Emergency Contact Susan Peterson,2012-07-01 BEAUTIFUL WEAPON Tess woke up naked, confused and without a single memory. But she knew something terrible was about to happen. She could trust no one, but Dr. Ryan Donovan's soothing voice calmed her fears and called to her woman's heart. The trouble was, he worked for the enemy . Ryan had heard of sleepers before ordinary men and women brainwashed to perform horrible acts, but he couldn't believe Tess was capable of violence. She was beautiful and funny, and in desperate need of a protector. But when her nightmares increased, the clock began ticking down. If Ryan wanted to protect Tess, he had to first betray his closest of allies, and then stop her at all costs .

ACMG Core Guiding Skills Manual Association of Canadian Mountain Guides, The profession of guiding in North America has a long and distinguished history that dates back more than one hundred years. In that time, a great number of guides from around the world, including Canada, have used and revised traditional techniques and developed skills specifically suited to local areas. Today's guiding industry is based on this groundwork and continues to evolve at a significant pace. This manual defines technical guidelines for professional guides who are trained and certified by the Association of Canadian Mountain Guides (ACMG); however, no one person or organization can lay claim to the techniques included here.

Emergency Contact Mary H. K. Choi,2018-03-27 “Smart and funny, with characters so real and vulnerable, you want to send them care packages. I loved this book.” —Rainbow Rowell From debut author Mary H.K. Choi comes a compulsively readable novel that shows young love in all its awkward glory—perfect for fans of Eleanor & Park and To All the Boys I’ve Loved Before. For Penny Lee, high school was a total nonevent. Her friends were okay, her grades were fine, and while she’d somehow landed a boyfriend, they never managed to know much about each other. Now Penny is heading to college in Austin, Texas, to learn how to become a writer. It’s seventy-nine miles and a zillion light years away from everything she can’t wait to leave behind. Sam’s stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on

the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.
