**The Invasion of Earth** John Scott Chace, 2020-02 New Abridged Version - February 2020 The Invasion of Earth (Edition 2 - Abridged) is not a Science Fiction Novel; in fact, it is real-life stories of UFO encounters from around the world. Over 400 pages, it is packed with UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia. Research shows for, over the last 100 + years, UFOs and their occupants have been monitoring this planet. This book is prepared to tell you the truth about the reality of UFOs and our contact with Aliens / Extraterrestrials. The author has researched thousands of declassified military UFO records, and newspaper articles and brings these stories to you. Through 26 chapters, we discuss many topics, including the various forms of evidence, actual military and civilian UFO case histories as well as alien contact. The stories are compelling and include the typical cat and mouse games Alien pilots use when confronting our jets. It is diabolical in that, on the one hand, our police and military jets chase the UFOs. Yet, on the other hand, UFOs pursue our military and commercial planes. You will come away understanding the reasons why they are here, what they are doing, and the ships they use. The Author: John Scott Chace is the author of UFOs In US AIRSPACE and Project Blue Book. He is the son of Colonel Chaplain Alston R. Chace (USAF Retired) and Nephew of Colonel Frank C. Chace (USMC). A military brat, he lived on many of the US Air Force bases where several UFO incidents have taken place. John became a researcher and historian on the UFO phenomenon after sightings in Connecticut. This book contains US Air Force Project Blue Book Case and more.

*Night Siege* Joseph Allen Hynek, Philip J. Imbrogno, Bob Pratt, 1998 In 1983, a few miles north of New York City, hundreds of people were startled to see a UFO - a series of flashing lights that formed a V as big as a football field, moving slowly and silently. This text explores all the evidence and over 7000 sightings, including those recorded up to 1995.

**Alien Sightings in America** Jennifer Bringle, 2011-12-15 Presents information about sightings of UFOs in the United States, beginning with reports from the late nineteenth century through accounts in the twentieth century, with details about the depiction of UFO's in books, radio, television, and films.

John Chace has researched thousands of declassified military UFO records, newspaper articles and filmed his UFOs while in Connecticut. Through 32 chapters we discuss many topics including the various forms of evidence (e.g., physical, radar and visual); actual military and civilian UFO case histories as well as alien contact. The stories are compelling and include the typical cat and mouse games the Alien pilots use when confronting our jets. On the one hand, our police and military jets chase the UFOs. **The Roswell UFO Mystery** Craig Boutland, 2019 Roswell, New Mexico, is the location of several well-known UFO sightings. Historical evidence, theories, photographs, and more will aid readers as they explore the answers that might explain the mysterious flying objects.

**The UFO Invasion** Kendrick Frazier, Barry Karr, Joe Nickell, 2023-12-15 UFOs and space aliens are visiting Earth?! Now it's time to get the facts! Did a flying saucer really crash near Roswell, New Mexico, in 1947, and have we been victims of a sinister government conspiracy to hide its alien occupants in a secret facility? Is there truth behind the swirled crops phenomenon? Have humans been abducted by aliens? In an effort to counter media misinformation *The UFO Invasion* offers definitive, behind-the-scenes accounts of each case of extraterrestrial visitations and paranormal claims. This fully documented look at sightings, encounters, the Roswell incident, MJ-12 documents, crop circles, the alien autopsy, and more will challenge, illuminate, anger and amuse. Included are revealing articles by Robert A. Baker, Robert E. Bartholomew, Joseph A. Bauer, William B. Blake, Robyn M. Dawes, C. Eugene Emery, Zen Faulkes, John F. Fischer, Kingston A. George, Jr., Philip J. Klass, Joe Nickell, James E. Oberg, Peter J. Reeve, Ian

Ridpath, Robert Sheaffer, Armando Simon, Lloyd Stires, Trey Stokes, Dave Thomas, Richard L. Weaver (Col. USAF), Jeff Wells, and Robert P. Young. Also, SETI coordinator Thomas P. McDonough ponders searching for extraterrestrial intelligence.

