Ruth Fowler

**Girl, Undressed** Ruth Fowler,2009-05-26 A young British woman-broke and out of luck-does battle with Manhattan's underworld of dancers, drugs, and the sex industry Ruth Fowler is a twenty-five-year-old Brit with a Cambridge degree and a middle-class background who arrives in New York City with dreams of becoming a journalist. But getting a work visa in post-9/11 America proves to be tricky. It doesn't take long for funds and incentive to run out-sending Fowler to the heart of Manhattan's dark underbelly of strip clubs and the sex trade, where as her alter ego Mimi she works as a dancer for more than two years. Both raw and shocking, *Girl, Undressed* tells the harrowing story of her descent into darkness, the young and wealthy Eton-educated Englishman with whom she perilously falls in love, and her revelatory journey back to herself.

*The Healer* Virginia Boecker,2015-08-11 Don't miss this bewitching novella, set in the world of *The Witch Hunter*. John Raleigh, one of the youngest and most talented magical healers in all of Anglia, can relieve any ailment except, perhaps, his own broken heart. Since the deaths of his mother and sister who burned at the stake for witchcraft, John has spent his nights lost in nightmares and his days drowning in melancholy. That is until he's summoned to the home of Nicholas Perevil, the most powerful wizard in the kingdom, who suffers from a mysterious illness that has confounded every other healer. John immediately knows that this is no normal sickness. Nicholas, it seems, is falling apart because of a dangerous curse, and their only clue for a cure is a single name--Elizabeth Grey. Who is this girl and how has she become mixed up with such dark magic? John must put these questions aside when Elizabeth is brought to him from the palace's prison on the brink of death. It will take everything he has to save her, and to save Nicholas, but perhaps he'll manage to save his heart along the way. Word count: ~14,000 words

*The Philosopher's Pupil* Iris Murdoch,2010-07-20 A New York TimesNotable Book: An “ingeniously plotted” tale of tragedy, comedy, and small-town gossip (*The New York Times Book Review*). The quiet English town of Ennistone is known for its peaceful, relaxing spa—a haven of restoration, rejuvenation, and calm. Until the night George McCaffrey’s car plunges into the cold waters of the canal, carrying with it his wife, Stella. And until the village’s most celebrated son, famed philosopher John Robert Rozanov, returns home, upending the lives of everyone with whom he comes in contact. Stirred up by talk of murder and morality, obsession and lust, religion and righteousness, the residents of Ennistone begin to spiral out of control, searching for answers and redemption for the sins of their peers—and discovering more about themselves than they ever wanted to know. With breakneck plotting and intricately flawed characters, *The Philosopher’s Pupil* is a darkly humorous novel from the Man Booker Prize-winning author of *The Sea*, *The Sea*, masterfully exploring the human condition and the inherent blend of comedy and tragedy therein.

**The Undressing: Poems** Li-Young Lee,2018-02-20 Celebrated poet Li-Young Lee returns with a breathtaking new volume about the violence of desire and the peace of love. *The Undressing* is a tonic for spiritual anemia; it attempts to uncover things hidden since the dawn of the world. Short of achieving that end, these mysterious, unassuming poems investigate the human violence and dispossession increasingly prevalent around the world, as well as the horrors the poet grew up with as a child of refugees. Lee draws from disparate sources, including the Old Testament, the Dao De Jing, and the music of the Wu Tang Clan. While the ostensive subjects of these layered, impassioned poems are wide-ranging, their driving engine is a burning need to understand our collective human mission.

**Undress Your Stress** Lois Levy,2005-04 Take off tension and take back your life with a variety of simple techniques that will leave you soothed, stress-free and satisfied. When is the last time you: Danced around your living room? Screamed at the top of your lungs? Bought a box of crayons for yourself? Took a field trip? In quick, easy and not-necessarily-orthodox methods, *Undress Your Stress* will show you how to strip away stress and shed life's pressure.

