The Glory of God's Light: Connect with God Through His Light, Love, and Word Brother Raymond, 2020-05-19 Darkness represents anything that is inconsistent with God's nature, character, and manifestation. It appears humanity has lost its connection with God, but finding a relationship with God can bring us into the light of His love. In *The Glory of God's Light*, Brother Raymond shows how to have a relationship with God through His Light, His Love, and His Word. Brother Raymond digs deeper into Scripture and takes examples from his own life to show how God's light is present in every circumstance and points those in darkness into the glory of God's light. Could you relish a great relationship with God, our Heavenly Father? Yes, you can!

Connected by The Light John Elgaaen, 2013-04-12 JOHN ELGAAEN'S CAPTIVATING LIGHT CONNECTION— psychic experiences that need to be told John Elgaaen (pronounced Elgone) has a wonderful and extraordinary message to share with you. A psychic since birth, he has experienced perceptions that go far beyond our normal five senses. His lifelong experiences have shown him that we are not only physical people inhabiting Earth, but we are also spiritual, multidimensional beings, capable of raising our consciousness and connecting to energies of very high realms. These high realms of light that exist beyond Earth are filled with great purity and goodness, having energies that vibrate of unconditional caring and perfect harmony. You will read about angels and loved ones on The Other Side that act as guardians over us, the brilliantly magnificent energies of light that shine there, a little ghost girl that needed help in crossing over, and many other fascinating and amazing life experiences. He will also explain many aspects of psychic perception, why it occurs, and how you can also increase your own sixth sense awareness and light connection. It is our birthright to have this uplifting spiritual bond in our lives. We owe it to ourselves to be the best that we can be. Further expand your consciousness and enlighten your spirit, then enjoy the fulfilling splendor of being connected by The Light.

The Voice of Love Georgie G Deyn, 2022-05-13 One day in 2010, the Channel of this book, Georgie G Deyn, was blessed with an Angelic visitation that dramatically changed her life. On this auspicious day, an Angel named Love spoke through Georgie. Love announced, "You will sing with the Angels to heal your soul and then you will share our healing love and guidance through your voice." Georgie had been suffering from depression and had lost her voice but after Love's visit, she felt truly blessed and her healing journey began to unfold. Over a period of ten

years, Georgie has been channelling Love with her friend and Scribe of the book, Sarah. These Divine messages gave her inspiration to follow her soul's path. The pair soon realised that the channelled messages were meant to be compiled and shared as a book for others. The Voice of Love is a record of Georgie's journey to find her voice and reclaim her soul's purpose. It is a gift that will help the reader to find theirs.

Connecting with the Arcturians David K. Miller, 1998-01-01 Only on a rare occasion does a book come along that contains the potential to change the consciousness of our entire planetary culture. Many have talked about the ascension process, but very few really understand what it means. Who is really out there? Where are we going? What are our choices? What has to be done to prepare for this event? Is everyone ascending to the same place? What happened to the fourth dimension? How can we understand the fifth dimension? What does it feel like? How does it operate? What are fifth-dimensional beings like? How do they live? This book explains all of these questions in a way that we can easily understand. It explains what our relationships are to known extraterrestrial groups and what they are doing to help Earth and her people in this crucial galactic moment in time. It explains how we can raise our vibration now, and begin the process of integrating higher-dimensional energies into our third-dimensional world.

The Horseless Age ,1907

Let There Be Light Doug Irmien, 2021-05-21 The potentially catastrophic problems we face in the world today are the result of a massive spiritual failure. Too many of us appear to have forgotten the real purpose we were born for in the first place, which at its most basic level is to love and nurture ourselves and the earth. But we're not really loving and nurturing when we cause the environment to decline and the climate to become inhospitable, when we keep wasting money and resources by amassing petrifying weapons to fight horrific wars, when we fail to take care of the weak, and when we demonize each other with so much vitriol that nothing effective seems to get done. We are out of control as a species. Let There Be Light: Saving Ourselves and Our Planet Through a Global Social Compact proposes that we "tame the savageness of man" by using the internet to adopt a universal Social Compact—a grass-roots spiritual and political movement that would operate as a Light Network to connect like-

minded people around the world in an urgent crusade to reverse the course their governments and societies have put them on. Our Social Compact will funnel the core goodness we all have within us into a metaphorical ball of Light that beams out the conscience of mankind. A conscience that says NO MORE to our current failure to get along and cooperate. A conscience that will overwhelm our governments and societies with the message that NOW IS THE TIME for us to truly achieve the universal desire of mankind, which is first of all to survive, and then to come together to love and respect all life on earth. The Light Network website www.lightnetwork.me is now under construction. Although the Light Network will not be a formal legal entity, its work will nonetheless be continuously felt throughout the world. It will be a relentless force that tracks the issues that threaten our world and then shines its spiritual message onto the efforts that will be essential if we are to take back control of our destiny.

