The U.S. Constitution for Everyone Jerome B. Agel,Mort Gerberg,1991-03-21 History comes alive in this illustrated guide to the Constitution and all 27 Amendments. The Constitution has been in the news a lot recently. But most of us could probably use a refresher on this founding document of America--you can probably name the first and second amendments, but what about the 11th, or the 22nd? And what does all of that formal political language actually mean for us today? The U.S. Constitution for Everyone answers these questions and more, like: – How does impeachment work, anyway? – How long is a Senator's term? – What is covered by freedom of speech? – What are emoluments? – How exactly does a bill become a law? This book makes understanding your rights easy with clear explanations of the complete text of the U.S. Constitution, as well as all 27 Amendments, alongside fascinating historical facts and explanations. A must-read for students, curious citizens, and everyone who'd like to know more about the supreme laws of our nation.

Know Your Rights U.S. Attorney's Office,2014-05-27 For more than 200 years, the Constitution of the United States has been a “working” document, maintaining the original principles upon which our nation was founded while, at the same time, changing with the country, as reflected in its amendments. While the U.S. Constitution itself outlines the basic structure of the federal government, its twenty-seven amendments address many subjects but primarily focus on the rights of individual American citizens. This booklet outlines those rights, offering historical context and other information that is both interesting and informative.The continued vitality of our democracy is dependent upon an informed citizenry. Understanding the history of the Constitution and its amendments will assist all of us in more fully appreciating these rights and responsibilities as they have evolved over time. Moreover, such understanding will ensure that these rights will continue to be exercised, valued, and cherished by future generations.

What You Should Know About the United States Constitution and the Bill of Rights John Coleman,2016-05-13 A book like no other book ever written about the U.S. Constitution and the Bill of Rights. Some of the most priceless constitutional gems are found in these pages. Dr. Coleman has done 26 year of research to find them, putting together a highly-readable book which provides insight into the articles and amendments to the Constitution. It shows their true intent and purpose in sharp relief, and what it is that make this document so great and so lasting. What You Should Know About the United States Constitution is a telling blow to those enemies of this nation who are seeking to destroy our Republic. Knowledge is power which the book provides in full measure, enabling every citizen to understand and defend the United States against enemies, external and internal.

Constitutionalism and the Rule of Law Maurice Adams,Anne Meuwese,Ernst Hirsch Ballin,2017-02-02 Rule of law and constitutionalist ideals are understood by many, if not most, as necessary to create a just political order. Defying the traditional division between normative and positive theoretical approaches, this book explores how political reality on the one hand, and constitutional ideals on the other, mutually inform and influence each other. Seventeen chapters from leading international scholars cover a diverse range of topics and case studies to test the hypothesis that the best normative theories, including those regarding the role of constitutions, constitutionalism and the rule of law, conceive of the ideal and the real as mutually regulating.

A More Perfect Constitution Larry J. Sabato,2010-07-23 The reader can't help but hold out hope that maybe someday, some of these sweeping changes could actually bring the nation's government out of its intellectual quagmire...his lively, conversational tone and compelling examples make the reader a more than willing student for this updated civics lesson. --The Hill The political book of the year, from the acclaimed founder and director of the Center for politics at the University of Virginia. A More Perfect Constitution presents creative and dynamic proposals from one of the most visionary and fertile political minds of our time to reinvigorate our Constitution and American governance at a time when such change is urgently needed, given the growing dysfunction and unfairness of our political system . Combining idealism and pragmatism, and with full respect for the original document, Larry Sabato's thought-provoking ideas range from the length of the president's term in office and the number and terms of Supreme Court justices to the vagaries of the antiquated Electoral College, and a compelling call for universal national service--all laced through with the history behind each proposal and the potential impact on the lives of ordinary people. Aware that such changes won't happen easily, but that the original Framers fully expected the Constitution to be regularly revised, Sabato urges us to engage in the debate and discussion his ideas will surely engender. During an election year, no book is more relevant or significant than this.

The U.S. Constitution for Everyone Jerome B. Agel,Mort Gerberg,1991-03-21 History comes alive in this illustrated guide to the Constitution and all 27 Amendments. The Constitution has been in the news a lot recently. But most of us could probably use a refresher on this founding document of America--you can probably name the first and second amendments, but what about the 11th, or the 22nd? And what does all of that formal political language actually mean for us today? The U.S. Constitution for Everyone answers these questions and more, like: – How does impeachment work, anyway? – How long is a Senator's term? – What is covered by freedom of speech? – What are emoluments? – How exactly does a bill become a law? This book makes understanding your rights easy with clear explanations of the complete text of the U.S. Constitution, as well as all 27 Amendments, alongside fascinating historical facts and explanations. A must-read for students, curious citizens, and everyone who'd like to know more about the supreme laws of our nation.

