**A Dictionary of the Underworld** Eric Partridge,2015-06-12 First published in 1949 (this edition in 1968), this book is a dictionary of the past, exploring the language of the criminal and near-criminal worlds. It includes entries from Australia, New Zealand, Canada and South Africa, as well as from Britain and America and offers a fascinating and unique study of language. The book provides an invaluable insight into social history, with the British vocabulary dating back to the 16th century and the American to the late 18th century. Each entry comes complete with the approximate date of origin, the etymology for each word, and a note of the milieu in which the expression arose.

The Lightning Thief Rick Riordan,2009-05-02 Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

**Metaphors of Consciousness** Ronald S. Valle,Rolf von Eckartsberg,2012-12-06 As we move into the 1980s, there is an increasing awareness that our civilization is going through a profound cultural transformation. At the heart of this transformation lies what is often called a paradigm shift-a dramatic change in the thoughts, perceptions, and values which form a particular vision of reality. The paradigm that is now shifting comprises a large number of ideas and values that have dominated our society for several hundred years; values that have been associated with various streams of Western culture, among them the Scientific Revolution of the seventeenth century, The Enlightenment, and the Industrial Revolution. They include the belief in the scientific method as the only valid approach to knowledge, the split between mind and matter, the view of nature as a mechanical system, the view of life in society as a competitive struggle for survival, and the belief in unlimited material progress to be achieved through economic and technological growth. All these ideas and values are now found to be severely limited and in need of radical revision.

**Captive in the Underworld** Lianyu Tan,2021-01-08 A dark lesbian romance retelling of the Hades/Persephone abduction story, set in mythological ancient Greece. In the land of the dead, Queen Hades' word is law. Hades gets what she wants—always—and what she wants is a certain goddess of the springtime. Innocent Persephone chafes beneath her mother's hawkish gaze and mercurial temper. Demeter has rebuffed all her daughter's suitors, but she is not yet satisfied; she strives to crush Persephone's spirit. Still, when Hades pulls her into the dark realm of the underworld, Persephone longs for the world above,

even if it means an eternity under her mother's thumb. With her tears and pleas for freedom ignored by pitiless Hades, Persephone must learn to satisfy her keeper in all ways, lest she suffer the consequences. And though she cannot deny that something blooms within her, something forbidden, Persephone despairs of ever feeling the sun upon her skin once more. No matter the cost, Hades intends to keep her. Forever. \* \* \* *Captive in the Underworld* is a standalone dark lesbian romance novel set in mythological ancient Greece. It is rooted in the misogyny and cruelties of the Hades/Persephone myth and contains sensitive material. Due to mature content and dark themes, this book is intended for adult readers only. It contains scenes depicting non-consensual sex, death, abuse, kidnapping, assault, and other intimate partner violence. It is not recommended for readers sensitive to such content. **PRAISE FOR CAPTIVE IN THE UNDERWORLD** "A dark sapphic romance based on the myth of Persephone and Hades... entertaining, captivating, and exceptionally enjoyable... I read it twice in a row without stopping... if you like my work, I bet you'll like this a whole lot!" —Rae D. Magdon, author of *Lucky 7* "I adored this brutally ruthless Hades... She was everything I wanted her to be... frightening and passionate all at once... a beautiful example of classic dark romance... Gorgeous novel, highly recommend." —Roses and Thorns Book Reviews "[The] best Hades/Persephone story I've ever read... such a gripping read I literally devoured it whole in one sitting like I was Kronos eating his kids... the world and the characters are so lush and compelling I'm tempted not to finish this review and just start rereading the book instead." —Katarina, Goodreads reviewer

*Point Blank* Don Pendleton, 2014-12-01 Mafia Massacre Four deputy U.S. marshals are slaughtered along with the witness they're guarding, a former Mafia member set to testify in New York. When it's revealed the kill order came from a powerful Calabria crime family, Mack Bolan decides it's time to stop the bloodshed at its source. After arriving in Italy, Bolan learns trouble has already begun. Killing the witness is not enough; the Mafia is intent on murdering his entire family, including women and children. With local law enforcement on the Mafia's payroll and spies everywhere, infiltrating the family is nearly impossible...especially as Bolan has been marked for death. Dodging bullets at every turn, he's got to maximize every strike. The Mafia may have home advantage, but the Executioner won't stop until he blows their house down.
