Muslim ibn al-Ḥajjāj al-Qushayrī

Sahih Muslim Hadith Imam Muslim, 2017-10-20 Imam Muslim (Muslim ibn al-Hajjaj) was born in 202 AH in Naysabur (817/818CE) and died in 261AH (874/875CE) also in Naysabur. He traveled widely to gather his collection of ahadith (plural of hadith), including to Iraq, Saudi Arabia, Syria and Egypt. Out of 300,000 hadith which he evaluated, approximately 4,000 were extracted for inclusion into his collection based on stringent acceptance criteria. Each report in his collection was checked and the veracity of the chain of reporters was painstakingly established. Sunni Muslims consider it the second most authentic hadith collection, after Sahih Bukhari. However, it is important to realize that Imam Muslim never claimed to collect all authentic traditions as his goal was to collect only traditions that all Muslims should agree on about accuracy. It is complete book 2 and book 3 of sahih muslim to guide the readers towards the path of sunnah

Fallacy of Militant Ideology Munir Masood Marath, 2021-09-05 This book highlights the conflict between jihadist militants and the West as essentially ideological in character. It has serious implications internalized by Muslim societies, with the boundaries of faith changed by the interplay of socio-political variables. Violence emerged in Muslim societies as a means of emancipation or identity when the state could not resolve the conflict situation. Although the militants were influenced by socio-political factors, they have always looked to religion to justify their acts of violence. This book, exposing the fallacy of the narrative evolved by the militants, offers a counter narrative. It reinterprets the primary sources, unravels the historical and socio-political constructs, unmask the heroes and enemies, challenges the dichotomies between theory and practice, re-establishes the boundaries between heresy and faith, and attempts to transform the current ideological discourse. ~ This book will be of interest to students and scholars of the discourse between religion and security, political Islam, Islamic history, jihad, Middle Eastern studies, and South Asian studies.

Infographics on Noble Character ShaykhPod Books, 2024-01-09 The following Infographics on Noble Character discuss some good characteristics Muslims must adopt and some bad characteristics they must avoid in order to Achieve Noble Character. Adopting Positive Characteristics Leads to Peace of Mind According to the Hadith found in Jami At Tirmidhi, number 2003, the Holy Prophet Muhammad, peace and blessings be upon him, has advised that the heaviest thing in the Scales of Judgement Day will be Noble Character. It is one of the qualities of the Holy Prophet Muhammad, peace and blessings be upon him, which Allah, the Exalted, complimented in Chapter 68 Al Qalam, Verse 4 of the Holy Quran: "And indeed, you are of a great moral character." Therefore, it is a duty on all Muslims to gain and act on the teachings of the Holy Quran and the traditions of the Holy Prophet Muhammad, peace and blessings be upon him, in order to Achieve Noble Character.

Islam and Britain Ron Geaves, 2017-11-02 Based on hitherto untapped source materials, this book charts the history of Muslim missionary activity in London from 1912, when the first Indian Muslim missionaries arrived in London, until 1944. During this period a unique community was forged out of British converts and native Muslims from various parts of the world, which focused itself around a purpose built mosque in Woking and later the first mosque to open in London in 1924. Arguing that an understanding of Muslim mission in this period needs to place such activity in the context of colonial encounter, *Islam and Britain* provides a background narrative into why Muslim missionary activity in London was part of a variety of strategies to engage with European expansion and overzealous Christian missionary activity in India. Ron Geaves draws on research undertaken in India and Pakistan, where the Ahmadiya missionaries have kept extensive archives of

this period which until now have been unavailable to scholars. Unique in providing an account of Islamic missionary work in Britain from the Islamic perspective, *Islam and Britain* adds to our knowledge and understanding of British Muslim history and makes an important contribution to the literature concerned with Islamic missiology.
