Love Lines Alfred Colo, John Offord, 2009-06-16 Until something goes wrong, we take our hearts for granted. Heart-Smart-Gurus, inspired by long research, point to that bright red Valentine in our chests, pumping tirelessly and endlessly on our behalf. But one day textbook cardiogram wiggles, veer off the chart and we are pronounced, however gently, cardiologically in-correct. We feel betrayed. We more or less, thought we were doing everything right so, whats gotten into our ticker, that loyal, lifeline friend? Time for one thing, heart sore for another, Hearts are only human after all. Whats a longevity-seeker to do, especially if blessed with enough heart-health insurance to make high-tech opportunities, breakdownaffordable? The concept of preventing heart ache, arresting it, or reversing it, is Valentines number one topic. For me its a question of flat out prevention, to heal the heart emotionally, via a softening process designed to protect the precious pump. Accumulation of blockage is what causes arterial malfunction. Deprived of emotional oxygen, our own hearts cannot dilate freely. Regular exercise may prevent an attack, and insure loves longevity. Superman has nobody, doesnt need a seat belt, nor even a plane. Are you flying solo? Be a friend. Find a lover. No man is an island. A centuries-old someone pointed out: Friendship doubles our joy and divides our grief. When needed, good friends give major doses of encouragement on short notice, as do family supporters when trouble finds us. A circle of wagons is a supreme conductor for immediate shelter against stray enemy arrows. The John Wayne, strong, silent type, I dont need anybody and men dont show love mentality, isnt macho, man, but flat out stupid! In this writers paraphrase, Samuel Johnson admonished, If a man does not renew his friendships, and make new acquaintances, he finds himself playing alone as he grows, too-soon old and too-late smart. One must keep friendships in constant repair. Has your friendship grown distant, worn thin, been allowed to slip away? Do a bit of friendship

repair with a welcome oil-change, and a few new points and plugs. Invite a friend or lover to do lunch: Whatever it takes, fix it: Whatever it needs, mend it: Whenever it bleeds, move on to a more worthy and willing recipient of your hearts affections. An old Scottish proverb states, He who ceases to be your friend never was a good one. In other words, with friends like you, who needs enemies? While youre at it, start at home with your significant other. Maintain this key friendship when it warrants home-improvement. Remember, your mate reads you like a book, which ought not be a mystery novel. Perhaps you need to uncover the tinfoil to let her read the introduction and to truly reveal your heart, by allowing her not just to scan but to study all its pages. A woman, who is allowed this look-see inside her mates heart, is the one who becomes and remains your life-long best friend, partner and home companion. A Promise Keeper, fueled by faith, fired with compassion and true to God, achieves unconditional passions for love of life, love of wife, of relatives and friends, co-workers, and parishioners, and has love to spare even for enemies. So turn the other cheek. The other kiss may be love-saving. To have a friend is to be one; its the beginning of relationships that lead to loves: paternal, filial, (described as fraternal), as in Philadelphia, (city of brotherly love), and Eros, even if the arrows point in alternate-lifestyle directions, and sex without love or marriage. Agape love, of course, is the ultimate love of our Creator for his Creation, leading to Eternal Love, if you will, that Father-God promises His children. To love one another as He loves us, is not a request, but a command, from the Nurturer who furnishes the glue to make it stick. Can you buy love? Sure, if youre shopping for a convenient kind, tried and untrue. You can only earn respect by modeling love. It is o

Fourteen Days of Valentines Charlee James, 2022-02-07 She's looking for closure, but he wants an opening... For three years, contractor Savannah Chapman has carried on her late fiancé's tradition of anonymously donating toys and cards to the Caring Heart Kids' Club during the two weeks leading up to Valentine's Day. But knowing she needs to move forward with her life, she decides this will be her last year playing Cupid—until her identity is discovered by a volunteer. Suddenly he's convincing her to honor a past contracting bid and tempting her to feel things she knows she shouldn't. Adam Kelly, a child psychiatrist and club volunteer, is an expert at helping others while always ignoring his own heart. But when he meets the beautiful and kind-hearted Savannah and learns what drives her, hurts from his own past resurface. He strikes a deal with Savannah: if she'll complete the club's much-needed expansion, he'll take over her secret Valentine duties so she can move forward guilt-free. Will the club be the glue Savannah and Adam can use to build a new life together, or will the past tear them apart?

Valentines Ted Kooser,2008-02-01 For Valentine's Day 1986, Ted Kooser wrote "Pocket Poem" and sent the tender, thoughtful composition to fifty women friends, starting an annual tradition that would persist for the next twenty-one years. Printed on postcards, the poems were mailed to a list of recipients that eventually grew to more than 2,500 women all over the United States. Valentines collects Kooser's twenty-two years of Valentine's Day poems, complemented with illustrations by Robert Hanna and a new poem appearing for the first time. Kooser's valentine poems encompass all the facets of the holiday: the traditional hearts and candy, the brilliance and purity of love, the quiet beauty of friendship, and the bittersweetness of longing. Some of the poems use the word valentine, others do not, but there is never any doubt as to the purpose of Kooser's creations.

The Valentine Project Susan Lute,2023-02-01 A Valentine's Day promise sixteen years in the making... Deputy Mayor Gwen Olsen has big plans to put her own stamp on the revitalization of Angel Point. She grew up in the charming coastal town, loves its quaint downtown, and she's confident she'll be voted mayor if her ideas bring in more prosperity. But this Valentine's Day, the only thing rolling into town is Carson Loman, her childhood BFF who made a pact with her, sealed it with a kiss, then moved to Chicago and ghosted her. Now his adopted teenage son needs stability, so he's accepted the fire chief position—and the place on Gwen's committee that comes with it. She's the same witty

Gwen with a successful track record to go with it. His son's welfare drives his future, but Carson's still a solid rock to lean on. So are they merely caught up in honoring a childish promise to marry if they're both single at 35, or should they seize this chance for a happier future than they could have ever planned?

Free Radicals and Aging Ingrid Emerit, Chance, 2013-03-13 Among the various theories proposed to account for the process of aging, the free radical theory is of practical interest since it includes the possibility of retarding this process by administering natural or synthetic antioxidants and free radical scavengers. The book Free Radicals and Aging summarizes knowledge accumulated during recent years in 42 reviews written by experts in the field. Aspects of free radical involvement in the intrinsic aging process and in age-related diseases, as well as the importance of the pro-antioxidant balance throughout life are discussed. Epidemiological studies from several European countries are reported showing correlations between low plasma levels of essential antioxidants and the occurrence of coronary heart disease, cancer and cataract formation. Appropriate nutrition as well as prophylactic and therapeutic use of antioxidants are considered. This book represents a milestone in the field of age-related free radical biology and medicine. With contributions by: A. Azzi, B. Chance, R.G. Cutler, H. Esterbauer, P.H. Evans, F. Gey, C. Guarneri, D. Harman, N.I. Krinsky, M. Meydani, J. Miquel, A. Mori, L. Packer, C. Rice-Evans, M. Simic, A. But when Cleo's store officially becomes part of the bookstore chain, Mark will become her boss...and completely off limits.
