Treat Your Poker Like a Business ,2009-12 Poker star Dusty Schmidt presents his first book [– one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [–Raise: The Impossibly True Tale of Dusty Schmidt, [–? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

The Poker Code Davies Guttman,2014-06-18 Poker is serious – and big – business these days. Just take a look at the number of gaming and gambling sites offering variants on the game and the amount of media coverage and airtime it gets. It seems to be a game where you can get rich quick – but you can easily lose a considerable amount of money in a short time also; especially if you are not experienced and don't really understand what you are doing. This compilation takes a look at the history of poker and the different variations of the game that can be played for money or pleasure. It also features more serious analysis of strategies in playing and betting on poker including the mathematical and psychological aspects of a game that is highly susceptible to both of these approaches. If you are considering taking up poker as a hobby or as gambling – this is as good a starting point as any to get you up to speed on the sorts of information and knowledge you will need to participate with even a modicum of success.

The Secret Footballer: What Goes on Tour The Secret Footballer,2017-05-04 Since his first book was published in 2012, The Secret Footballer has been able to take the reader behind the scenes of footballers' lives like no other player has been able, or will ever be able, to do. Anonymity has been a potent weapon in revealing the real world of football stars, and five years on, he has now penned the work that all his fellow professionals have been urging him to do from the start, The Secret Footballer: What Goes on Tour. And it isn't going to stay on tour any more... From Marbella and Ibiza to Dubai and Las Vegas, The Secret Footballer lays bare the worst, most embarrassing and most hilarious excesses of these fit and mostly fickle young men whose million-pound salaries, to use his own words, 'open up a host of recreational opportunities'. Fuelled by rampaging desires for sex, drugs, booze and rock'n'roll, these footballers think up ever more extreme ways of splashing the cash, and needless to say, it doesn't always end well...

Alligator Blood James Leighton,2013-11-07 Daniel Tzvetkoff was just another Brisbane teenager working for peanuts at Pizza Hut and spending much of his spare time glued to his computer. When he worked out a new method of payment processing, the online poker companies came running to him for help so they could grow their businesses. Soon he was living the American dream, raking in \$3 million a week and revelling in a jet-set lifestyle of fast cars, luxury yachts and VIP nightclubs. His epic rollercoaster ride mirrored the extraordinary world of online poker, where hot-shot college students won millions from the confines of their dorms, and fortunes were won and

lost. However, Tzvetkoff's move to the bright lights of Las Vegas would soon see him facing the abyss. Owing millions to the poker companies, and with the FBI hot on his trail, the boy wonder needed to pull an ace from his sleeve to keep from busting out. And when he did, it resulted in a day that sent shockwaves through the world of online poker - and saw him take the blame.

Chopsticks and Gambling Desmond Lam,2017-07-28 The Chinese are known throughout the world as avid gamblers with a long history of participation in games of chance. Historians have documented wagering on such games as far back as the early Chinese dynasties. Despite measures by ancient Chinese rulers to contain gambling, it proliferated, and Chinese games have evolved and multiplied since then. Desmond Lam provides a unique look into the little-known world of Chinese gambling from historical, cultural, psychological, and social perspectives.Chinese gamblers regularly patronize casinos in the United States, Canada, and Australia. The recent expansion of gambling in East Asia has attracted much global media attention. Macau, the only place in China where casino gambling is now legal, easily surpasses Las Vegas as the world's largest casino gaming market. Each year, Chinese from mainland China, Hong Kong, and Taiwan account for almost 90 percent of visitors to Macau.The expansion of the Chinese gambling industry has brought about much harm to Chinese communities, despite all of the development it has also stimulated. This book is the first to examine the beliefs, motivations, attitudes, and behaviors of Chinese gamblers, and will be of interest to students of history and sociology, as well as those studying the history and culture of China.
