*A Token of My Affection* Barry Shank,2004 For more than 150 years, greeting cards have tapped into and organized a shared language of love, affection, and kinship, becoming an integral part of American life and culture. Sumptuously illustrated, *A Token of My Affection* follows the evolution of the modern greeting card industry from a traditional printing and stationery business in the mid-nineteenth century to the multibillion-dollar industry it is today. Blending archival research in business history with a study of surviving artifacts and a literary analysis of a range of relevant texts and primary sources, Barry Shank demonstrates how greeting cards have affected and defined experiences of status, longing, desire, social connectedness, and love. Fascinating and surprising, *A Token of My Affection* shows what an industry devoted to emotional sincerity means for the lives of all Americans.

**The Changed Valentines and A Romance of St. Valentine's Day** Elizabeth F. Guptill, 2017-06-17 Valentine's Day, also called Saint Valentine's Day or the Feast of Saint Valentine, is an annual holiday celebrated on February 14. It originated as a Western Christian liturgical feast day honoring one or more early saints named Valentinus, and is recognized as a significant cultural and commercial celebration in many regions around the world, although it is not a public holiday in any country. Several martyrdom stories associated with the various Valentines that were connected to February 14 were added to later martyrologies, including a popular hagiographical account of Saint Valentine of Rome which indicated he was imprisoned for performing weddings for soldiers who were forbidden to marry and for ministering to Christians, who were persecuted under the Roman Empire. According to legend, during his imprisonment, Saint Valentine healed the daughter of his jailer, Asterius, and before his execution, he wrote her a letter signed Your Valentine as a farewell. The day first became associated with romantic love within the circle of Geoffrey Chaucer in the 14th century, when the tradition of courtly love flourished. In 18th-century England, it evolved into an occasion in which lovers expressed their love for each other by presenting flowers, offering confectionery, and sending greeting cards (known as valentines). In Europe, Saint Valentine's Keys are given to lovers as a romantic symbol and an invitation to unlock the giver's heart, as well as to children, in order to ward off epilepsy (called Saint Valentine's Malady). Valentine's Day symbols that are used today include the heart-shaped outline, doves, and the figure of the winged Cupid. Since the 19th century, handwritten valentines have given way to mass-produced greeting cards.
