Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him,

including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Abraham Lincoln, Esq. Roger Billings, Frank J. Williams, 2010-11-01 Lincoln scholars explore the president's law career in this informative volume, examining his legal writings on matters from ethics to the Constitution. As our nation's most beloved and recognizable president, Abraham Lincoln is best known for the Emancipation Proclamation and for guiding our country through the Civil War. But before he took the oath of office, Lincoln practiced law for nearly twenty-five years in the Illinois courts. In *Abraham Lincoln, Esq.*, notable historiansexamine Lincoln's law practice and the effect it had on his presidency and the country. This volume offers new perspectives on Lincoln's work in Illinois as well as his time in Washington. Each chapter offers an expansive look at Lincoln's legal mind and covers diverse topics such as Lincoln's legal writing, ethics, Constitutional law, and

international law. Abraham Lincoln, Esq. emphasizes this overlooked period in Lincoln's career and sheds light on Lincoln's life before he became America's sixteenth president.

Neighbor Law Cora Jordan, 2006 So your neighbor's giant sequoia is blocking your view. Who ya gonna call? The search for a 'dispute buster' should end with this helpful new book. Sunset Magazine - For anyone with a neighbor problem, [Neighbor Law] is a handy book indeed. It walks the reader through written and common law, tells you what your rights are and how to follow through on a complaint all the way to court, if necessary.- Oakland Tribune - Explains how to use mediation services, research local laws, and present a convincing case in small claims court. - Reuters - Surprisingly, this is a fun read. The author includes interesting sidebars and court decisions to clarify her explanations. - Sacramento Bee - A Nolo book that gives practical, no-nonsense approaches to handling neighbor disputes. - Los Angeles Times - This classic book, which keeps getting better with each new edition, answers virtually all questions regarding fences, trees, boundaries and noise.- Orlando Sentinel - Jordan peppers the book with real stories of problems neighbors have with each other. The stories are interesting and, in some cases, hilarious. - Arizona Republic - Even if you don't have a serious neighbor problem yet, this well-written and complete book is a fun and educational read. It is extremely thorough and well-documented. 4 stars: excellent. - Robert Bruss, nationally syndicated real-estate columnist
