

Us Historical Documents

William B. McAllister, Joshua Botts, Peter Cozzens, Aaron W. Marrs

American Historical Documents Charles William Eliot, 1910 Including: Voyages to Vinland; Letter of Columbus announcing his discovery; Amerigo Vespucci's account; John Cabot's discovery of North America; First Charter of Virginia; Mayflower Compact; Mecklenburg Declaration of Independence; 1783 treaty with Great Britain; 1803 treaty with France (Louisiana Purchase); 1850 Fugitive Slave act; 1865 Gen. Lee's surrender at Appomattox; 1867 treaty with Russia (Alaska Purchase); 1904 convention btw. the US and Panama; and others.

Documents for America's History, Volume 1 Melvin Yazawa, James A. Henretta, Kevin J. Fernlund, 2011-01-10 Designed to accompany America's History, Seventh Edition, this primary-source reader offers a chorus of voices from the past to enrich the study of U.S. history. Document selections written by both celebrated historical figures and ordinary people demonstrate the diverse history of America while putting a human face on historical experience. A broad range of documents, from speeches and petitions to personal letters and diary entries, paints a vivid picture of the social and political lives of Americans, encouraging student engagement with the textbook material. Brief introductions place each document in historical context, and questions for analysis help link the individual primary sources to larger historical themes.

10 Most Important US Historical Documents before 1965... And More Igor Boyko, 2022-07-27 This collection of documents is intended to help those who need to quickly find some important text from the history of the United States. From breathtaking The Declaration of Independence to the wonderful 'I Have a Dream speech' of Dr. Martin Luther King. The results of numerous surveys of U.S. citizens were taken into account in creating it. Especially since it is not easy to find them in a readable form today. So save yourself some time, which, as we know, is the universally recognized equivalent of money! We have already spent it for you in the creation of this book. Take care, friends!

The Federalist Papers Alexander Hamilton, John Jay, James Madison, 2018-08-20 Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was

an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

American Historical Documents Charles William Eliot, 1910 Including: Voyages to Vinland; Letter of Columbus announcing his discovery; Amerigo Vespucci's account; John Cabot's discovery of North America; First Charter of Virginia; Mayflower Compact; Mecklenburg Declaration of Independence; 1783 treaty with Great Britain; 1803 treaty with France (Louisiana Purchase); 1850 Fugitive Slave act; 1865 Gen. Lee's surrender at Appomattox; 1867 treaty with Russia (Alaska Purchase); 1904 convention btw. the US and Panama; and others.

Editing Historical Documents Michael E. Stevens, Steven B. Burg, 1997 This volume is aimed both at more experienced editors, who may wish to skip over the advice offered in the introduction, as well as at those who are new to the craft and want to know how to begin work on publishing historical documents of interest to them.

American Historical Documents, 1910 Including: Voyages to Vinland; Letter of Columbus announcing his discovery; Amerigo Vespucci's account; John Cabot's discovery of North America; First Charter of Virginia; Mayflower Compact; Mecklenburg Declaration of Independence; 1783 treaty with Great Britain; 1803 treaty with France (Louisiana Purchase); 1850 Fugitive Slave act; 1865 Gen. Lee's surrender at Appomattox; 1867 treaty with Russia (Alaska Purchase); 1904 convention btw. the US and Panama; and others.

American Historical Documents 1000-1904 Charles W. Eliot, 2010-01-01 Originally published between 1909 and 1917 under the name Harvard Classics, this stupendous 51-volume set-a collection of the greatest writings from literature, philosophy, history, and mythology-was assembled by American academic CHARLES WILLIAM ELIOT (1834-1926), Harvard University's longest-serving president. Also known as Dr. Eliot's Five Foot Shelf, it represented Eliot's belief that a basic liberal education could be gleaned by reading from an anthology of works that could fit on five feet of bookshelf. Volume XLIII features the texts that are, quite literally, the foundational elements of the United States of America, from an account of the discovery of North America by Leif Ericsson and a letter from Christopher Columbus announcing his landing in the New World, to the Mayflower Compact and the Declaration of Independence, to Lincoln's Gettysburg Address and the treaty cementing the purchase of Alaska from Russia, to the 1904 convention between the U.S. and the Republic of Panama.

