The Informer Craig Nova,2011-03 Forging a survival-based friendship in pre-World War II Berlin, a beautiful but scarred young prostitute and the lame teen who negotiates with her clients interact with a series of power-hungry men who promote corrupt agendas.

The Informer in Law Enforcement Malachi L. Harney,John C. Cross,1962

Informer 2 Rhoan Flowers,2014-10-25 *Informer 2: The Treachery of Friends* is the second novel in Rhoans gangster series. After Kevin and company killed Martain and his gang of rough riders, a retired member of the coveted secret society summoned the help of Western bikers to eliminate those responsible. With the removal of Kevin from his drug empire, Damian takes over as leader and quickly rekindles the conflict between Kadeem, whose only interest is to find the kidnapped child. Kevin, who was slated for extradition, eventually finds out about his missing son and leaves no stones unturned to find him. Kane becomes an activist for his people and orchestrates the biggest transit disruption in Quebecs history, where he and his warriors create blockades at a number of routes across their territory.

The Informer Joseph Conrad,2019-04-13 Joseph Conrad (born Teodor Józef Konrad Korzeniowski, 3 December 1857 - 3 August 1924) was a Polish-born novelist. Some of his works have been labelled romantic: Conrad's supposed romanticism is heavily imbued with irony and a fine sense of man's capacity for self-deception. Many critics regard Conrad as an important forerunner of Modernist literature. Conrad's narrative style and anti-heroic characters have influenced many writers, including Ernest Hemingway, D.H. Lawrence, Graham Greene, Joseph Heller and Jerzy Kosiński, as well as inspiring such films as *Apocalypse Now* (which was drawn from Conrad's *Heart of Darkness*).

Snitch! Steve Hewitt,2010

The Informer Liam O'Flaherty,1961 Set against the background of 1920's Ireland *The Informer* turns from the Irish countryside and its people to an enthralling revolutionary drama of the Dublin underworld.

The Informer Patrick F. Sheeran,2002 Liam O'Flaherty's novel *The Informer* (1925) is what the author of this fascinating study calls a mythogenic text - one that lends itself easily to adaptations, recreations and renditions. To date there have been four film versions (Arthur Robison 1929, John Ford 1935, Jules Dassin 1968, Michael Byrne 1992) and at least as many stage versions. One of the reasons the novel has proved so attractive to filmmakers is that it was itself written with an eye on the silent expressionist cinema of the day. All too often O'Flaherty has been regarded as a hard realist who drew the great vigor of his art from the native Gaelic culture of oral storytelling. In fact, he was much more at home in the linked gestural and visual language of melodrama and the silent cinema. As Patrick Sheeran amply demonstrates, the central antagonism between O'Flaherty's Hardman (Gypo Nolan) and the Gunman (Commandant Dan Gallagher) has provided dramatists and filmmakers with a compelling way of staging political conflict - not only in Ireland but in Weimar Germany and in the inner-city ghettos of Afro-America as well.

Informer David Critchley,Steve Turner,Lennert Van't Riet,2020-10-05 This *Informer* special issue focuses on Nicola Nick Gentile, underworld leader in U.S. and Sicily, who published an Italian-language tell-all autobiography in 1963. We strive to bring Gentile's entire life story to the English-language reader. Building on extensive original research by a team of Mafia history experts and on U.S. government documents designed to extract meaning from the memoirs, we attempt to balance Gentile's obviously self-serving and self-aggrandizing autobiographical work with verifiable history, to correct his misinformation and to fill in the wide gaps left in his personal account. We closely examine a number of aspects of Gentile's life - the launch of his underworld career in the Kansas City area; relationships with Mafia leaders,

including Salvatore Charlie Luciano Lucania, Vito Genovese, Al Capone, Albert Anastasia, Vincent Mangano, and others; early murders performed by him in Pittsburgh; involvement in narcotics trafficking in New York, New Orleans and Houston; interaction with Mafia leaders in Cleveland, Boston, Chicago, San Francisco and Los Angeles; links to underworld figures in Pueblo, Colorado; dealings with U.S. and Soviet spies in Italy during and after World War II... And we provide biographies for many dozens of individuals who contributed in interesting ways to his life story. Also in this issue: 1900s Mafia feuds in Los Angeles, book excerpts, book announcements, impact of COVID-19 on the underworld, obituary. Writers/researchers contributing to this issue: Thomas Hunt, David Critchley, Steve Turner, Lennert van't Riet, Richard N. Warner, Justin Cascio, Sam Carlino, Michael O'Haire, Jon Black, Margaret Janco, Bill Feather and Christian Cipollini. This issue is available in print and electronic magazine formats through the MagCloud service, as well as in Kindle-compatible e-book format.
