

Vietnam

G. Simons

Vietnam and America Marvin E. Gettleman,1995 No single event since World War II has marked this country's foreign policy and national image as deeply as did the war in Vietnam. Vietnam and America is a complete history of the war, as documented in essays by leading experts and in original source material. With generous selections from the documentary records, the book dispels distortions and illuminates in depth the many facets of the war, from Vietnam's history before the war, to Washington's insider policy making, to troop perspectives, to the impact back on the home front. In essays introducing each major stage of the war, the editors elucidate the issues, foreign policy choices, and consequences of U.S. involvement. Substantial headnotes put each document in historical perspective. This comprehensive anthology is an invaluable reference for anyone who wants to understand the Vietnam War.

Vietnam Christopher Goscha,2016-09-13 The definitive history of modern Vietnam, lauded as groundbreaking (Guardian) and the best one-volume history of modern Vietnam in English (Wall Street Journal) and a finalist for the Cundill History Prize In Vietnam, Christopher Goscha tells the full history of Vietnam, from antiquity to the present day. Generations of emperors, rebels, priests, and colonizers left complicated legacies in this remarkable country. Periods of Chinese, French, and Japanese rule reshaped and modernized Vietnam, but so too did the colonial enterprises of the Vietnamese themselves as they extended their influence southward from the Red River Delta. Over the centuries, numerous kingdoms, dynasties, and states have ruled over -- and fought for -- what is now Vietnam. The bloody Cold War-era conflict between Ho Chi Minh's communist-backed Democratic Republic of Vietnam and the American-backed Republic of Vietnam was only the most recent instance when war divided and transformed Vietnam. A major achievement, Vietnam offers the grand narrative of the country's complex past and the creation of the modern state of Vietnam. It is the definitive single-volume history for anyone seeking to understand Vietnam today.

Understanding Vietnam Neil L. Jamieson,2023-11-10 The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy. Yet our understanding of this tragic episode remains superficial because, then and now, we have never grasped the passionate commitment with which the Vietnamese clung to and fought over their own competing visions of what Vietnam was and what it might become. To understand the war, we must understand the Vietnamese, their culture, and their ways of looking at the world. Neil L. Jamieson, after many years of living and working in Vietnam, has written the book that provides this understanding. Jamieson paints a portrait of twentieth-century Vietnam. Against the background of traditional Vietnamese culture, he takes us through the saga of modern Vietnamese history and Western involvement in the country, from the coming of the French in 1858 through the Vietnam War and its aftermath. Throughout his analysis, he allows the Vietnamese—both our friends and foes, and those who wished to be neither—to speak for themselves through poetry, fiction, essays, newspaper editorials and reports of interviews and personal experiences. By putting our old and partial perceptions into this new and broader context, Jamieson provides positive insights that may perhaps ease the lingering pain and doubt resulting from our involvement in Vietnam. As the United States and Vietnam appear poised to embark on a new phase in their relationship, Jamieson's book is particularly timely.

The ARVN and the Fight for South Vietnam Nghia M. Vo,2021-08-26 With the withdrawal of French forces from South Vietnam in 1955, the U.S. took an ever-widening role in defending the country against invasion by North Vietnam. By 1965, the U.S. had Americanized the war, relegating the Army of the Republic of Vietnam (ARVN) to a supporting role. While the U.S. won many tactical victories, it had difficulty controlling the territory it fought for. As the war grew increasingly unpopular with the American public, the North Vietnamese launched two large-scale invasions in 1968 and 1972--both tactical defeats but strategic victories for the North that precipitated the U.S. policy of Vietnamization, the drawdown of American forces that left the ARVN to fight alone. This book examines the maturation of the ARVN, and the major battles it fought from 1963 to its demise in 1975. Despite its flaws, the ARVN was a well-organized and disciplined force with an independent spirit and contributed enormously to the war effort. Had the U.S. Vietnamized the war earlier, it might have been won in 1967-1968.

