Undressing Chickens Nicole Wilson,2009-07 Emigrating to America can be a funny and entertaining experience. Nicole Wilson shares her humorous misadventures as she moved from Duesseldorf, Germany, to the Seattle area. This almost true story recalls the first two years Wilson spent learning about her new country. She was accustomed to the sophisticated ways of living in a

German city but found herself transformed from a city girl with a 9 to 5 office job to a country girl, raising horses and planting a garden. There were numerous adjustments along the way. Life in America seemed like a continuous, hilarious and adventurous learning experience. Wilson dealt with the blending and clashing of cultures. Overcoming language barriers was probably her most difficult adjustment. But she saw the humor and necessity in learning the slang, sayings, idioms and words that are not in any dictionary.

Thirty-five-year-old American social media master Vanessa Roberts lives her thoroughly modern life with aplomb. But she's not "excessively diverted," as Jane Austen would say. Hardbound books, teacups, and quill pens fly in the face of her e-reader, coffee, and smartphone... ..Until she sees Julian

take his tight breeches off for his Undressing Mr. Darcy show, an educational “striptease” down to his drawers to promote his book and help save his crumbling estate. The public relations expert suddenly realizes things have gotten...personal. But can this old-fashioned man claim her heart without so much as a GPS? It will take three festivals filled with Austen fans, a trip to England, an old frenemy, and a flirtatious pirate re-enactor to find out...

A'undressing the Judge JC Parry,2012-10-26 Based on a true story It is 2003. His extraordinary story is all over the newspapers; its on Sky News and on BBC News 24. They interview a city solicitor to try to give an explanation. Fast rewind to 1993. Gregory Franks is a criminal law barrister whose work defending criminals influences his violent and abusive behavior. His wife, Joanne, has had enough and divorces him, taking her son Sam with her. This is just the moment that he has been waiting for. His plan is to take Joannes son Sam away from her, and he has friends in high places to help him. The odds are stacked up against Joanne and Chris. They find that the judges will only listen to Gregory Franks, the barrister. Court recordings are carefully choreographed; the police are powerless, and CAFCASS is concealing the evidence. But what nobody has reckoned on is Joanne and Chriss tenacity and determination not to give up on Sam. As a doctor, Chris cannot let Gregory Franks continue to abuse Sam, and Joannes instinct is to protect her son. How long will this corruption go on?

Austronesian Undressed David Gil,Antoinette Schapper,2020-10-15 Many Austronesian languages

exhibit isolating word structure. This volume offers a series of investigations into these languages, which are found in an isolating crescent extending from Mainland Southeast Asia through the Indonesian archipelago and into western New Guinea. Some of the languages examined in this volume include Cham, Minangkabau, colloquial Malay/Indonesian and Javanese, Lio, Alorese, and Tetun Dili. The main purpose of this volume is to address the general question of how and why languages become isolating, by examination of a number of competing hypotheses. While some view morphological loss as a natural process, others argue that the development of isolating word structure is typically driven by language contact through various mechanisms such as creolization, metatypy, and Sprachbund effects. This volume should be of interest not only to Austronesianists and historians of Insular Southeast Asia, but also to grammarians, typologists, historical linguists, creolists, and specialists in language contact.

Undressed for Success B. Foley, 2016-09-27 Using the tools of performance studies, gender theory, and cultural history, Brenda Foley explores the striking similarities between beauty pageantry and striptease. For example, women in both project a 'normal' femininity and adhere to a strict hierarchy (Miss America contestants look down upon Miss Universe contestants, while theatrical 'burlesque artists' saw themselves as far above mere carnival strippers). *Undressed for Success* collects extensive primary source research - newspapers, journals, trade publications, photography collections, press releases, memoirs, and interviews with both strippers and pageant contestants - and employs a wide array of gender, feminist, and performance theory to analyze them.

