Star, the UFO that appeared again and again in the skies near the U.S.-Manitoba border in 1975, launched the biggest UFO craze in Canadian history. Grant Cameron, who was there giving tours and saw Charlie Red Star multiple times, reveals the eyewitness accounts of journalists, photographers, and others who chronicled the events.

You Write Really Well...for a Bowler! michael p. halwe,2008-04-16 Sometime humorous, sometimes reflective, but always thought-provoking, the collection of poems in *You Write Really Well...for a Bowler!* reflect that the stereotype of dumb jocks is merely that....a stereotype. Part autobiographical, part imagination, Michael P. Halwe experiences the highs and low of daily life and those moments that make us who we are. Halwe was called a renaissance man by those who knew him. He performed on stage in plays and as a solo vocalist in classical music, played in rock cover bands in the '70s, became a professional bowler at age 25 and spent seven years bowling in the PBA, received his B.A. in Psychology at age 38, and worked in the bowling industry for 30 years. He started writing poetry his first time in college because he had trouble passing English Composition; I can't write a paragraph, and I think in sentence fragments. He lived in St. Charles, Missouri, until his death in 2008. This volume contains the poetry that was known to exist before his death.
