How to Practice Vedic Astrology Andrew Bloomfield,2003-07-14 A comprehensive guide to understanding and practicing Vedic astrology, the art of jyotish. • Teaches beginners how to read and interpret Vedic astrology charts, based on their own birth chart as well as the birth charts of 112 notable people. • Shows how to use Vedic astrology to anticipate upcoming events and direct the cosmic energies of one's life toward a positive future outcome. For over 5,000 years the people of India have used jyotish, or Vedic astrology, to anticipate future influences and make major decisions. Now Andrew Bloomfield brings this increasingly popular tool to the West in an easy-to-follow, comprehensive format, providing the reader with everything needed to practice the Indian art of predicting the future. Vedic astrology was codified by the ancient Maharishis to help people achieve the four basic goals of human existence: kama (desire), artha (wealth), dharma (life purpose), and moksha (spiritual growth). Unlike other forms of astrology, Vedic calculations focus more on the primal, unconscious, driving forces linking our thoughts and actions. How to Practice Vedic Astrology shows how to make accurate predictions on when to expect life's changes concerning one's career, love life, children, or spirituality.

Understanding Relations - The Vedic Astrology Way ALKA VIJH, 2012-11-15 This book is about understanding equations of relationships with the help of Vedic Astrology. One cannot ignore the importance of relationships in life and always desires to be loved and respected by others. The book gives an approach for making relationships better if one understands the potential of planets in the birth chart. By

understanding the weak and strong points in the chart one can mould himself accordingly and move in the right direction to get the desired result and improve his relationships and living.. In each chapter - the converse charts are taken to describe the events however it is advisable that no prediction should be made by studying the charts on the surface only. All factors should be taken into consideration while predicting an event and the reading should be done by scientific approach only. A special chapter in the beginning is given for the reader to make him understand the terminology and its role in understanding the chart which will then enable him to understand and improve his relations via Vedic Astrology easily. Though the calculative part has been explicitly ignored to make reading easy, the combinations, the in depth analysis and use of simple tools, the use of converse charts and their analysis will stimulate the mind for deep study and make it interesting for all. Each chapter is supported with suitable examples. All cases taken are genuine and supported by real incidents. The book is a result of some authentic research done by the author over the years. #v&spublishers

VEDIC ASTROLOGY FOR BEGINNERS A. M.Latha,2016

Rahu and Ketu in Predictive Astrology: North and South Nodes of the Moon Dr Prem Kumar Sharma,Manisha Koushik,2024-02-24 It is a well-established fact that since Vedic astrology has its basis in Vedic knowledge, it is as old as human creation and has been used from time immemorial to dispel the unfounded horrors and prejudices of the human mind. Rahu and Ketu, the two nodal points of the Moon, constitute the core of Vedic astrology. Ancient Indian seers visualised the north and the south nodes of the

Moon as the most interesting and mysterious planetary influences. However, Rahu and Ketu have either been ignored or misunderstood in studies of Vedic astrology. This book is an attempt to dispel the darkness that surrounds Rahu and Ketu so that they can be better understood and their importance in Vedic astrology appreciated. By no means the final word on Rahu and Ketu, this book attempts to provide readers with a practical understanding of these two nodes so that they can be placed in perspective. The book also provides other insights into Vedic astrology. The use of horoscopes of some prominent persons makes an understanding of Rahu and Ketu easier both for astrology enthusiasts and for other readers.

Vedic Astrology for Beginners Latha A, 2016-12-23 In our lives at some point of time we may come across certain situations which may take our peace of mind in order to move ahead or get rid of that rut. This all happens due to our past Karmic influences. As a human beings in spite of all efforts, we struck there and helplessly looking for someone to lend their hand to come out of it. But very few people come to us at that point of time to help us and many times we need to undergo severe pains and sufferings to move forward. Here comes the astrology the divine cosmic science which helps us to read and understand our karmic structure through the natal horoscope chart. In order to understand our karma either we need to go to an astrologer or one has to learn by themselves to read the chart. The future predicted by the astrologer may come true or not depending on several factors of your birth details and knowledge of the astrologer. So for those who want to analyze their chart by self-learning is very helpful. But astrology is not an easy science to learn for a novice without some support. Again, finding a person and taking the course is tedious because of professional and family issues. Here comes the role of good books which helps you to learn it

