Amira K. Makansi

Literary Libations Amira K. Makansi, 2018-09-04 Recommended as a holiday gift for wine lovers by The Mail Tribune! “This delightful hard-cover volume is light as the bubbles in Crémant de Bourgogne, bright with a wordsmith’s insights and generously flavored with humor. One-page descriptions of what wine, brew, or cocktail goes best with a renowned book (they range from Heart of Darkness/Petite Syrah to A Confederacy of Dunces/Budweiser) are as un-put-downable as potato chips.” Want to know what to drink with all your favorite books? A bubbly, boozy French 75 with The Great Gatsby. A luscious Chocolatini with Bridget Jones's Diary. Old vine California Zinfandel with The Grapes of Wrath. Lager (by the pitcher, from your local dive) with Fight Club. Refreshing citrus shandy with Their Eyes Were Watching God. And don't you dare open Dracula without a Bloody Mary near at hand! Now book lovers everywhere can raise the perfect toast to Shakespeare, Austen, Kerouac, Woolf, and more. With drink pairing recommendations for nearly 200 classic and contemporary works of fiction, including non-alcoholic pairings for kids and young adult books, Literary Libations is a necessary addition to bookshelves and bar tops everywhere. Insightful, beautifully written, and [full of] dazzling watercolor illustrations. --Taylor Zajonc, author of The Maw

*This Golden State* Marit Weisenberg, 2022-03-01 Marit Weisenberg's This Golden State follows a family on the run, a restless teenage daughter hungry for the truth, and the simple DNA test that threatens their carefully crafted world The Winslow family lives by five principles: 1. No one can know your real name. 2. Don't stay in one place too long. 3. If you sense anything is wrong, go immediately to the meeting spot. 4. Keeping our family together is everything. 5. We wish we could tell you who we are, but we can't. Please—do not ask. Poppy doesn't know why her family has been running her whole life, but she does know that there are dire consequences if they're ever caught. Still, her curiosity grows each year, as does her desire for real friends and the chance to build on something, instead of leaving behind school projects, teams, and crushes at a moment's notice. When a move to California exposes a crack in her parents' airtight planning, Poppy realizes how fragile her world is. Determined to find out the truth, she mails in a home DNA test. Just as she starts to settle into her new life and even begins opening up to a boy in her math class, the forgotten test results bring her crashing back to reality. Unraveling the shocking truth of her parents' real identities, Poppy realizes that the DNA test has undone decades of careful work to keep her family anonymous—and the past is dangerously close to catching up to them. Determined to protect her family but desperate for more, Poppy must ask: How much of herself does she owe her family? And is it a betrayal to find her own place in the world?

**Posthumorism** Frances McDonald, 2022-01-27 Examining the multiple non-humorous meanings of laughter, this book explores a unique strain of laughter in modernism that is without humor, without humans, and without humanism. Providing a bold new theory of modernism's affects, Posthumorism chronicles the scattered emergence of a particular strain of humorless laughter in twentieth-century literature, film, and philosophy. From William James's trippy experiments with laughing gas to the wide-open suicide shriek of Major Kong in Stanley Kubrick's Dr. Strangelove, modernity is strewn with examples of such laughter – defined by its ability to “crack up” and destroy, whilst opening new horizons of perception. Examining the creative operation of posthumorist laughter, this book explores how various stylists of the form—from Nathanael West and Kurt Vonnegut to Georges Bataille and Hélène Cixous—use it as a tool to unsettle, reconfigure the individual human, and shape different forms of humanist discourse.
