Behind the Eight Ball Tanya Telfair Sharpe,2012-12-06 Inner-city black women open their hearts to share the pain of crack addiction and its consequences *Behind the Eight Ball: Sex for Crack Cocaine Exchange and Poor Black Women* documents an American tragedy that highlights the widening gap between social and economic classes. In their own words, poor black women—nameless, faceless, and marginalized by poverty—share the details of their lives before and after crack cocaine invaded their communities, each recalling the circumstances of her introduction to the drug and her first experience using sex to support her addiction. These candid interviews expose the socioeconomic changes in inner-city neighborhoods that created the perfect conditions for a crack stronghold; the crack cocaine economy's impact on the lives of inner-city residents; and the social and familial consequences of crack addiction among poor, black women. *Behind the Eight Ball: Sex for Crack Cocaine Exchange and Poor Black Women* places crack addiction, crack-related prostitution and its consequences, STDs, HIV, and pregnancy into the context of the larger social issues of inner-city poverty, race, gender, and class. This unique book reveals the sex-for-crack barter system as evidence of a long-term social exclusion and systemic racism that has worked to destroy the self-image of poor black American women. The women interviewed reflect this negative image, exchanging sex for crack on a regular basis to support their addictions at the risk-and reality-of unplanned pregnancies. "The baby I am carrying now, I don't know who the father is. There are a few (men) that I had sex with around the time I got pregnant—that day. But which one it is, I don't know who." *Behind the Eight Ball: Sex for Crack Cocaine Exchange and Poor Black Women* examines: why poor black women addicted to crack are disproportionately at risk for sexually transmitted diseases, including HIV, and unplanned pregnancies how the social and economic characteristics of poor black communities support crack distribution and consumption how crack use and the exchange of sex for crack damages struggling black families why the care of many children is entrusted to child welfare agencies how and why women are marginalized in the crack culture *Behind the Eight Ball: Sex for Crack Cocaine Exchange and Poor Black Women* is an insightful and enlightening look at the motivations behind the decision to risk illness, injury, disease, death, and pregnancy to support addiction.

Shake Hands With the Devil Romeo Dallaire,2009-02-24 On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is

simple and undeniable: “Never again.” When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire’s own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire’s personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he’d relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world’s dirty wars. Excerpt from *Shake Hands with the Devil* My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a *cri de coeur* for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

Billy Woody Hawthorne,2011-06-01 DescriptionDiagnosed with severe ADHD and bipolar disorder, Billy Hawthorne faced a steep uphill battle to control his mental illness and beat his debilitating addictions to alcohol and DXM products, the active ingredient in cough syrups such as Robotussin and Corocidin. Today Billy is managing his mental illness and his addictions and is ready to move on with his life, but not before relentlessly battling a crazy mental health and criminal justice system in Virginia whose plethora of contradicting rules and criteria many times came close to leaving him for dead. Relive Billy's 5 year battle through repeated struggles and his ultimate triumph firsthand through the eyes of his father, Woody. It is both Woody and Billy s hope that, through reading this book, other families may be able to avoid much of the pain and craziness that kept Billy from getting better sooner. About the AuthorWoody Hawthorne was born in August 1957 in Schenectady, NY USA. He graduated from the College of William and Mary, Williamsburg, VA in 1979 and has worked primarily as an Electromagnetic Compatibility engineer in the aerospace industry for the past 29 years. Violence Assessment and Intervention James S. Cawood,Michael H. Corcoran,2019-10-21 Violence Assessment and Intervention: The Practitioner’s Handbook, now in its third edition, provides a proven methodology, grounded in the current empirical research and the authors’ experience in successfully assessing and managing thousands of cases in a variety of contexts and environments, for analyzing concerning behaviors and potential threatening situations, and taking action in these challenging, dynamic environments before tragedy occurs. Threat and violence assessment and management is an essential process in reducing violence and its consequences. The ongoing challenge for those assessors, particularly in common workplace environments (e.g., educational settings, public agency settings, and business settings), is applying the applicable behavioral science research in a practical and effective manner to maximize safety. The book begins by demonstrating the threat and violence assessment process from the point of the initial call and proceeds through the steps that quantify the situation and determine the appropriate response. The next section covers information gathering, victimology, and formulas and tools for risk assessment. Finally, the book explores organizational influences, school violence, ethics, security and consultation issues; the formation and running of threat management teams, and relevant laws related to violence assessment. This book is a valuable reference for human resource professionals, security professionals, mental health practitioners, law enforcement personnel, and lawyers who are members of threat assessment teams, provide threat and violence assessment and management consultations, as well as expert witnesses in cases involving workplace violence, school violence, security negligence; or wrongful termination or disputed school disciplinary actions related to aggressive, threatening, or violent behavior.

Our Class Chris Hedges,2022-10-11 Chris Hedges's powerful memoir of his year of teaching inmates in a maximum-security New Jersey prison takes readers into the lives of men who were all but destined to become incarcerated because of their impoverished and dangerous childhoods and shows why criminal justice reform is so essential--

The Words Hurt Chris Loftis,1995 This is a perfect story for children who are trying to cope with the trauma of verbal abuse to read themselves.

Dealing with Addiction: Why the 20th Century Was Wrong Phd Crackhead Peter Ferentzy,2011-05-01 Dr. Peter Ferentzy, an addiction expert who has lived the life of a crack addict, reveals the ugly truth: the dominant approach to drug and alcohol addictions has hurt-and even killed-more people than it has helped. Hitting bottom, abstinence, and other buzzwords are often code for approaches that promote degradation, rape, and death-and on a scale that really amounts to genocide.

The Sojo Journal Brad J. Porfilio,Azadeh F. Osanloo,2020-12-01 The Sojo Journal: Educational Foundations and Social Justice Education is an international, peer-reviewed journal of educational foundations. San Jose State University hosts the journal. It publishes essays that examine contemporary educational and social contexts and practices from critical perspectives. The Sojo Journal: Educational Foundations and Social Justice Education is interested in research studies as well as conceptual, theoretical, philosophical, and policy-analysis essays that challenge the existing state of affairs in society, schools, and (in)formal education. The Sojo Journal: Educational Foundations and Social Justice Education is necessary because currently there is not an exclusively international foundations of education journal. For instance, three of the leading journal in education foundations journals (e.g., The Journal of Educational Studies, British Journal of Sociology of Education, The Journal of Educational Foundations) solicit manuscripts and support scholarship mainly from professors who reside in Britain and the United States. This journal is also unique because it brings together scholars and practitioners from disciplines outside of educational foundations, who are equally committed to social change and promoting equity and social justice inside and outside of K-16 schools. The Sojo Journal: Educational Foundations and Social Justice Education’s audience is K-12 teachers, K-12 teacher educators, educational leaders, social activists, political economists, and higher education personnel across the globe. The journal is marketed to Educational Foundation, Teacher Education, and Educational Leadership programs, which have embraced the intellectual work of the various editorial members.
