**Lady Luck's Map of Vegas** Barbara Samuel, 2008-12-18 A successful Web designer, forty-year-old India has a fabulously hip life in Denver and a sexy Irish lover in New York who jets out to see her on bi-weekly visits. The long-distance romance suits India just fine: Though Jack is the only man who has ever made India feel truly alive, she doesn't want things to get too serious. But then her father passes away, and India must honor the promise she made to him: to look after her mother when he's gone. Suddenly India finds herself back in Colorado Springs with the woman who both intrigues and infuriates her. Eldora is sixty something and exquisitely gorgeous, but her larger-than-life personality can suck the air out of a room. True to form, Eldora throws India a curveball, insisting that they hit the road to look for India's twin, Gypsy, a brilliant artist who lives a vagabond's existence in the remote mountain towns of New Mexico. It looks like India can't avoid her mother's intensity any longer, especially after she discovers stunning secrets from Eldora's past. Thirty years ago, Eldora regaled her twin girls with glamorous stories about her days as a Las Vegas showgirl— stories of martinis and music at the Sahara, back when Frank and Sammy ruled the town. But the story of how she really ended up in Sin City, and the unsavory life she'd run from with her daughters in tow, is full of details she's never seen fit to share—until now. As mother and daughter sail down Route 66, the very road Eldora drove those many years ago, looking for Gypsy, while passing motels, diners, and souvenir shops, Eldora must relive a lifetime of memories that have tormented her before she can put them to rest once and for all. . . . Award-winning author Barbara Samuel brings us a heartfelt story of second chances and unexpected detours. As two women come to terms with themselves and each other, the past unravels and the future spreads out before them like the open road. From the Hardcover edition.

**Jim Pickrell's Personal Guide to Las Vegas** James Pickrell,2018-04-12 Las Vegas is best known for gambling, but there is much more. Some of the most fun trips I've taken to Vegas were ones that involved no gambling at all. There is wilderness and rock climbing, lots of fun restaurants, and all kinds of activities, from dancing and music to skeet shooting and golf.I'm going to assume that everyone has a smart phone with access to Yelp and Trip Advisor. These sites have encyclopedic listings of every business in town. I'm not going to try to duplicate that here. Instead I'm going to concentrate on helping you have a great trip. I will list hotels that are good values, and I will also point out a few to avoid. I will list restaurants that are worth checking out, including some great places in Chinatown and other areas off the strip. Most of the good places are outside the casinos. I will point out some of the shows and activities that I think are the most enjoyable. I like Penn and Teller and the Cirque de Soleil, but there are many others. I will point out some of the best pools, whether it's for swimming or for parties. I will list some fun things to do which involve getting out of your casino and leaving the strip, such as hiking, rock climbing or playing tennis. I include some suggested side trips, such as Red Rock, Hoover Dam, and Grand Canyon.I will also discuss gambling, with rules and strategies for some of the more popular games. I will talk a bit about card counting and poker play. I will explain how the loyalty programs work at the casinos, how to get comps, and how to get rated as a player without losing all your money.The opinions here are mine alone, no sponsors and no advertisers. I used to work in a casino, so I understand how they work. I've been to Las Vegas countless times, I've stayed at most of the hotels, gambled at the casinos, eaten at the restaurants and visited the attractions. For the price of a cup of coffee and a bagel at Starbucks, I'll give you everything I know.

**Gambling on a Dream** Lynn M. Zook, 2018 Everyone thinks they know the history of the Las Vegas Strip. But the real story is both fascinating and not well known. What was there before the Bellagio, the Wynn, the Venetian, or those empty plots of land that look out of place? Why is the Flamingo one of the oldest and most surviving hotels on the boulevard? From conception to implosion, you get the detailed histories of the hotels built during those formative years, including the El Rancho Vegas, Hotel Last Frontier, Flamingo, Thunderbird, Wilbur Clark's Desert Inn, Sahara, Sands, Royal Nevada, Riviera, and the Dunes. Included in these histories are architectural designs, the neon signage, and how each of the hotels evolved. This book also includes rarely seen, historic imagery. The dreamers, who saw the future like few others and who built these hotels, helped turn a five-mile stretch of blacktop highway into the Entertainment Capital of the World. This is the story of the first twenty-five years of the Classic Las Vegas Strip--how it began, and how it grew.
