A Boomer's Guide to Grandparenting Allan Zullo,Kathryn Zullo,2004-08 We are your typical boomer nana and papa, say authors Kathryn and Allan Zullo, younger, healthier, wealthier, and better educated than our grandparents. We are more active and less formal than our own parents were at our age. We no longer fit the traditional image of our elderly kin. That description signals the need for a new kind of grandparenting, a role that The Nanas and the Papas fills to perfection.This completely reworked and updated version is now half again as large as the original. Most boomer grandparents work hard and lead vigorous, often stressful, lives where time is a precious commodity, say the Zullos. The Nanas and the Papas helps grandparents relieve the stress of grandparenting and make the most of limited time.Top grandparenting experts cited throughout the book tailor their guidance and recommendations to fit the boomer sensibility, covering topics such as:o How to define the grandparenting role for a new generationo The latest trends in child careo How to work in harmony with your children and their spouseso High-tech grandparentingo Ways to make the most of time alone with grandchildreno Grandparenting and the single-parent householdo Grandparents caring for their own parentsFilled with expert advice, The Nanas and the Papas provides a

smooth transition into grandparenting and sets the stage for successful relationships and experiences for the entire family.

The Baby Boomer's Guide to Getting it Right the Second Time Around Gary Null, Vicki Riba Koestler, 2001 An advocate of change as a creative principle identifies ten mistakes that baby boomers are likely to have made in executing their life plans, from losing control of their own lives to neglecting the power of silence, and provides advice and worksheets to correct such errors.

The Baby Boomers' Guide to Grandparenting Diana J. Ewing, 2011-02-17 Leave it to baby boomers, the original youth culture, to turn into the coolest grammies and grampies ever. With its humorous look at where boomers have been and where they are going as grandparents, this book is an over-the-top combination of boomer history, pop culture then and now, the foibles of aging, and the ups and downs of life in Grandparentland. Amid the playful and fast-paced prose--including trivia quizzes and puzzles, entertaining granecdotes, and much more--readers will find a little insight here, a little wisdom there, and some wry observations on life. It's the most fun boomer grandparents can have without their grandchildren.

Baby Boomer Survival Guide Barbara Rockefeller, Nick J. Tate, 2015-10-17 As boomers prepare to retire in an economic climate that has many rethinking their plans, it is crucial that they take every facet of their golden years into consideration. DaVinci's Baby Boomer Survival Guide is the premier

roadmap to retirement with the postwar generation in mind. Authors Barbara Rockefeller and Nick Tate team up to craft this comprehensive, easy-to-understand guide that covers all necessary financial, healthcare, and lifestyle- related considerations, like: • Optimal retirement age and Social Security filing strategy • Intelligent investing • Housing and reverse mortgages • Wills and trusts • Long-term healthcare and Medicare • Staying healthy, both mentally and physically • Best places to live based on income, and much more... The Boomer's Guide to a Great Retirement Jonathan D. Pond, 2008-12-30 PBS financial expert Jonathan D. Pond has helped millions of Americans get their personal finances in order. If you're worried about the state of your retirement, he'll show you: Why not to believe the scary misinformation put forth by the media and the finance industry How you can get yourself in shape for retirement, regardless of your salary level or how early you started saving Why taking your Social Security distributions at the earliest possible age may not be the best move And much more!

The Reinvention Equation Howard J. Parsons, 2017-01-09 The Reinvention Equation is a practical guide for baby boomers who have lost their rhythm that they were taught growing up as to how the world works. Howard Parsons had his first taste of life transition at age fourteen when his mother, his

best friend, died. His anchor to his world, as he knew it, was gone. Not knowing how nor having tools to navigate his life, Howard turned to isolation, hard work, and alcohol to make the journey as best as he could. In the years to follow, Howard learned new skills and techniques to reinvent his life, providing deep satisfaction and gratitude for all that is available. Here is a blueprint that will show you the process to reinvent your life, get past old ways of doing things, and find once again your essential self as the guiding source in your life. In the new world order, which is not what baby boomers expected, thinking, feeling, and physical actions must be aligned with your essential self.

No B.S. Guide to Marketing to Leading Edge Boomers & Seniors Dan S. Kennedy, 2012-11-01 For the next 20 years, roughly 10,000 citizens will hit medicare eligibility each and every day. Understanding their attitudes, interests, spending patterns, buying preferences and the emerging opportunities for profiting by targeted development and marketing of products and services to them is vital to the forward thinking entrepreneur and marketing executive. There is no product, service, industry or profession category unaffected by this demographic sea-change. The leading-edge boomer and senior population quietly controls the majority of the discretionary spending and investing capability, so this is the roadmap to the money.
