Russian Roulette Austin S. Camacho,2009-04-05 Washington D.C.'s professional troubleshooter, Hannibal Jones, is enraged when he is forced to take a case at gunpoint. His client is a Russian assassin who will kill Hannibal's beloved, Cindy Santiago, if Hannibal refuses to help him. With no choice, Hannibal agrees to investigate the smooth, wealthy Algerian who has stolen the heart of the woman his new client loves. At first the case looks simple, but Hannibal's view quickly changes when evidence surfaces connecting the Algerian to Russian mob money and the apparent suicide of the girl's father several years earlier. Further investigation reveals that the Algerian may not be who he says he is. Then more deaths follow, closing in on the Algerian and the girl. At first working only to protect Cindy's life, Hannibal is soon chasing the truth for its own sake and must fight his way through past lies, present jealousies and the Red Mafiya to learn the real reason that death is stalking the couple. Hannibal peels the Algerian's history like an onion, each layer revealing a false identity. His search for the truth leads to a dramatic shootout on Roosevelt Island, side-by-side with his murderous client.

The quiet girl does exactly what she's told and wouldn't know trouble if it punched her in the face. One split decision changes all of that. Now, she may be the break the DEA is looking for, if she survives.

The Inner Game of Russian Roulette Betty Ruth Krueger,1stWorld Publishing,2008-08 Betty Ruth Krueger is a teacher of meditation, who, after attending a retreat with His Holiness Sri Sri Ravi Shankar, says to her husband, I feel like I've embarked upon the ultimate adventure of my life! Russian Roulette Len Harris,2005-08-01 Sam Kantor is a far stretch from Chandler and Hammett's concept of the private eye. He is more likely to solve his case by accident rather than design. But somehow, he manages to come up with the solution. Sam's latest case starts off innocently enough. Sam is hired to accompany a client to deliver a package. But when Sam is knocked unconscious and his client turns up dead in Sam's office, the trail becomes like a Matryoshka doll. Each lead he uncovers reveals another within. Sam tracks down members of a poker club who have been bankrolling the sale of stolen Russian icons. When two of them are murdered, Sam becomes a suspect. He escapes a shooting and being blown up, before being offered partnership in a narcotics business. With every step, Sam is drawn inexorably towards the quicksand, until the final moment when the sands threaten to close over him.

LIFE AFTER RUSSIAN ROULETTE Michael B. Kaminski,2022-11-11 Murder, corruption, sanctioned killings, and destroyed lives still haunt an alcoholic ex-narcotics detective as he prepares for ordination in seminary. He seeks forgiveness and redemption as he confronts his shadowy past in the dark cave of his psyche and soul. LIFE AFTER RUSSIAN ROULETTE: REDEMPTION is a psychological thriller based on true accounts of the life of Michael B. Kaminski during the years he was an undercover police detective in Baltimore, Maryland during the 1970's. Immersed in an underworld of drug groups, organized crime associations, and police corruption, Kaminski became addicted to the game as he wrestled mentally, psychologically, and emotionally with illegal, unethical, and immoral choices and decisions. The lines of right and wrong, good and bad began to blur before his eyes as he justified the end goal. Living under three fictitious identities for almost five years, Kaminski's conscience created a moral downslope that inevitably led to depression, suicidal thoughts, and mentally destructive behaviors as he numbed his true feelings and loss of

personal identity with increased addiction to alcohol. After resigning from the police department with three contracts out on his life, and after two failed attempts to kill him, Kaminski went to work as a licensed private investigator for the criminal lawyers that he worked against when he was undercover. Eventually, a near-fatal accident almost ended his life. High on morphine in an unknown hospital, Kaminski would make a commitment to God for saving his life again. After entering a seminary and receiving ordination, Kaminski struggled with his faith. Finally, he would find what he had been searching for all his life. At first glance, you might think you know how police and undercover detectives work. But you could be dead wrong. How an individual enforces the law, many times, is reduced to personal decisions. Hidden within the plot of this story is a series of inner conflicts that many people in law enforcement make in the line of duty.

Russian Roulette James Mitchell,2014-10 David Callan has proved himself a ruthless and effective assassin working for a small section of British intelligence. The price they demand for the mole's safe return is the death of Callan, in revenge for being a thorn in their side. Callan has no say in the matter; he is to be sacrificed. Yet with his eyesight failing and his guns, money and passport all taken from him, Callan has no intention of going quietly.