The Federalist Papers Alexander Hamilton,John Jay,James Madison,2018-08-20 Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

The U.S. Constitution and Other Writings Editors of Thunder Bay Press, 2017-10-01 “We the People of the United States, in order to form a more perfect union . . . ” – The U.S. Constitution The U.S. Constitution and Other Writings is part of the Leather-bound Classics series and is a collection of the crucial documents, speeches, and other writings that shaped the United States. In addition to the Constitution, readers can review the Declaration of Independence, the Articles of Confederation, the Federalist Papers, important presidential speeches, and many others. Both famous and lesser-known, but equally important, Americans are represented, including Benjamin Franklin, Victoria Woodhull, Frederick Douglass, Susan B. Anthony, and even the creators of the rules of baseball. The founders' inspirational and revolutionary ideals are all here, and this is a perfect volume for anyone who finds the history of America to be a fascinating and enlightening journey.

A More Perfect Union Ben Carson, MD, Candy Carson, 2015-10-06 Dear Reader, Many people have wondered why I’ve been speaking out on controversial issues for the last few years. They say I’ve never held political office. I’m not a constitutional scholar. I’m not even a lawyer. All I can say to that is “Guilty as charged.” It’s true that I’ve never voted for a budget America could not afford. I’ve never raised anyone’s taxes. And I’ve never promised a lobbyist anything in exchange for a donation. Luckily, none of that really matters. Our founding fathers didn’t want a permanent governing class of professional politicians. They wanted a republic, in Lincoln’s words, of the people, by the people, and for the people. A country where any farmer, small-business owner, manual laborer, or doctor could speak up and make a difference. I believe that making a difference starts with understanding our amazing founding document, the U.S. Constitution. And as someone who has performed brain surgery thousands of times, I can assure you that the Constitution isn’t brain surgery. The founders wrote it for ordinary men and women, in clear, precise, simple language. They intentionally made it short enough to read in a single sitting and to carry in your pocket. I wrote this book to encourage every citizen to read and think about the Constitution, and to help defend it from those who misinterpret and undermine it. In our age of political correctness it’s especially important to defend the Bill of Rights, which guarantees our freedom to speak, bear arms, practice our religion, and much more. The Constitution isn’t history—it’s about your life in America today. And defending it is about what kind of country our children and grandchildren will inherit. I hope you’ll enjoy learning about the fascinating ways that the founders established the greatest democracy in history—and the ways that recent presidents, congresses, and courts have threatened that democracy. As the Preamble says, the purpose of the Constitution is to create a more perfect union. My goal is to empower you to help protect that union and secure the blessings of liberty. Sincerely, Ben Carson

History of the Civil Rights Legislation: The Pivotal Constitutional Amendments, Laws, Supreme Court Decisions & Key Foreign Policy Acts U.S. Government, U.S. Supreme Court, U.S. Congress, 2018-03-21 This meticulously edited collection of pivotal documents for Civil Rights Law has been designed and formatted to the highest digital standards and adjusted for readability on all devices. United States (1964) Voting Rights Act (1965) Loving v. Virginia (1967) Civil Rights Act of 1968 Rehabilitation Act of 1973 Pregnancy Discrimination Act of 1978

The U.S. Constitution and Fascinating Facts about it Robert F. Tedeschi, 1996 This fast, fun guide to the most influential legal document ever created includes the Declaration of Independence, Constitution, Bill of Rights, and the Amendments to the Constitution. The book provides insights on the men who wrote the Constitution, how it was created, and how the Supreme Court has interpreted it in the two centuries since it was written.

U.S. Constitution For Dummies Michael Arnheim, 2018-05-15 Your complete guide to understanding the U.S. Constitution. Want to make sense of the U.S. Constitution? This new edition walks you through this revered document, explaining how the articles and amendments came to be and how they have guided legislators, judges, and presidents—and sparked ongoing debates along the way. You’ll get the lowdown on all the big issues—from separation of church and state to impeachment to civil rights—that continue to affect Americans' daily lives. Plus, you’ll find out about U.S. Constitution concepts and their origins, the different approaches to interpretation, and how the document has changed over the past 200+ years. Inside, you’ll find fresh examples of Supreme Court Rulings such as same sex marriage and Healthcare Acts such as Obamacare. Explore hot topics like what it takes to be elected Commander in Chief, the functions of the House and Senate, how Supreme Court justices are appointed, and so much more. Trace the evolution of the Constitution Recognize the power of the U.S. Supreme Court Get details on recent Supreme Court decisions Find new examples of the Bill of Rights Constitutional issues are dominating the news—and now you can join the discussion with the help of U.S. Constitution For Dummies.

