Life Makeover Dominique Sachse, 2022-04-05 Have you ever been so overwhelmed by responsibilities or other people's needs that you forgot to make time for yourself? They say beauty is only skin-deep, but there is power in embracing your outward beauty as the first step in living with internal boldness, confidence, and renewed joy. An outside-in approach to beauty isn't for other people's perception of you, but for your interpretation of yourself and how much you're willing to explore. Sachse has confirmed the unmistakable link between external appearance and self-confidence, and she wants to show you how to rekindle both. In the pages of this book, Sachse offers a vulnerable look into her own mistakes and imperfections and explains how making over her outward appearance resulted in a happier and healthier version of herself—emotionally, spiritually, and physically. Filled with confidence-boosting wisdom about cultivating rest and lifegiving hobbies, Sachse shows you: how making small changes to your outward appearance can be a pathway to building confidence and making other new transformations in your life practical tips about hair, makeup, and fashion from an expert the benefits of taking bold risks – your life is too valuable to be left on autopilot how to analyze your past and see where you self-sabotaged, and look for traits that served you well and can serve you in the future Sachse knows no amount of makeup can compare to the look of a confident, classy, and kind woman, and that there's nothing like the glow that comes from inner beauty. It's time to discover—or

rediscover—who you really are and live your life to the fullest.

The Hungover Cookbook Milton Crawford,2012-09-24
Hangovers and what to do with them...the perfect gift for every occasion! Hangovers and what to do with them...the perfect gift for every occasion! The morning after - the drilling headache, the waves of nausea, the paranoia, the guilt, the shame - yes, it's the dreaded HANGOVER. We have all been there. But while most of us are familiar with the general misery, less well known are the nuances of the hungover state. According to P.G. Wodehouse there are six different types of hangover that can bring the high-spirited reveller of the previous night to their knees in the morning. They are: The Broken Compass, The Sewing Machine, The Comet, The Atomic, The Cement Mixer and The Gremlin Boogie. Each of these has very different and specific characteristics, and the treatments for each are by necessity varied. At last, we give you *The Hungover Cookbook*, a self-help manual that helps the morning after drinker to identify the nature of their hangover and tailor the treatment accordingly, with recipes and remedies that precisely suit the sufferer's state of mind - and body. With comforting and restorative recipes [s1] including: huevos rancheros (Mexican fried eggs); devilled kidneys on toast; kedgeree; hot bloody mary; special mustard & cheese mash with sausages; blue cheese on toast with pears and pickle; lemon and demerara sugar pancakes; knickerbocker glory with refresher sweets, and, of course, inevitably, the perfect

bacon sarnie. This beautifully produced book does not promise the reader 'a cure' but it does offer some fun, and some good food, on the road to recovery. For those of a ginger disposition, it will offer a soothing experience, not just a list of ingredients, and transforms dealing with a hangover into a subtle, multi-faceted art rather than merely chucking a 'full English' at it. Milton Crawford Milton Crawford was born somewhere north of the Zambezi and west of the Rift valley in a small town in the middle of Africa. He has travelled the world in search of good liquor and in an attempt to outrun the hangovers that seem to follow him wherever he goes. He is an author and journalist, and in keeping with the most honourable traditions of the writing profession, a drinker of distinction. His previous books have been published under a more sober alias.
