

Unblock Mania

Tanya Jane Richards

Travel Mania Karen Gershowitz,2021-07-13 Since leaving home for Europe alone at age seventeen, Karen Gershowitz has traveled to more than ninety countries. In pursuit of her passion for travel, she lost and gained friends and lovers and made a radical career change. She learned courage and risk taking and succeeded at things she didn't think she could do: She climbed Mt. Kilimanjaro. She visited remote areas of Indonesia on her own and became a translator, though only fluent in English. She conquered her fear of falling while on an elephant trek in Thailand. And she made friends across the globe, including a Japanese family who taught her to make sushi and a West Berliner who gave her an insider's look at the city shortly after the wall came down. An example that will inspire armchair travelers to become explorers and embolden everyone to be more courageous, Travel Mania is a vivid story of how one woman found her strength, power, and passion. Travel is Karen's addiction—and she doesn't want treatment.

Pure Mania Stewart Home,2023-08-17 The legendary novel Pulp Mania is back on the streets in its original form and eBook also. In the eBook and hardback editions the legendary novel is presented with an author interview, colour plates of Stewart Home and enumerative bibliographic hand list. 'Let us not forget, ladies and gentlemen,' Chickenfeed announced as Christine mounted her man, 'that fiction has played an important role in the development of Western sexuality. Among other things, the terms Sadism and Masochism are derived from the names of men who wrote pornographic novels.' Pure Mania is set in an almost fictional anarcho-punk milieu around the squats and council estates of East London. This trashy adventure story takes the form of a blatantly falsified tour of eighties youth trends. It's a pastiche of the fiction published by New English Library during the 1970's. Situationist fun and anarcho-punk adventure à la Jamie Reid meets Cockney Red street violence, Pure Mania by Stewart Home was first published by Polygon Books in 1989. MARX CHRIST AND SATAN UNITED IN STRUGGLE Pure Mania is a pulp tragicomedy set in London's punk and skinhead scene at a time when both ready to blow the British Isles to hell. SEXUAL PERVERSION AT ITS VERY WORST Pure Mania is a tragic Trotskyist triangular tale of politics and love between two men and one woman. Tracy is a militant vegan who is willing to sacrifice everything to save the third world. And in order to get her Paul gives up coffee and other women and Edward gives up his Nazi uniform and other men. i SEX AND ECO-TERRORISME ! PURE MANIA is published in Hardback 9781914090660 / Original paperback 9781914090776 / and quality eBook 9781914090943

Acupuncture and Moxibustion Ji Zhang,Baixiao Zhao,Lixing Lao,2014-10-01 This scholarly and comprehensive textbook comprises three parts: Channels and Points; Acupuncture and Moxibustion Techniques; Treatment of Diseases. Based on the ancient classics of traditional Chinese medicine, modern clinical practice, and recent research, Acupuncture and Moxibustion is a wonderful textbook both for international students and an essential reference for practitioners. Its editorial board, composed of well-known Chinese and Western acupuncture practitioners, has ensured that the English edition conforms to high academic standards.

Dot Mania Conceptis Puzzles,2008-11 Take dot-to-dots to the extreme! Revisit your childhood with these exciting new puzzles that create beautiful color pictures, giving you a satisfaction as if you drew them yourself. The puzzles are available in single line variants, where a continuous line is drawn from beginning to end, and in multi-line variants, where the line is terminated whenever you reach a star and then resumed at the next number. Expect better looking images, like a massive castle or valiant Pegasus, and extra fun with this advanced version of the classic dot-to-dot puzzles!

Tranz-Mania Tanya Jane Richards,2006-09-04 Tranz-mania is the first book of it's kind - a novel about London's transgender community as it is now, written by an insider. It follows the story of Pam, a newcomer to a club called Tranz-mania, run by Parvula and Tamara -- two transsexuals with different views on what the scene, and transsexuality itself, is all about. In transgender lives, the pace of change is fast. Through coming out, then meeting Parvula and Tamara, Pam confirms her transsexuality and begins to discover her real identity and sexuality, with drastic consequences. Pam's arrival also brings major change for Parvula and Tamara; a new future for all of them takes shape, at Tranz-mania.

The Garden of Leaders Paul Woodruff,2019-01-18 The Garden of Leaders explores two related questions: What is leadership? And what sort of education could prepare young people to be leaders? Paul Woodruff argues that higher education--particularly but not exclusively in the liberal arts--should set its main focus on cultivating leadership in students. Woodruff advances a new view of liberal arts education that places leadership at the root of everything it does, so that students will be prepared to lead in their lives and careers--and not necessarily in management roles. Woodruff views the contemporary university as sorely lacking an emphasis on leadership, and presents three core sets of recommendations for how they can and should foster it. First, Woodruff posits co-curricular groups, activities, and projects as essential activities for students to gain confidence and leadership skills. Administrations should encourage students to engage in activities outside the classroom, convert coached sports teams into student-led clubs as far as possible, and discourage social organizations that are segregated by race or sex. Second, Woodruff advocates for a different curriculum for all undergraduates, no matter their major--arguing that they need to be taught leadership in the forms of key skills including communication (including good writing, listening, and speaking), as well as exposure to key material in history literature, social science, and ethics. Students should be asked to consider the hardest ethical dilemmas that leaders face, toggling between Machiavelli and great ethical thinkers such as Confucius and Socrates. Third, Woodruff calls for the teaching methods used by instructors to re-orient themselves around the question of leadership, particularly by emphasizing teamwork. Professors should respect their students' independence, avoid tyrannical teaching, and remember that all teachers teach ethics simply by the examples they set in dealing with students. Whether in engineering, music, or classics, The Garden of Leaders advances leadership as a core value that should be at the heart of the educational enterprise--contending that while a college campus can be many things, it should at the very least be a ground upon which new leaders can grow.

Jumble® Mania Tribune Media Services,2004-09 A great workout for the brain, these clever and humorous puzzles feature a series of mixed-up words coupled with a cartoon.

How Harry Cast His Spell John Granger,2009-12-31 More than any other book of the last fifty years (and perhaps ever), the Harry Potter novels have captured the imagination of children and adults around the world. Yet no one has ever been able to unlock the secret of Harry's wild popularity . . . until now. Updated and expanded since its original publication as Looking for God in Harry Potter (and now containing final conclusions based on the entire series), How Harry Cast His Spell explains why the books meet our longing to experience the truths of life, love, and death; help us better understand life and our role in the universe; and encourage us to discover and develop our own gifts and abilities.

One Final Shot Aubree Pynn,2024-03-26 When their love is put to the ultimate test and their foundation is cracked, can they repair the damages to their covenant, or will their life together be over as quickly as it began? Young and deeply in love, Mone't and Austin have the world at their fingertips. They were the beacon of love in the hood of Ganton Hills; a couple worth protecting. But the hood politics don't exist outside of the nine blocks. With a sudden thrust into success, Mone't and Austin face trials and tribulations they never imagined nor have the tools to handle.
