Joe Gould's Secret Joseph Mitchell,1999-12-07 Joseph Mitchell was a legendary New Yorker writer and the author of the national bestseller Up in the Old Hotel, in which these two pieces appeared. What Joseph Mitchell wrote about, principally, was New York. In Joe Gould, Mitchell found the perfect subject. And Joe Gould's Secret has

become a legendary piece of New York history. Joe Gould may have been the quintessential Greenwich Village bohemian. In 1916, he left behind patrician roots for a scrappy, hand-to-mouth existence: he wore ragtag clothes, slept in Bowery flophouses, and mooched food, drinks, and money off of friends and strangers. Thus he was able to devote his energies to writing *An Oral History of Our Time*, which Gould said would constitute the informal history of the shirt-sleeved multitude. But when Joe Gould died in 1957, the manuscript could not be found. Where had he hidden it? This is Joe Gould's Secret. [Mitchell is] one of our finest journalists.--Dawn Powell, *The Washington Post* What people say is history--Joe Gould was right about that--and history, when recorded by Mitchell, is literature.--*The New Criterion*

The Poisonwood Bible Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." -Los Angeles Times Book Review The *Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.