Vietnam, an American Ordeal George Moss,1990

The Vietnam War Edward Miller,2016-01-19 The Vietnam War is an outstanding collection of primary documents related to America's conflict in Vietnam which includes a balance of original American and Vietnamese perspectives, providing a uniquely varied range of insights into both American and Vietnamese experiences. Includes substantial non-American content, including many original English translations of Vietnamese-authored texts which showcase the diversity and complexity of Vietnamese experiences during the war Contains original American documents germane to the continuing debates about the causes, consequences and morality of the US intervention Incorporates personal histories of individual Americans and Vietnamese Introductory headnotes place each document in context Features a range of non-textual documents, including iconic photographs and political cartoons

The Path to Vietnam Andrew J. Rotter,1989 What path led Americans to Vietnam? Why and how did the United States become involved in this conflict? Drawing on materials from published and unpublished sources in America and Great Britain, historian Andrew Rotter uncovers and analyzes the surprisingly complex reasons for America's fateful decision to provide economic and military aid to the nations of Southeast Asia in May 1950.

America, the Vietnam War, and the World Andreas W. Daum,Lloyd C. Gardner,Wilfried Mausbach,2003-07-14 Publisher's description: This book presents new perspectives on the Vietnam War, its global repercussions, and the role of this war in modern history. The volume reveals 'America's War' as an international event that reverberated all over the world: in domestic settings of numerous nation-states, combatants and non-combatants alike, as well as in transnational relations and alliance systems. The volume thereby covers a wide geographical range-from Berkeley and Berlin to Cambodia and Canberra. The essays address political, military, and diplomatic issues no less than cultural and intellectual consequences of 'Vietnam'. The authors also set the Vietnam War in comparison to other major conflicts in world history; they cover over three centuries, and develop general insights into the tragedies and trajectories of military conflicts as phenomena of modern societies in general. For the first time, 'America's War' is thus depicted as a truly global event whose origins and characteristics deserve an interdisciplinary treatment.

What Was the Vietnam War? Jim O'Connor,Who HQ,2019-05-07 Learn how the United States ended up fighting for twenty years in a remote country on the other side of the world. The Vietnam War was as much a part of the tumultuous Sixties as Flower Power and the Civil Rights Movement. Five US presidents were convinced that American troops could end a war in the small, divided country of Vietnam and stop Communism from spreading in Southeast Asia. But they were wrong, and the result was the death of 58,000 American troops. Presenting all sides of a complicated and tragic chapter in recent history, Jim O'Connor explains why the US got involved, what the human cost was, and how defeat in Vietnam left a lasting scar on America.

The Uncensored War Daniel C. Hallin,1989-04-14 Vietnam was America's most divisive and unsuccessful foreign war. It was also the first to be televised and the first of the modern era fought without military censorship. From the earliest days of the Kennedy-Johnson escalation right up to the American withdrawal, and even today, the media's role in Vietnam has continued to be intensely controversial. The Uncensored War gives a richly detailed account of what Americans read and watched about Vietnam. Hallin draws on the complete body of the New York Times coverage from 1961 to 1965, a sample of hundreds of television reports from 1965-73, including television coverage filmed by the Defense Department in the early years of the war, and interviews

with many of the journalists who reported it, to give a powerful critique of the conventional wisdom, both conservative and liberal, about the media and Vietnam. Far from being a consistent adversary of government policy in Vietnam, Hallin shows, the media were closely tied to official perspectives throughout the war, though divisions in the government itself and contradictions in its public relations policies caused every administration, at certain times, to lose its ability to manage the news effectively. As for television, it neither showed the literal horror of war, nor did it play a leading role in the collapse of support: it presented a highly idealized picture of the war in the early years, and shifted toward a more critical view only after public unhappiness and elite divisions over the war were well advanced.

