Coach B Fearless Lamont Bryant (Coach B), 2018-03-19 *Coach B Fearless* By: Lamont Bryant (Coach B) Chronicling Lamont Bryant's childhood, adolescence, and adulthood, *Coach B Fearless: Beating All Odds* tells the story of inner-city basketball life in Chicago. At times educational, at times historical, Bryant tells his story: the story of how he rose from humble beginnings to become the man he is today. It's a profound tale of both his personal and professional journeys. Bryant has played alongside, coached, and worked with some of the top names in basketball in high school, the NCAA, and the NBA. Both of the documentary movies *Hoop Dreams*, in 1994, and its sequel, *Hoop Reality*, in 2007, were filmed on his courts, about his boys. Just as each of these are must-see movies, *Coach B Fearless: Beating All Odds* is a must-read book.

Outside the Limelight Kathy Orton, 2009-09-11 The Ivy League is a place where basketball is neither a pastime nor a profession. Instead, it is a true passion among players, coaches, and committed sports enthusiasts who share in its every success and setback. *Outside the Limelight* is the first book to look inside Ivy League basketball and at the boundless enthusiasm that defines it. With painstaking reportage, Kathy Orton vividly captures the internal fervor of the personalities who champion their game—all the triumphs and disappointments of an Ivy hoop season. Scholarships for student athletes? None, and this is the only Division I conference that does not offer them. The TV spotlight? It barely shines, despite the passion, talent, and commitment of the players. Megadollar contracts from the NBA? Rarely does a player receive an offer. These age-old institutions are better known for turning out presidents, not point guards, and CEOs and captains of industry, not centers on the court. Orton weaves together the stories of coaches and players as they move from fall practice through an entire season and ahead to

the NCAA tournament. From Harvard to Penn, Princeton to Cornell and beyond, players—perhaps more accustomed to pomp and circumstance—face leaky gyms, endure long bus rides, rigorous course loads, and unbearable exam schedules. Why? Just to prove they can hang with the big boys despite juggling multiple non-athletic responsibilities? Maybe. But more importantly, for the sincere love of the game. Outside the Limelight provides frontcourt vision for college basketball fans everywhere to achieve an appreciation of this captivating conference and for diehard enthusiasts to gain greater insight into what brings Ivy League basketball to center circle.

Adolph Rupp and the Rise of Kentucky Basketball James Duane Bolin, 2019-03-15 Known as the Man in the Brown Suit and The Baron of the Bluegrass, Adolph Rupp (1901--1977) is a towering figure in the history of college athletics. In *Adolph Rupp and the Rise of Kentucky Basketball*, historian James Duane Bolin goes beyond the wins and losses to present a full-length biography of Rupp based on more than one-hundred interviews with Rupp, his assistant coaches, former players, University of Kentucky presidents and faculty members, and his admirers and critics, as well as court transcripts, newspaper accounts, and other archival materials, this biography presents the fullest account of Rupp's life to date. His teams won four NCAA championships (1948, 1949, 1951, and 1958), one National Invitation Tournament title in 1946, and twenty-seven Southeastern Conference regular season titles. Rupp's influence on the game of college basketball and on his

adopted home of Kentucky are both much broader than his impressive record on the court. Bolin covers Rupp's early years -- from his rural upbringing in a German Mennonite family in Halstead, Kansas, through his undergraduate years at the University of Kansas playing on teams coached by Phog Allen and taking classes with James Naismith, the inventor of basketball -- to his success at Kentucky. This revealing portrait of a pivotal figure in American sports also exposes how college basketball changed, for better or worse, in the twentieth century.

The Sons of Westwood John Matthew Smith, 2013-09-30 For more than a decade, the UCLA dynasty defined college basketball. In twelve seasons from 1964 to 1975, John Wooden's teams won ten national titles, including seven consecutive championships. The Bruins made history by breaking numerous records, but they also rose to prominence during a turbulent age of political unrest and youthful liberation. When Lew Alcindor and Bill Walton--the most famous college basketball players of their generation--spoke out against racism, poverty, and the Vietnam War, they carved out a new role for athletes, casting their actions on and off the court in a political light. *The Sons of Westwood* tells the story of the most significant college basketball program at a pivotal period in American cultural history. It weaves together a story of sports and politics in an era of social and cultural upheaval, a time when college students and college athletes joined the civil rights movement, demonstrated against the Vietnam War, and rejected the dominant Cold War culture. This is the story of America's culture wars played out on the basketball court by some of college basketball's most famous players and its most memorable coach.

From Behind the Bench Vinny Pezzimenti and Bill Peters, 2011-07-19 On a March afternoon in Cleveland, St. Bonaventure battled powerful Kentucky for 40 minutes and two overtimes in the first round of the 2000 NCAA Tournament. Though the Bonnies would lose that day, the moments that accompanied that game provided St. Bonaventure's proud alumni a vast sense of pride. For a men's basketball program that was once considered an elite entity, it was

fulfilling return to glory. No one could have envisioned then that St. Bonaventure basketball would endure lowest of lows almost exactly three years later. The St. Bonaventure basketball scandal of 2003 created national headlines and rocked to its core a proud institution. The university president schemed to allow an ineligible player, by NCAA standards, on the court, leading to series of damning events. Victories were forfeited, a team in turmoil quit on its season, several of those involved were fired and the president of the board of trustees, ripped by his role in the sorry state of affairs, committed suicide. As student-managers, we closely witnessed the circumstances that led to the upheaval. We were in the locker room, the coaches offices and on the team bench. We were there for all the corruption, deceit and greed. We were there when an ill-conceived plan came tumbling down in the harshest of manners and St. Bonaventure's lost ways became a punchline across the country.

UCLA Basketball Encyclopedia Spencer Stueve, 2019-10-15 A complete history of a century of UCLA Basketball! Over the course of one hundred years, UCLA has proven to be arguably the top college basketball program of all time, but the rise to the top was filled with many bumps in the road. In UCLA Basketball Encyclopedia, Spencer Stueve writes in detail about each season in the team's epic history. While Coach John Wooden built a program that won more championships than any other in America, not all of UCLA's basketball history is about winning titles. Prior to Coach Wooden's arrival, UCLA was

one of the worst programs in America, and since his departure, UCLA has been on a never-ending search for the man to bring them back to the top. Stueve leaves no stone unturned in this comprehensive volume, describing the many highs and lows the team has encountered along the way. Readers will learn about the life of Lewis Alcindor (who changed his name to Kareem Abdul-Jabbar), the dark days of Bill Walton and how he came back to life, and many other legendary players whose accomplishments have often been overshadowed, players like Gail Goodrich and Walt Hazzard. With a comprehensive all-time roster to accompany the text, this book is the perfect gift for any Bruins basketball fan!