How to Undress a Cop Sarah Cortez,2000-09-30 It's not every book of poetry that includes an ñOde to Body Armor.î But then, it's not every poet whose experience in academia includes a stint at the police academy. The poems of Sarah Cortez are tough-minded, verbally supple, and often deeply (even explicitly) erotic: You want me to come/ to you each night, drop my gun belt,/ lie along your muscled length . . . And each of these fifty lyric poems (with titles such as ñRosie Working Plain Clothes,î ñLas TÕas,î and ñAttempt to Locateî) displays Cortez's many facets: the street smarts of a law-enforcement officer (deputy constable in Houston's Harris County); the bilingual vocabulary of a proud Mexican American; the coolly analytic eye of a corporate accountant (as she once was); the linguistic dexterity of a Latin teacher (another former occupation); and the frank sensuality of a strong and spirited woman. Surveying fellow officers, friends, criminals, lovers, strangers, and family members, Sarah Cortez has learned that a bullet-proof vest may, with luck, protect the body, but keeping the heart from harm is a chancier and more mysterious affair. Long after the pages of *How to Undress a Cop* have been turned, her unique and distinctive voice will stir the blood and haunt the memory.

Undress Me in the Temple of Heaven Susan Jane Gilman,2009-03-24 They were young, brilliant, and bold. They set out to conquer the world. But the world had other plans for them. Bestselling author Susan Jane Gilman's new memoir is a hilarious and harrowing journey, a modern heart of darkness filled with Communist operatives, backpackers, and pancakes. In 1986, fresh out of college, Gilman and her friend Claire yearned to do something daring and original that did not involve getting a job. Inspired by a place mat at the International House of Pancakes, they decided to embark on an ambitious trip around the globe, starting in the People's Republic of China. At that point, China had been open to independent travelers for roughly ten minutes. Armed only with the collected works of Nietzsche, an astrological love guide, and an arsenal of bravado, the two friends plunged into the dusty streets of Shanghai. Unsurprisingly, they quickly found themselves in over their heads. As they ventured off the map deep into Chinese territory, they were stripped of everything familiar and forced to confront their limitations amid culture shock and government surveillance. What began as a journey full of humor, eroticism, and enlightenment grew increasingly sinister-becoming a real-life international thriller that transformed them forever. *Undress Me in the Temple of Heaven* is a flat-out page-turner, an astonishing true story of hubris and redemption told with Gilman's trademark compassion, lyricism, and wit.

**Holocaust Fiction and the Question of Impiety** David John Dickson,2022-10-10 This book discusses the issues underlying contemporary Holocaust fiction. Using Gillian Rose’s theory of Holocaust piety, it argues that, rather than enhancing our

understanding of the Holocaust, contemporary fiction has instead become overly focused on gratuitous representations of bodies in pain. The book begins by discussing the locations and imagery which have come to define our understanding of the Holocaust, before then highlighting how this gradual simplification has led to an increasing sense of emotional distance from the historical past. Holocaust fiction, the book argues, attempts to close this emotional and temporal distance by creating an emotional connection to bodies in pain. Using different concepts relating to embodied experience – from Sonia Kruks’ notion of feeling-with to Alison Landsberg’s prosthetic memory – the book analyses several key examples of Holocaust literature and film to establish whether fiction still possesses the capacity to approach the Holocaust impiously.

*The Brotherhood* Anslem Osasuyi,2019-12-10 The Brotherhood is an intriguing story of a matrix of the deadly operations of Nigerian university cult gangs and religious groups set in one of the most populous black nation’s foremost university. Capone Aboy, the head of the Black Eagles confraternity had planned to make his group the most respected and feared confraternity on campus. In order to achieve this, he had to raise funds, manipulate the political system of the Students Union Government and weaken rival confraternities. Everything was taking shape, until Sister Evelyn, a Christian fellowship leader came across his part. Although her effort to get him ‘born again’ was unsuccessful, a strange relationship had developed between the two. Things were going well for the confraternity until a series of errors by their hit-man triggered a bloody chain reaction which led to the death of several people, including Capone Aboy’s cousin. A cult war ensued leading to a trail of blood, deaths and destruction. In the moment of victory by the Black Eagles confraternity, Capone Aboy came to realize that despite achieving his desire on campus, his life was empty, and the only thing that meant anything to him was his love for Sister Evelyn.