easily. Hence, for those in need of it, this basic book has been written with maximum care, so that you can read any advanced book after going through this. The book covers the essential fundamental concepts which are required to understand your astrological chart. The science is itself is a big ocean to put in the form of a book. But in order to experience it, a drop of knowledge is given here. Here you can say something like you are learning the Alphabets of Astrology. But this is only a beginning, an end is limitless. So, enjoy reading this book. It is not for any advanced astrology lovers. If you want to understand some advanced concepts of astrology learn the basics very well. Good Luck!!!

Have you ever wanted to know more about other systems, including Vedic or eastern astrology, to complement your existing knowledge? Have you found yourself being curious on how to utilise new predictive tools to derive deeper insights about yourself? If so, then this astrology book could elevate you to the next stage when it comes to understanding the fascinating world of astrology and open your eyes to how much more to astrology there is beyond the construction of a natal birth chart, understanding the zodiac signs, planets and houses. This book will teach you, in a simple way, how to confidently apply the principles of Vedic astrology to go beyond a basic knowledge of astrology and help you really get beneath the surface. Vedic Astrology: The Map of Destiny aims to give you the power to be able to interpret your Vedic chart in a way that unlocks the true direction of your life, including in love

and life purpose. In this book you will discover: The building blocks of eastern astrology: and how western astrology provides a basis for the more complex techniques of eastern astrology, as well as explaining the differences and similarities in an accessible way so you can move to the next level. The mystery of the constellations: which are the secret keys to understanding the positions of the planets, as well as looking at the mythology and symbolism of each of the constellations or nakshatras and how their position will give you much more depth to your interpretations. The role of the Nodes: by looking at the North and South Nodes of the Moon and what their special significance is in Vedic astrology and why they are the secret to identifying your true desires in the material world as well as your secret obsessions and blind spots. The significance of the divisional charts: and the way that in Vedic astrology you have many more birth charts to analyse which together provide a complete road map to understanding different areas of your life. The planetary signifiers: which provide an extremely simple way of reading your chart by just looking at one key planet, through which you can gain insight into the most important people in your life, including your parents, siblings, spouse and children. The fate of your love life: and techniques with step-by-step examples that show you how to analyse the kind of love and marriage you may have, the characteristics of your partner, as well as information on how to predict the timing of key events in love. Your true life purpose: explored in the last section of the book, which guides you on how to find possible career directions based on your key eastern birth charts and planetary positions, as well as using the concept of karakas, to hone in on your vocation and life purpose. This book will help you get to grips with Vedic astrology and allow you to incorporate these exciting techniques to your existing astrological toolkit. This book allows you

to go beyond the rote meanings of beginner astrology, go beyond using astrology to navigate the everyday, and start using astrology to really assist you in finding the way in which you can make your unique contribution to the world by tapping into your personal astrological signature. So, get this book today and get a new level of insight and increase your knowledge in your journey towards becoming a successful astrologer.

Vedic Astrology & The Vedas Manjula Tara,2022-03-21 Vedic Astrology has existed for thousands of years. First, passed on orally through generations and eventually written down for all to acknowledge. These large body of religious texts are called the Vedas which are some of the oldest scriptures of Hinduism. The Vedanga Jyotisha is one of the earliest texts about astronomy within the Vedas and it states that everything that you do in life is influenced by the positions of the stars and Planets at the moment of your birth. Vedic astrology dictates that everything that you do in life is influenced by the positions of the stars and Planets at the moment of your birth. It asserts that you are born according to karmic justice and judgment and that karma is written out into the stars at that exact moment. For this reason, people have turned to the skies for thousands upon thousands of years to begin to decipher the karmic workings and understand why their lives work the way they do.
