Anne Rice Reader Katherine Ramsland,2010-12-22 A collection of the most fascinating essays, articles, and interpretations of bestselling author Anne Rice's complete works, by a variety of journalists and scholars. It includes a history of vampire literature, a professional dominatrix's examination of Rice's erotica, and a behind-the-scenes look at the making of the film version of Interview with the Vampire. From the adventures of the Vampire Lestat to those of the Mayfair Witches, from the evocative historical epic Cry to Heaven to the uninhibited erotica of Exit to Eden and the Sleeping Beauty trilogy, The Anne Rice Reader presents a captivating range of perspectives on the imagination of a writer who has enthralled her generation.

i missed me after the terror, during the years of unbearable sorrow: Alan Allen,2010-04-30 (Spring 2010) Local

parents warned about priests and nuns who gang rape and prostitute kids, tweens & teens in directory of clergy perps & perps in your neighborhood. i missed me after the terror, during the years of unbearable sorrow: trafficking the holy Spirit includes oral journalism of adults raped as kids and a parental directory of priests and nuns who gang rape and prostitute kids, tweens and teens. Book asks Angela Merkel, Michele Obama, Nancy Pelosi, Alessandra Mussolini and Oprah Winfrey to help remove state, federal, civil and criminal statutes of limitation for sexual assault of kids, tweens and teens. Author says, "To protect families we must remove civil, criminal, state & federal statutes of limitation for sexual assault of children by showing parents and legislators cliches of 'child abuse' mask violent serial sexual assault and child, tween and teen suicide. The book documents only a few U.S. priests and nuns rape children under 12, serially rape children under 11, gang rape children under 10, sodomize kids under 9, give kids AIDS, get 11 year olds pregnant, abort children and teenagers, ritually abuse kids, sexually assault kids, torture kids, prostitute and murder kids, and abandon their illegitimate children borne of kids they raped ... all at the same 1.5% percentile as perps & perps in society: of one million Catholic priests worldwide, only 15,000 sexually assault kids and teens; of ten million nuns, only 150,000 are perps & perps. An appendix, Where are the Children of Table 34?, exposes a study of the 'scientifically established' orgasm rates of infants, toddlers, preschool children, kids, tweens and teens cited in proponing today's standards of sex education in the classroom for kids too young to be exposed to sex education and helped set statutes of limitation for rape of women (there had been none) and the shift from rapists being guilty to women having to prove they didn't want to be raped. It likely influenced setting statutes of limitation for clergy crimes of sexual assault of kids, tweens and teens. It has come to light 'scientists using stopwatches' to document 'scientific studies' – now used to justify premature sexual education of elementary school-aged kids, were conducted by child rapists and child murderers. That is one reason statutes should be removed, or extended to the life of the child, or 'windowed', since the 'objective studies' were done by perps and perps. Another reason is, the psychiatric record establishes kids, tweens and teens sexually abused often commit suicide or repress the events for 20-30 years in order to not go crazy. They consequently make bad choices and live sad lives that never would have been, if they had not been sexually molested, assaulted, raped, serially raped, gang raped, prostituted and/or ritually abused. ABOUT THE AUTHOR & THE PHOTOGRAPHER Allen first published at 9 yrs old. Old Rails' Tales reviewed by NYT as one of best books of year.
