Can You Keep a Secret? Sophie Kinsella,2004-03-23 NOW A MAJOR MOTION PICTURE • From the #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* comes a novel with the same wicked humor, buoyant charm, and optimism as her beloved Shopaholic series. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Meet Emma Corrigan, a young woman with a huge heart, an irrepressible spirit, and a few little secrets: Secrets from her boyfriend: I’ve always thought Connor looks a bit like Ken. As in Barbie and Ken. Secrets from her mother: I lost my virginity in the spare bedroom with Danny Nussbaum while Mum and Dad were downstairs watching Ben-Hur. Secrets she wouldn’t share with anyone in the world: I have no idea what NATO stands for. Or even what it is. Until she spills them all to a handsome stranger on a plane. At least, she thought he was a stranger. . . . But come Monday morning, Emma’s office is abuzz about the arrival of Jack Harper, the company’s elusive CEO. Suddenly Emma is face-to-face with the stranger from the plane, a man who knows every single humiliating detail about her. Things couldn’t possibly get worse. Or could they? Praise for *Can You Keep a Secret?* “Venturing beyond Saks and Barney’s, the bestselling author of *Confessions of a Shopaholic* and *Shopaholic Ties the Knot* entertains readers with backstabbing office shenanigans, competition, scandal, love and sex. . . . Kinsella’s down-to-earth protagonist is sure to have readers sympathizing and doubled over in laughter.”—Publishers Weekly “If laughing out loud in public places is your bag, be sure to pick up [*Can You Keep a Secret?*]. Heroine Emma Corrigan is going to be your new best friend.”—Boston Herald “Kinsella’s timing is so perfect, her instincts so spot-on, that it’s easy to . . . devour the book like the guilty pleasure it is.”—Miami Herald “Chick lit at its lightest and breeziest . . . filled with fabulous clothes, stalwart friends, and snotty enemies waiting to be taken down a peg.”—Orlando Sentinel “[Kinsella’s] dialogue is sharp, even her minor characters are well drawn, and her parody of the marketing world is very funny.”—Washington Post Book World “[A] comedic frenzy of ill-fated events . . . punchy . . . fast-moving.”—Rocky Mountain News

Masquerade Lowell Cauffiel,2014-07-08 When a Detroit doctor’s secret life gets out of hand, killers come for him In the exclusive suburb of Grosse Pointe, Alan Canty was a respected psychologist, with clients drawn from wealthy families across Detroit. But at night, he ventured into the city’s seedy south side, where, under the name Dr. Al Miller, he met with prostitutes. One girl in particular caught Dr. Al’s eye: a skinny teenage drug addict named Dawn, an ex-honor student who had fallen under the spell of a pimp named Lucky. Canty became their sugar daddy, spending thousands to buy them clothes, cars, and gifts. But when the money ran out, Canty’s luck went with it—and he was soon found hacked to pieces, his body scattered across Michigan. Covering the trial for the local press, Lowell Cauffiel became enthralled by this story of double lives and double crosses. In this thrilling true crime tale, Cauffiel shows what happens when deception turns fatal.

You Can't Force a Man to Value You Kissy Denise,2019-09-16 You Can't Force A Man To Value You is the book that every woman should be handed when she turns eighteen-years-old. This book not only teaches a woman how to value herself outside of a man and find her worth, but also how to be a good woman and have healthy relationships with high value men who will honor, cherish, and pull you deeper into your Goddess throne. If you've been trying to figure out the keys to men or not knowing why your relationships went wrong, or watching other women land their dream guy or other women who seem to get the rich men who provide, take them on exotic vacations, buy them cars, completely adore them and do whatever they want, while you meanwhile pay half the bills, and end up in relationships with ungrateful men who aren't even half as smart as you, then this is the book for you. If you find yourself asking why do men seem to choose the needy women over you, the boss chick who doesn't need a man and can do everything on her own, then Sis this book is about to change your life. If you've suffered from a broken heart after pouring all of your love into a man who failed to provide for you, this book will not only heal you but send you back out into the dating world fully equipped to

attract the man of your dreams. You Can't Force A Man How To Value you helps a woman step into her purpose, become a high value woman and finally understand how to become an alluring Goddess who understands men and is able to capture the heart of the man of her dreams. You will learn the key to enlightened relationships and develop beautiful, nurturing communication skills that will have the strongest man not being able to get enough of you. This book helps powerful women Unleash The Goddess Within. This book is perfect for the beautiful soul who craves an open, loving, supportive, growth oriented, empowered relationship with a soulmate. You desire to break generational curses, show your children and future generations a better way by being a living, breathing example of kindness, wholeness, confidence, and self love, within a healthy relationship that grants you an honest mate who will grow with you in both love and business. You continuously choose love and the call of your soul, over logic. You have a habit of dumbing yourself down, in order to relate to people. You tend to be the smartest person out of all of your friends. 9/10 you're way more smarter than your chosen partners. Not matter how much love you pour into your relationships, they tend to end really badly. They move on fast to the next person, meanwhile you're left crushed, heartbroken and having to pick up the pieces of your shattered life all by yourself. Yet, you understand that you are not a victim in your relationships. If someone treats you poorly, you reflect on what this experience is trying to teach you and why this manifested without being hard on yourself. No matter how many times you've been hurt you live from your heart, and have great vision. Often you attempt to help activate a man's King DNA to no avail. You would rather be alone, than to play with anyone's heart. Because you know the kind of love you and everyone deserves. You love hard and want to find someone to spend the rest of your life with. Femininity is something you are a bit iffy on but you would love to become more of a lady. I got you Sis. This book is for you. It's the answer to your dating problems.

The Great Mystery of the Rapture Arno Froese,1999 This book is an exhaustive, thorough examination of the subjects relating to what will be an unprecedented occurrence for the Church-the Rapture.