**UFOs, the Alien Invasion and the CIA** John Scott Chace, 2021-03-25 UFOs, the Alien Invasion and the CIA first became available in March 2021, with photographs, artists' conceptions of UFOs, and factual content. What you get is a book filled with facts of CIA, KGB, and military UFO case files. Cases are presented one after another around the globe. UFOs, the Alien Invasion and the CIA is not a Science Fiction Novel; in fact, it is a compilation of declassified, and non-declassified UFO encounters from around the world. It is packed with 400 pages of UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia. Research shows for, over the last 1000 + years, UFOs and their occupants have been monitoring this planet. I contend this visitation of humanoid beings of different species from other worlds is an advanced Invasion plan of planet Earth. This book is prepared to tell you the truth about UFO / UAP reality. It highlights the polarized differences between The Truth and Deception: 1. On the one hand, we have DECEPTION with the World Intelligence Agencies (the Central Intelligence Agency and the KGB) hiding information from the public on UFO intrusions at top military sites and human contact with Aliens / Extraterrestrials. 2. And on the other, we have TRUTH, where Presidents Gorbachev and Ronald Reagan agreed to assist one another in a potential alien conflict. This desire for Truth extends to the American, British, and Russian Air Force and Naval Military Leaders that desired the public to be informed of the UFO reality. Statements by those in the know: Case 1: Russian

General states: The UFO, with a diameter from 100 to 200 meters, was not accompanied by the sound of any kind and was distinguished by its startling maneuverability. It seemed the UFOs were completely devoid of inertia. In other words, they had somehow 'come to terms with gravity. At present, terrestrial machines could hardly have any such capabilities. (The KGB);Case 2: CIA Officer states: On the US obtaining a copy of a declassified KGB document on an alien incident, a CIA representative stated, It is horrific! If the KGB file corresponds to reality, this is an extremely menacing case. The Aliens possess technology that goes beyond all our assumptions. They can stand up for themselves if attacked.Case 3: US Naval Officer states: Official representatives of the US government, including the CIA, came aboard the aircraft carrier to debrief (interview) all the witnesses. After the debriefing, the 25 witnesses were transferred off the ship to other assignments, so they would not discuss the UFO case facts with each other.Case 4: Another US Naval Officer states: I read that if I ever talked about what it was that I didn't see, I could be fined up to \$10,000 and imprisoned for up to 10 years or both. In addition, I could lose all pay and allowances due or ever to become due. He asked me to sign a piece of paper stating that I understood the laws and regulations that I had just read governing the safeguard of classified information relating to national security.The author has researched thousands of declassified CIA, KGB UFO reports and military files, and newspaper articles to bring these stories to you.The Author: John Scott Chace is the author of over 12 books including UFOs In US AIRSPACE, UFO Motherships and Project Blue Book. John is the son of Colonel Chaplain Alston R. Chace (USAF) and Nephew of Colonel Frank C. Chace (USMC). A military brat, he lived on many of the US Air Force bases where several UFO incidents have taken place. John became a

researcher and historian on the UFO phenomenon after sightings in Connecticut. This book contains the CIA, KGB, and US Air Force Project Blue Book case files, and more.

**Illinois UFOs & Extraterrestrials** Carole Marsh,1997-09

**Alien Invasion - Inside Area 51** Patrick M. Mariano,2014-02-22 This book is a set of interviews I made across the United States and the United Kingdom and I'm probably the very first journalist to have accessed Area 51. I didn't know, when I started this investigation, where it would lead me, but what I've seen in the underground levels is really scary. If you ever wondered if we are alone in this universe, the answer is No. Aliens are closer than you could imagine. I have dedicated my entire life to reporting stories and events through newspapers and that's what I do for a living; I'm not going to stop now. However, in order to protect my life, I decided to have this book written under a pseudonym. Throughout the course of this book I will make specific reference to facts that are clearly recognisable and that you can cross-reference. My only hope is that you will take action NOW and start protecting yourselves and the people around you.

*Invasion Washington* Kevin D. Randle,2001-10-30 On two consecutive Saturdays in July 1952, the nation's capitol was the site of two of the twentieth century's most remarkable occurrences. Radar picked up what is believed to have been eight alien aircraft racing across the night sky -- traveling at speeds and maneuvering in ways impossible for the era. Despite military coercion, forcing eyewitnesses to change their testimony -- despite the government's suppression of film, photos and official reports -- one fact remains indisputable: they were here. And now one of the world's leading UFOlogists reveals the complete and startling truth about the astonishing phenomena dubbed the Washington Nationals.

**Otherworldly Encounters** Nomar Slevik, 2018-07-08 UFOs, Unknown Entities, and High Strangeness in the American Northeast Explore the realm of the unknown with more than three dozen true stories of unexplained phenomena. Join ufologist and paranormal researcher Nomar Slevik as he shares fascinating tales of sightings and abductions centered in the Northeast's UFO hotspots. Discover the truth about lights in the sky and aliens on the ground from firsthand witnesses and experiencers. Otherworldly Encounters includes investigations of UFOs, crop circles, alien abductions, monsters, extraterrestrial biological entities, balls of light, and more. With reports dating back to the 1800s, this is an in-depth guide to phenomena that have puzzled and frightened witnesses for generations. Using the best technological equipment and immersive investigative techniques, Nomar Slevik has collected shocking evidence that is truly out of this world.