Vietnam Mitch Epstein,1997 A photographer's unnerving and poetic odyssey through modern-day Vietnam. Mitch Epstein's evocative pictures reveal a complicated Vietnam that few Americans have ever seen. This is not a document about the war, nor is it the pastoral idyll other photographers have portrayed. Vietnam, through Epstein's eyes, is a disturbing and sublime palimpsest. Vietnam: A Book of Changes interprets a culture and landscape largely cut off from the West for the last thirty years, and now open to a market economy and a new relationship to America. The photographs are suffused with the rawness of Vietnamese life lived on the economic and political edge. Under the layer of friendship lies the tension of politics; under beauty lies violence; under the stark faces of remote villagers is the entrepreneurial momentum drawing them to the city; and under the remnants of war is an artistic bohemia grappling with new freedoms and continued censorship. Epstein's groundbreaking art photography addresses our senses and intellect equally. These pictures bring us into the heart of Vietnam.

A Brief History of Vietnam Bill Hayton,2022-10-25 This accessible guide is your one-stop shop for discovering Vietnamese history. A Brief History of Vietnam explores the fascinating, turbulent history of a land that has risen from the ashes of war to become a leading economic power. This book expertly examines the history of a people and a nation with ancient roots but which only took its current shape in the 19th century under French colonial rule and its current name in 1945. Before that landmark year, Vietnam was known by many names, under many rulers. Located in the geographical center of Southeast Asia, the country we call Vietnam was ruled by China, a series of Vietnamese emperors, and the French. A devastating, decades-long conflict for independence ensued, ending with the conclusion of the Vietnam War in 1975. Key topics include: China's ancient conquest of Vietnam and the millennia-long struggle of the Vietnamese for independence from its powerful neighbor to the north. The reign of the Nguyen dynasty, the last dynasty to rule Vietnam, with its capital at the ancient city of Hue, today a UNESCO world heritage site. France's eventual colonization of Vietnam, which lasted for over 60 years, culminating in the dramatic Battle of Dien Bien Phu. The story of Ho Chi Minh, educated in France, who attended the Treaty of Versailles to advocate for independence and became Vietnam's first President after the Vietnam War. The violent political split between North and South, which resulted in a devastating war with the United States and eventual victory by the Communists. The country's miraculous emergence from three decades of war and its path to becoming one of the world's fastest-growing economies today. Perfect for history buffs of all kinds, the book includes 32 pages of vivid color photos that depict the country's rich history. Journalist Bill Hayton's accessible prose makes A Brief History of Vietnam an essential study of a beautiful, complex land in the heart of Southeast Asia and its worldwide influence.

Triumph Forsaken Mark Moyar,2006-08-28 Drawing on a wealth of new evidence from all sides, Triumph Forsaken, first published in 2007, overturns most of the historical orthodoxy on the Vietnam War. Through the analysis of international perceptions and power, it shows that South Vietnam was a vital interest of the United States. The book provides many insights into the overthrow of South Vietnamese President Ngo Dinh Diem in 1963 and demonstrates that the coup negated the South Vietnamese government's tremendous, and hitherto unappreciated, military and political gains between 1954 and 1963. After Diem's assassination, President Lyndon Johnson had at his disposal several aggressive policy options that could have enabled South Vietnam to continue the war without a massive US troop infusion, but he ruled out these options because of faulty assumptions and inadequate intelligence, making such an infusion the only means of saving the country.

A Companion to the Vietnam War Marilyn B. Young,Robert Buzzanco,2008-04-15 A Companion to the Vietnam War contains twenty-four definitive essays on America's longest and most divisive foreign conflict. It represents the best current scholarship on this controversial and influential episode in modern American history. Highlights issues of nationalism, culture, gender, and race. Covers the breadth of Vietnam War history, including American war policies, the Vietnamese perspective, the antiwar movement, and the American home front. Surveys and evaluates the best scholarship on every important era and topic. Includes a select bibliography to guide further research.