Astonishing in their immediacy, these firsthand documents offer a condensed view of the political progress of the American people.

Toward "thorough, Accurate, and Reliable" William B. McAllister, Joshua Botts, Peter Cozzens, Aaron W. Marrs, 2015 *Toward Thorough, Accurate, and Reliable* explores the evolution of the Foreign Relations of the United States documentary history series from its antecedents in the early republic through the early 21st century implementation of its current mandate, the 1991 Foreign Relations statute. This book traces how policymakers and an expanding array of stakeholders translated values like security, legitimacy, and transparency into practice as they debated how to balance the government's obligation to protect sensitive information with its commitment to openness. Determining the people's right to know has fueled lively discussion for over two centuries, and this work provides important, historically informed perspectives valuable to policymakers and engaged citizens as that conversation continues. Policymakers, citizens, especially political science researchers, political scientists, academic, high school, public librarians and students performing research for foreign policy issues will be most interested in this volume. Other related products: Available print volumes of the Foreign Relations of the United States (FRUS) series can be found here:

Our Documents United States. National Archives and Records Administration, 2006-07-04 Publisher Description

World War II (1939-1946) Michael Shally-Jensen, 2015 This volume provides readers with a new, interesting way to study the impact of World War II on American history. Through in-depth analysis of important primary documents from 1936 to 1947, readers will gain new insight into the causes, issues, and lasting effects of this pivotal time in American history.

Voices of the American Past Raymond M. Hyser, J. Chris Arndt, 2012 **VOICES OF THE AMERICAN PAST** is a two-volume reader that presents a variety of diverse perspectives through more than 240 primary sources. Excerpts from speeches, letters, journals, magazine articles, hearings and government documents raise issues from both public and private aspects of American life throughout history. A "Guide to Reading and Interpreting Documents" in the front matter explains how and why historians use primary source evidence, and outlines basic points to help readers learn to analyze sources. Brief headnotes set each source into context. "Questions to Consider" precede each document, offering prompts for critical thinking and reflection. The volumes are organized chronologically into 27 chapters, with the Reconstruction chapter overlapping in both volumes.

Voices of the American Past: Documents in U.S. History Raymond Hyser, J. Arndt, 2007-06-04

VOICES OF THE AMERICAN PAST is a two-volume reader that presents a variety of diverse perspectives through more than 230 primary sources. Excerpts from speeches, letters, journals, magazine articles, hearings and government documents raise issues from both public and private aspects of American life throughout history. A Guide to Reading and Interpreting Documents in the front matter explains how and why historians use primary source evidence, and outlines basic points to help students learn to analyze sources. Brief headnotes set each source into context. Questions to Consider precede each document, offering prompts for critical thinking and reflection. The volumes are organized chronologically into 31 chapters, with the Reconstruction chapter overlapping in both volumes -- corresponding to the splits of most survey texts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Women's Rights in the United States Winston Langley, Vivian C. Fox, 1998-12-09 The 125

historical documents in this unique volume bring to life the triumphs, disappointments, and enduring contributions of women's struggle for equal rights in America. This work also reveals often-surprising sources of opposition, such as Abraham Lincoln and the U.S. Supreme Court. Organized into five chronological periods, the documents provide a flavor for the time period in which they were written. Each period and each document is preceded by an explanatory introduction that puts it in historical context. A chronology of significant dates in the history of American women's rights, a topically organized bibliography, and a list of women's organizations for further information completes the work.

A National Program for the Publication of Historical Documents United States. National Historical Publications Commission, 1954 A selective list of documentary historical publications of the United States Government, p. 98-106.