New York Magazine , 1977-11-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. The Careful Undressing of Love Corey Ann Haydu, 2017-01-31 The girls of Devonairre Street have always been told they're cursed. Any boy they love is certain to die too soon. But this is Brooklyn in 2008, and the curse is less a terror and more a lifestyle accessory—something funky and quaint that makes the girls from the shortest street in Brooklyn special. They wear their hair long and keys around their necks. People give them a second look and whisper “Devonairre” to their friends. But it's not real. It won't affect their futures. Then Jack—their Jack, the one boy everyone loved—dies suddenly and violently. And now the curse seems not only real, but like the only thing that matters. All their

bright futures have suddenly gone dark. The Careful Undressing of Love is a disturbing and sensual story of the power of youth and the boundless mysteries of love set against the backdrop of Haydu's brilliantly reimagined New York City.

From Asylum To Immigrant NANA KWAKU KURANKYE KWATEI, 2012-07-24 Voice mon conte qui arrive! This is a popular phrase in French simply meaning 'This is my story'. It is heart-warming for people to make public whatever experiences they may have had during the various stages of their lives. The songwriter says 'through all the changing scenes of life...in trouble and in joy...' sets a good tone for people to tell it as it is. Life, they say, is a journey; it has its ups and downs despite the fact that man must enjoy. Having the privilege to extensively associate myself with this write-up, I strongly believe Nana urankye has attempted to tell the world his personal experiences. Looking at it from differing perspectives, one may conclude that, but these are the usual experiences of any 'burger'. The pas faux is that, if someone doesn't tell it, how do people learn from what is seemingly obvious, which invariably only lie at the doorsteps of those who experience it – not the untraveled. Often times, it is the hunter who comes back home to tell his story to extol brave deeds within the forest and among the most feared creatures. The wise ponders as he silently listens to the 'brave hunter'. At the end of the story, which often tails off with hefty laughter, the wise only sighs and soliloquises, "Let's wait till the day that the lion also tells its story". About The Book, written by Mr. Osei Piesie-Anto, Dean, Strategic Studies African University College of Communication, No.2 Nelson Link, Adabraka, Accra, Ghana.

Beaufort Ron Leshem, 2009-02-24 Beaufort. To the handful of Israeli soldiers occupying the ancient crusader fortress, it is a little slice of hell—a forbidding, fear-soaked enclave perched atop two

acres of land in southern Lebanon, surrounded by an enemy they cannot see. And to the thirteen young men in his command, twenty-one-year-old Lieutenant Liraz “Erez” Liberti is a taskmaster, confessor, and the only hope in the face of attacks that come out of nowhere and of missions seemingly designed to get them all killed. But in their stony haven, Erez and his soldiers have created their own little world, their own rules, their own language. And here Erez listens to his men build castles out of words, telling stories, telling lies, talking incessantly of women, sex, and dead comrades. Until, in the final days of the occupation, Erez and his squad of fed-up, pissed-off, frightened young soldiers are given one last order: a mission that will shatter all remaining illusions—and stand as a testament to the universal, gut-wrenching futility of war. The basis for the Academy Award-nominated film of the same name.

Confessions of an Ex-Girlfriend Lynda Curnyn, 2012-08-15 Ex-Girlfriend Emma Carter has a lot on her mind. Her boyfriend got a life—in L.A. Her hairdresser found God. And that extra ten pounds of relationship flab she acquired while falling in love with a commitment-phobe has just put her out of the running for new romance—or so she thinks. But before Emma can get on with her life, she's got to face a few startling truths about being single in New York City.... Confession #5: Marriage suddenly seems like a social disease. Even the latest bride in my family—my mother—has put me to work in the service of her wedding day. What about us non-brides-to-be? Working in the warped little world of wedding planning has only led me to one conclusion: If you don't get married in this world, you get nothing. Once, in an editorial meeting, I jokingly suggested that a woman should get a bridal shower when she turns thirty, wedding or not. Everyone looked at me as if I were some kind of nut. I am 31 years old; am I not entitled to free Calphalon yet? Who ever thought that baring your soul could be this good?
