The Frugal Woman's Guide to a Rich Life Thomas Nelson,2003-10-13 The Frugal Woman is not cheap. She's a cost-conscious, savvy consumer who avoids wasting her time, her money, and her energy on things she does not need. She's organized about her money management, spending, and household planning. She makes decisions based on her own needs and values. She's in control of her life. The Frugal Woman dresses her kids in brand-name clothes, gets her hair done in salons, buys antique furniture eats gourmet meals, gives gifts that wow her friends and family - and all the while socks money away in her savings and retirement account, living free of credit card debt, and feeling secure about tomorrow while enjoying today. The Frugal Woman's Guide to a Rich Life tells how to be just such a Frugal Woman - how to make the best use of what you already have, how to identify what you really need in your life (and what you don't), how to get the necessities (and even a few luxuries) for less, and how to cut down on your and the earth's wasted resources.

The Postal Record ,2009

The Little Book of Big Savings Ellie Kay,2009-08-18 Be richer by this time tomorrow Every month you spend money in twelve major categories. And at the end of each month, you scratch your head and wonder, Where did it all go? In The Little Book of Big Savings, America's Financial Expert,® Ellie Kay, will help you uncover the extra cash just waiting to be found in every area of your life. Not only will you never again wonder where your cash went, you will have extra to save-and even to share. Don't mindlessly let hundreds of dollars slip out of your ATM every month. Ellie's practical advice will show you: •How one phone call

could save you \$500 a year or more •How your kids can get a great education without breaking the bank •Three ways your water heater can save you money •Why giving away money is one of the best ways to save it •How to save up to 50% on your online purchases Plus hundreds of other tips that will loosen your budget without sacrificing your lifestyle. Soon you'll find what you want the most when it comes to your finances: peace of mind.

The Project Manager's Guide to Mastering Agile

Charles G. Cobb,2023-03-03 THE PROJECT MANAGER'S GUIDE TO MASTERING AGILE Updated guide to Agile methodologies, with real-world case studies and valuable frameworks for project managers moving to Agile The Project Manager's Guide to Mastering Agile helps project managers who are faced with the challenge of adapting their project management approach to an Agile environment, showing how these approaches can work jointly to improve project outcomes in any project, with discussion topics and real-world case studies that facilitate hands-on learning. It also provides project managers with the fundamental knowledge to take a leadership role in working with companies to develop a well-integrated, enterprise-level Agile Project Management approach to fit

their business. The original edition of this book has been very successful and is used as a graduate-level textbook in several universities. This new edition builds on the success of the original edition and includes updated content from the latest PMBOK Guide, updated sections on stakeholder management, value-driven delivery, adaptive planning, and distributed project management, with an all-new chapter on Hybrid project management. It also includes new case studies on applying an Agile Hardware Development at Tesla and Project Management in a non-software environment. Sample topics covered in The Project Manager's Guide to Mastering Agile include: Bridging the chasm in project management philosophies, impact on the project management profession, evolution of Agile and Waterfall, and learning to see Agile and traditional plan-driven project management as complementary to each other rather than competitive The roots of Agile and understanding Agile at a deeper level including the Agile manifesto from 2001, adapting an Agile approach to fit a business, and Scrum overview, roles, framework, principles, and values Time-boxing, Kanban, and theory of constraints, Agile estimation overview and estimation practices, and velocity and burn-down/burn-up charts Scaling Agile to an enterprise level, including challenges, obstacles to overcome, implementation considerations, management practices, and enterprise-level Agile transformations With comprehensive, accessible, and highly practical coverage of Agile, a leading project management platform, The Project Manager's Guide to Mastering Agile is a highly valuable resource for professional project managers, students studying project management, and those studying for PMI's Agile Certified Practitioner Certification (PMI-ACP).

Just a Click Away Barbara K. Kaye, Norman J.

Medoff,2001 This book examines online advertising its robust past, amazing present, and likely future directions. From its modest beginnings, advertising on the Internet quickly has become a multibillion dollar business. This text discusses the power and potential of the Internet as an advertising medium and focuses on how the Internet can be utilized best to deliver effective messages. Just a Click Away: Advertising on the Internet is the first in a series of three books that look at various aspects of mass communication and the Internet (the other two books, on broadcasting and public relations, will be published in the next two years). An accompanying website (www.abacon.com/kaye) provides further information and updates material in this ever-changing field.