**The typewriter** Andrea Lepri,2023-08-01 A cursed typewriter. A man sitting on the railing of a balcony. The protagonist of his novel. Two lives that weave together similar experiences, two paths in precarious equilibrium. Franco is sitting comfortably on the railing of the balcony of his house, on the third floor of the building where he lives. As if it were nothing unusual, he is reading the pages of the novel he has just finished writing and then lets them fall below, among the crowd of onlookers who have gathered to watch him. Believing that he is about to jump off, someone has called for help, and now a firefighter is coming up towards him with the mechanical ladder while in the distance you can hear the sirens of the police and ambulance. Regardless of all this, Franco keeps reading, incredulous. He did not believe that he could write a novel, and it seems impossible that he was able to finish it before the punishment arrived. Writing it, in fact, has cost him a lot: to succeed he has followed a path that led him to commit unspeakable acts. His wife is running to him to try to save him, in fact talking to him on the phone she has guessed that Franco has found her typewriter in the cellar, that machine that is said to be cursed. Meanwhile, he reads and remembers... Franco is convinced that love is the force that makes the world go round. Due to an accident at work, he is forced to spend the summer holidays alone, at home, convalescing. When they deliver the results of the tests, he will be able to leave and join his family on vacation, his wife and two children. After a long time, he finds himself having to spend an extended period in complete solitude, but he is no longer used to it and becomes very bored. While rummaging in the basement he finds an old typewriter and decides that he will write a novel to pass the time. It is the story of Mr. Carpetti, a lonely man who, having lost his love for life, is dying of a non-existent illness. When the doctor reveals that he has only a few months to live, he embarks on a journey that will lead him to change profoundly. During this journey he will meet a person who will take him with him on an incredible adventure that will lead him back to believing in the values of love. This person is Walter, a missionary doctor who is the victim of an international plot that has as its object the sale of expired medicines to third world countries. It is he who will teach Carpetti the love for life, for people and for things. But the machine that Franco is using to write this story has something strange about it: it is believed to have belonged to a crazy writer, a man who after writing a single masterpiece committed suicide, leaving an accusatory letter against the machine itself where he calls it cursed. As Carpetti goes through experiences of various kinds and completes his own journey towards salvation, Franco identifies himself more and more with Carpetti so as to tell the story it in the best way possible. Meanwhile, he establishes a very special relationship with the typewriter, he does not recognize some pages of the novel as his own and thinks that the machine wrote them. Although he fears that this will drive him crazy definitively, he feels he must write at all costs because when he leaves the typewriter he is seized by strange sensations, anguish, physical pain. Some recurring illnesses make him believe that he is seriously ill, that he has a disease that progresses day by day and that will soon lead him to die. As a result, he carries out in his mind the same experiences as Carpetti in a reverse journey and arrives at discovering the dark part of himself and questioning everything he believes in. The two stories take place in parallel and overlap each other, while the two key characters proceed on inverse paths. At a certain point, however, the two stories intertwine: both perform an act of violence on the same girl, Chica, a figment of Franco Translator: Barbara Maher PUBLISHER: TEKTIME

*Female Serial Killers* Peter Vronsky,2007-08-07 In this fascinating book, Peter Vronsky exposes and investigates the phenomenon of women who kill—and the political, economic, social and sexual implications buried with each victim. How many of us are even remotely prepared to imagine our mothers, daughters, sisters or grandmothers as fiendish killers? For centuries we have been conditioned to think of serial murderers and psychopathic predators as men—with women registering low on our paranoia radar. Perhaps that’s why so many trusting husbands, lovers, family friends, and children have fallen prey to “the female monster.” From history’s earliest recorded cases of homicidal females to Irma Grese, the Nazi Beast of Belsen, from Britain’s notorious child-slayer

Myra Hindley to ‘Honeymoon Killer’ Martha Beck to the sensational cult of Aileen Wournos—the first female serial killer-as-celebrity—to cult killers, homicidal missionaries, and our pop-culture fascination with the sexy femme fatale, Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity.