The Power and Light That Is You Linda Lee, 2016-06-21 What if you had the Secret to creating all you desire? We are in such a dynamic time in history! So many of us have tried different techniques to create abundance, prosperity, happiness, fulfilling relationships and perfect health only to fall short, asking our self why? They make it sound so easy yet there is something missing. Until you discover your connection to the Divine, the Universe without and the Universe within, and how this energy is so easily tapped into and your connection to it, it will elude you. The biggest challenge that I have come across with clients and people in general is that they do not trust their self, their deep inner guidance of that still small voice let alone listen to it and follow it. Unless you learn to trust your inner guidance there is no way you can ultimately have a sincere open relationship with your Higher Source whether you call it Divine Energy, Spirit, Love or God; which is where your love and wisdom connect. Learning to connect to the Infinite and the limitless possibilities of what that means allows you to shine your light brighter and brighter. Life is truly a gift to experience all there is and to live it as the adventure it is. If you are not growing and opening to new possibility then you are dying, there is nothing in between. We do not have time any longer to remain a victim becoming empowered in the process, it is now time to

stand fully in your light and shine bright! Discover your connection to the universe and how to create all you desire Become the gatekeeper of your mind Simply learn how to connect with the universal law of attraction Express a higher vibration and higher levels of knowing to live your life purpose Remember who you are and the unique qualities you are here to express

Light ,1918

The Gate of Light Lars Muhl,2018-06-19 The Gate of Light describes an ancient healing method used by the Essenes, or The Sons of Light, 2500 years ago, it brings this long forgotten practice to the modern age, complete with practical tools, meditations and visualisations. A companion book to The Law of Light but can be read on its own. Until the discovery of the Dead Sea Scrolls in 1946, there was little known about The Essenes; a brotherhood of holy men and women living together within a community over two thousand years ago. The Essenes considered themselves to be a separate people--not because of external signs like skin colour, hair colour, but because of the illumination of their inner life and their knowledge of the hidden mysteries of nature unknown to other men. The Gate of Light is based on Lars Muhl's lifelong search for God, it doesn't claim any absolute truths but sets out to provide a practice based on Essene teachings that allows us to look at how we judge ourselves and how we live in the world. He asks: What motivates us? How do we create a balance between thoughts, words and actions? How do we align ourselves in relation to our higher self and become the universal light beings we are meant to be? The Essenes understood that everything is interactively connected and that everything is energy. For them, God was the name for the highest form of awareness, something omnipresent and, if a human wished to learn how then they could communicate with this ever present energy and through this communication humans could realize their full potential. Drawing on this ancient knowledge Lars presents a complete practice to help us recognize and answer the above questions. He particularly looks at: Grief and Happiness, Balance and Awareness, Selflessness, Boredom and Renunciation, Loneliness, Gratitude, Silence and Thoughtfulness.

Raising the Spiritual Light Quotient David K. Miller,2011-04-25 The concept of raising the spiritual light quotient is similar to the intelligence quotient used in modern psychology, the IQ test. However the spiritual light quotient is not the same as intelligence. Rather, the SLQ reflects one's ability to understand spiritual concepts, to meditate and to connect with other dimensions. It also is a measurement of one's ability to understand the relationship between Earth and the environment of the Earth, and Earth's relationship to the galaxy. Finally, it is a measurement of one's ability to understand the existence of other dimensions as well as the relationship between the ascended masters and guides and our journey to higher realms for soul evolution. Thus it appears necessary to look at the SLQ of a person, the SLQ of an area and the SLQ of a planet. All of the channeling I bring forth is based on the concept of the Sacred Triangle, which is a new paradigm for spirituality. This paradigm states that in order to heal Earth and bring everything into balance, one must unite the concepts of galactic spirituality with ancient mystical thought and with the energies of native peoples, including Native Americans.