The People’s Constitution John F. Kowal, 2021-09-21 The 233-year story of how the American people have taken an imperfect constitution—the product of compromises and an artifact of its time—and made it more democratic Who wrote the Constitution? That’s obvious, we think: fifty-five men in Philadelphia in 1787. But much of the Constitution was actually written later, in a series of twenty-seven amendments enacted over the course of two centuries. The real history of the Constitution is the astonishing story of how subsequent generations have reshaped our founding document amid some of the most colorful, contested, and controversial battles in American political life. It’s a story of how We the People have improved our government’s structure and expanded the scope of our democracy during eras of transformational social change. The People’s Constitution is an elegant, sobering, and masterly account of the evolution of American democracy. From the addition of the Bill of Rights, a promise made to save the Constitution from near certain defeat, to the post-Civil War battle over the Fourteenth Amendment, from the rise and fall of the “noble experiment” of Prohibition to the defeat and resurgence of an Equal Rights Amendment a century in the making, The People’s Constitution is the first book of its kind: a vital guide to America’s national charter, and an alternative history of the continuing struggle to realize the Framers’ promise of a more perfect union.

The Everything U.S. Constitution Book Ellen M Kozak, 2011-05-18 Debates over constitutional rights impact you every day as an American citizen. But do you know what the U.S. Constitution actually says? This accessible guide contains the complete text of the Constitution, with short, descriptive margin notes throughout. Articles and amendments are then analyzed in depth to help you comprehend the basis of democracy. This valuable handbook covers: How the articles and amendments were drafted Insight into the intentions of the creators and the sources they used Controversial interpretations and Supreme Court decisions How the Constitution affects citizens every day The Declaration of Independence, the Articles of Confederation, and unratified Constitutional amendments This book walks you through the history of this essential document and shows how it has guided lawmakers and judges for more than 200 years. This unbiased look at the Constitution will help you feel confident in

your knowledge of this all-important document, gain a firmer understanding of how our government works, and put context around today's most pressing issues.

The U.S. Constitution Bray Jacobson,2017-07-15 The highest law in the United States isn't written in modern English. Yet students are expected to know and understand much of what it says, as well as facts about how and why it was written. Readers are presented with the most important points of the history of the Constitution and its contents in this book. The main content gives simple explanations of important social studies curriculum topics, from the compromises needed to write the Constitution to the Bill of Rights. Fact boxes, a concluding timeline, and historical images offer readers even more detail needed for a full overview of the document.

Essentials Of The American Constitution Charles H. Sheldon,2018-10-08 Constitutional politics is the continuing search for equilibrium between the grants of power and the limits placed on that power. The Essentials of the American Constitution examines the five closely integrated components which make up the fundamental law: the Compact, separation of powers, federalism, representation, and the Bill of Rights. It is the interaction between these components that gives the Constitution its dynamism. Landmark decisions handed down by the U.S. Supreme Court involve two or more of these components. This book's unique approach shows how the components more often than not work together, one assisting another, one explaining another, or one reinforcing another. It gives a firm foundation for students wishing to take advanced courses in constitutional law or civil liberties and provides an overall view of the fundamental principle of the American Constitution.

The U.S. Constitution and Fascinating Facts about it Terry L. Jordan,2012-06 Readers will see the entire text of the Constitution, the Bill of Rights and the Declaration of Independence and much more with interesting insights into the men who wrote the Constitution, how it was created, and how the Supreme Court has interpreted the Constitution.

The U.S. Constitution and You Syl Sobel,2012 All elementary school students learn about the history of the U.S. Constitution when they begin social studies. This book tells them about the great American document itself--explaining exactly what the Constitution does as well as how it affects and protects people today.

Perfecting the Constitution Darren Patrick Guerra,2013-06-10 This book provides a brief intellectual and constitutional history of the Article V amending process from the Imperial Crisis until the present and shows Article V to be a vital part of the Constitutional architecture.

U S Constitution Plus More Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online

library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading U S Constitution Plus More free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading U S Constitution Plus More free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading U S Constitution Plus More free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading U S Constitution Plus More. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading U S Constitution Plus More any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About U S Constitution Plus More Books

- 1. Where can I buy U S Constitution Plus More books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
