History of the United States, Volume 6 [eBook - NC Digital Library] Elisha Benjamin Andrews, 2010

These United States Glenda Elizabeth Gilmore, Thomas J. Sugrue, 2015-12-17 President Franklin Roosevelt told Americans in a 1936 fireside chat, "I do not look upon these United States as a finished product. We are still in the making." *These United States* builds on this foundation to present a readable, accessible history of the United States throughout the twentieth century—an ongoing and inspiring story of great leaders and everyday citizens marching, fighting, voting, and legislating to make the nation's promise of democracy a reality for all Americans. In the college edition of *These United States*, Gilmore and Sugrue seamlessly weave insightful analysis with all of the support tools needed by students and instructors alike, including paired primary source documents, review questions, key terms, maps, and figures in a dynamic four-color design.