The Vietnam Syndrome G. Simons,1997-10-27 This book focuses on the 'Vietnam Syndrome' - the effects for the United States of the American defeat in the Vietnam War. It argues that a full understanding of the Syndrome requires a proper appreciation of key shaping elements in Vietnamese and American history. Attention is given to the racial genocide that attended the birth of the United States, to US imperialism and capitalism, and to the Cold War framework. The nature of America as a plutocracy is emphasised, followed by profiles of policy options and three specific issues: post-war Vietnam, El Salvador and Iraq.

The First Vietnam War Shawn F. McHale,2021-08-26 Shawn McHale explores why the communist-led resistance in Vietnam won the anticolonial war against France (1945–54), except in the south. He shows how broad swaths of Vietnamese people were uneasily united in 1945 under the Viet Minh Resistance banner, all opposing the French attempt to reclaim control of the country. By 1947, resistance unity had shattered and Khmer-Vietnamese ethnic violence had divided the Mekong delta. From this point on, the war in the south turned into an overt civil war wrapped up in a war against France. Based on extensive archival research in four countries and in three languages, this is the first substantive English-language book focused on southern Vietnam's transition from colonialism to independence.

The Vietnam War Michael Burgan,2006-12-15 Explores the origins of the conflict in Vietnam and the events that led to the United States taking a leading role in it, follows the major events of the war and American reactions to it, and examines the ending of the war and its consequences.

Vietnam War Martin Gitlin,2013-09-01 This book explores the causes of and events leading to the Vietnam War. Easy-to-read, engaging text discusses major battles and key figures of the war and the technology and weapons used during the war. Through primary source quotes, readers will discover the experiences of soldiers and people on the home front. Readers will learn what impact the Vietnam War had on US history and the country's development. Oversized photographs and informative sidebars enhance and support the text. Features include a timeline, facts page, glossary, bibliography, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Vietnam: A Natural History Eleanor Jane Sterling,Martha Maud Hurley,Le Duc Minh,2008-10-01 A country uncommonly rich in plants, animals, and natural habitats, the Socialist Republic of Vietnam shelters a significant portion of the world's biological diversity, including rare and unique organisms and an unusual mixture of tropical and temperate species. This book is the first comprehensive account of Vietnam's natural history in English. Illustrated with maps, photographs, and thirty-five original watercolor illustrations, the book offers a complete tour of the country's plants and animals along with a full discussion of the factors shaping their evolution and distribution. Separate chapters focus on northern, central, and southern Vietnam, regions that encompass

tropics, subtropics, mountains, lowlands, wetland and river regions, delta and coastal areas, and offshore islands. The authors provide detailed descriptions of key natural areas to visit, where a traveler might explore limestone caves or glimpse some of the country’s twenty-seven monkey and ape species and more than 850 bird species. The book also explores the long history of humans in the country, including the impact of the Vietnam-American War on plants and animals, and describes current efforts to conserve Vietnam’s complex, fragile, and widely threatened biodiversity.

A Time for Peace Robert D. Schulzinger,2006 The Vietnam War left wounds that have taken three decades to heal--indeed some scars remain even today. In *A Time for Peace*, prominent American historian Robert D. Schulzinger sheds light on how deeply etched memories of this devastating conflict have altered America's political, social, and cultural landscape. Schulzinger examines the impact of the war from many angles. He traces the long, twisted, and painful path of reconciliation with Vietnam, the heated controversy over soldiers who were missing in action, the influx of over a million Vietnam refugees into the US, and the plight of Vietnam veterans, many of whom returned home alienated, unhappy, and unappreciated. Schulzinger looks at how the controversies of the war have continued to be fought in books and films and, perhaps most important, he explores the power of the Vietnam metaphor on foreign policy, particularly in Central America, Somalia, the Gulf War, and the war in Iraq. Using a vast array of sources, *A Time for Peace* provides an illuminating account of a war that still looms large in the American imagination.

The Top Books of the Year Vietnam The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Vietnam : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Vietnam Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Vietnam free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Vietnam free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Vietnam free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Vietnam. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Vietnam any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Vietnam Books

What is a Vietnam PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Vietnam PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Vietnam PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Vietnam PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Vietnam PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