Reading the American Past: Volume II: From 1865 Michael P. Johnson, 2012-01-05 With five carefully selected documents per chapter, this two-volume primary source reader presents a wide range of documents representing political, social, and cultural history in a manageable, accessible way. Thirty-two new documents infuse the collection with the voices of an even wider range of historical actors. Expertly edited by Michael P. Johnson, one of the authors of *The American Promise*, the readings can be used to spark discussion in any classroom and fit into any syllabus. Headnotes and discussion questions help students approach the documents, and comparative questions encourage students to make connections across documents. Reading the American Past is FREE when packaged with *The American Promise*, *The American Promise: A Compact History*, and *Understanding the*

American Promise. For more information on the reader or on package ISBNs, please contact your local sales representative or [click here](#)

Surface Temperature Reconstructions for the Last 2,000 Years National Research

Council, Division on Earth and Life Studies, Board on Atmospheric Sciences and Climate, Committee on Surface Temperature Reconstructions for the Last 2,000 Years, 2007-01-05 In response to a request from Congress, Surface Temperature Reconstructions for the Last 2,000 Years assesses the state of scientific efforts to reconstruct surface temperature records for Earth during approximately the last 2,000 years and the implications of these efforts for our understanding of global climate change. Because widespread, reliable temperature records are available only for the last 150 years, scientists estimate temperatures in the more distant past by analyzing proxy evidence, which includes tree rings, corals, ocean and lake sediments, cave deposits, ice cores, boreholes, and glaciers. Starting in the late 1990s, scientists began using sophisticated methods to combine proxy evidence from many different locations in an effort to estimate surface temperature changes during the last few hundred to few thousand years. This book is an important resource in helping to understand the intricacies of global climate change.

Voices of the American Past Raymond M. Hyser, 2004-06 Presents a variety of diverse perspectives through more than 230 primary sources. Offers well known primary sources such as Federalist 10 and President Eisenhower's farewell address, as well as Cotton Mather's admonitions on the evils of self-pollution, a woman's description of the southern homefront during the Civil War, John Muir's essay on American forests, and recent East Asian immigrant's description of life in America.

Alexandra Petri's US History: Important American Documents (I Made Up) Alexandra

Petri, 2023-04-11 "Satire at the highest level.... [A] godsend of a book." —Amy Fusselman, Washington Post A witty, absurdist satire of the last 500 years, Alexandra Petri's US History is the fake textbook you never knew you needed! As a columnist for the Washington Post, Alexandra Petri has watched in real time as those who didn't learn from history have been forced to repeat it. And repeat it. And repeat it. If we repeat history one more time, we're going to fail! Maybe it's time for a new textbook. Alexandra Petri's US History contains a lost (invented!) history of America. (A history for people disappointed that the only president whose weird sex letters we have is Warren G. Harding.) Petri's historical fan fiction draws on real events and completely absurd fabrications to create a laugh-out-loud, irreverent takedown of our nation's complicated past. On Petri's deranged timeline, John and Abigail Adams try sexting, the March sisters from Little Women are sixty feet tall, and Susan Sontag

goes to summer camp. Nearly eighty short, hilarious pieces span centuries of American history and culture. Ayn Rand rewrites The Little Engine That Could. Nikola Tesla’s friends stage an intervention when he falls in love with a pigeon. The characters from Sesame Street invade Normandy. And Mark Twain—who famously said reports of his death had been greatly exaggerated—offers a detailed account of his undeath, in which he becomes a zombie. This side-splitting work of historical humor shows why Alexandra Petri has been hailed as a genius,* a national treasure,† and one of the funniest writers alive‡. *Olivia Nuzzi, Katha Pollitt †Julia Ioffe, Katy Tur, John Scalzi, Chuck Wendig, Jamil Smith, and Susan Hennessey ‡Randall Munroe

Document-based Assessment Activities for U.S. History Classes Kenneth Hilton,1999 Covers significant eras in U.S. history. Encourages students to analyze evidence, documents, and other data to make informed decisions. Includes guidelines for students, answer prompts, and a scoring rubric. Develops essential writing skills.