**UFOs ARE REAL** Nick Daniel Huntley, 2021-01-21 I KNOW UFOs ARE REAL AND I TOTALLY BELIEVE ALIENS ARE ALREADY HERE ... Do aliens rule the world? Have aliens made a deal with us? With our military? If yes, what have we given them in return? If Yes, what do we owe them? Will there be an alien invasion? Why has it taken so long for the Pentagon and the Air Force to admit that UFOs have always existed? Will the government ever admit to aliens and abductions? Will we have an alien leader someday? Will aliens come and just destroy our world, our earth?

Invasion of the UFOs Bill Myers, 1998 Sean and Melissa, brother and sister super sluths, investigate an out-of-this-world mystery when they try to get to the bottom of the recent UFO sightings.

*The Real UFO Invasion* Raymond A. Palmer, 1967

*The Alien Invasion on Earth Will Happen in this Decade* Eliel Roshveder,2020-10-09 A million years have passed and humanity has evolved. He left the caves and occupied the cities. However, throughout this evolution, alien beings from various worlds of the cosmos acted among the human race posing as gods and mentors of humanity. The flood was created to destroy them, as they were corrupting the human race, but they were not destroyed, only part of them, most of them changed the methods of controlling the human race creating secret societies and infiltrating the religions that came from Abraham, the worship of the One God hated by these star rebels. Could there be an alien invasion of the land in 2023 as it is in the Washington obelisk codes? I put the year 2023 to make an impact, but in fact despite the fact that there are many predictions for 2023 as the year of crossing the current cycle, the day and the hour nobody knows, only the divine Father. The alien invasion will take place after the rapture and only the divine Father knows the day of the rapture, but according to a Washington obelisk code created by Freemasonry, the date of the big change will be in 2023. The time is near, it may be the big change today, it may be 2023 or a few years later, I just know it is close.

Early 20th Century UFOs Torres,John Lemay,2020-06-29 Though the idea of UFOs piloted by extraterrestrials didn't truly begin to seep into the public consciousness until the late 1940s, people all across America reported seeing strange craft in the skies throughout the early 20th Century. As it is, UFOs have been lurking in the shadows of many historical events, which are only now coming to light. For instance, did you know that Nikola Tesla sincerely believed that he received messages from another world in the year 1900? Or that survivors in the waters of the North Atlantic saw strange lights and UFOs as the Titanic

sunk? Stranger still, did you know that when the Spanish Flu pandemic was at its height in 1918 that Thomas Edison speculated that the virus came from outer space? After reading this book, you'll ask yourself: Were strange luminous creatures observed in Van Meter, Iowa, in 1904 alien beings or just odd looking animals? Could a devilish apparition seen in a Kansas mine have been a trapped alien rather than a ghost as the miners of the time believed? Was a mysterious glowing cloud of light seen in Philadelphia in 1904 related to the Philadelphia Experiment of 1943? What was the purpose of an odd, fire-worshiping cult aboard an airship seen across the state of Tennessee in 1907? And finally, what was the strange little green man killed in Texas in 1914?

**UFOs Over Long Island, New York** Joseph Flammer, 2015-02-28 Join investigative reporter Joseph Flammer as he examines 60 years of Long Island's silent alien invasion. Meet contactees and abductees, including Janet Russell, who claims she was abducted and shown hybrid babies of aliens and humans in jars aboard an alien spacecraft. Discover dark events some people say were covered up by the government's secretive Anti-UFO Army, such as the alleged 1989 shoot-down of an alien craft over Moriches Bay and the subsequent collection of dead aliens, the Southaven Park spaceship crash of 1992, the TWA Flight 800 explosion over Moriches Bay, and time travel experiments said to have been conducted at Camp Hero at Montauk Point. Find out the truth about Long Island's UFOs...and then join The Resistance to fight back!

*UFO's* Ian Thorne, 1978 Discusses sightings of UFO's, presents possible explanations for them, and identifies on-going studies of these phenomena.

**Silent Invasion** Ellen Crystall, 1991 When New Jersey native Ellen Crystall first encountered aliens and their spacecraft in California in 1971, she made a hasty return home. But her alien contacts continued, and over the years she has taken hundreds of photos of visitors and crafts from outer space. Here she presents evidence of and explanations for her many sightings. 20 photographs.
